TOWN NEWS

Utility Billing Contact Information

It's time to update your information with the Town of Fairview Utility Department for the new year. The Utility Department may need to reach out to you regarding your bill, a water leak, road closure, bad weather, or other unforeseen event. Having your most current information on file is vitally important to ensure you can be contacted in the event of an emergency. To update your information please call the Town of Fairview Utility Department at 972-886-4242 or you may fill out the bottom portion of your water bill and mail it to the Town of Fairview Utility Department, 372 Town Place, Fairview, TX 75069.

MESSAGE FROM THE MAYOR

HENRY LESSNER

Hello Fairview!

As I write this, we are into March already. The redbuds and dogwoods are starting to bloom, tulips and daffodils are in full bloom, and the trees are showing hints of green.

Here are some things that are going on around Town.

Alarm Fees

There has been some confusion about who is supposed to pay alarm fees. There are two categories where fees are charged:

- If your alarm system automatically calls emergency services.
- If your alarm system emits an audible alarm outside your home.

The annual \$25 fee has not been increased since the service was started in 2003. The Council raised the annual fee to \$50 to reflect the increase in costs to administer this program.

McKinney Airport

The City of McKinney has a bond package on their May 6 ballot that asks its residents to approve \$200M for the addition of a four gate passenger terminal, 2000 parking spots, and a new taxiway needed to start commercial passenger service at their airport. The FAA is adding \$100M to this project. Adding passenger service probably means that there will be larger planes flying in/out of this airport – and larger planes make more noise – negatively affecting the quality of life of those living within several miles of the runway. These planes will take off/land over neighborhoods in Fairview, Lucas, and the eastern edge of Allen. Fairview is the most impacted as we are closest to the end of the runway.

Since this bond package is only voted on by McKinney residents, there is a great effort in progress to convince McKinney residents that this bond package is not in their interest – and to vote it down. You can help by going on Facebook to Tom Michero’s page and purchasing a sign for \$14. We will make sure that these signs are spread around McKinney or you can purchase signs for friends/family in McKinney (like I did). Dick Hevey and Kim Meeks are setting up a PAC that will raise money for media and mailings to McKinney

residents. The best place to follow what is happening is on the Facebook page “Citizens Against McKinney Airport (TKI) Expansion”. You can also follow comments/thoughts/facts on various NextDoor pages.

The McKinney City Council voted unanimously to support this expansion and the FAA is committed to it. That being said, McKinney residents are the only ones who get to decide whether or not this expansion happens – so the best way to beat this is to make sure everyone you know in McKinney gets out to vote against Proposition A on the May 6 ballot.

Frisco Road

Frisco Road is going to be relocated south to where it directly intersects with Country Club. The new road will be a divided four lane road between Greenville and the northbound US75 access road. This new road will help with the congestion that occurs in that area. At our February meeting, the Council awarded the construction bid to Sinacola, and in March, the Council voted to rename the new portion of the road “Fairview Crossing.” You can see on the west end of the new Fairview Crossing where some of the construction activity has started. The road should be ready for service in mid-2024.

Watch for information that will be coming out about the April 15th Town wide cleanup day.

Be generous. There are so many needs in our area. Close to home, I am going to sponsor a Teacher Grant for one of the Lovejoy Schools. Go to: www.foundationforlovejoyschools.org and look for “Help A Teacher Fund Their Grant.” Check it out - support our outstanding public schools and their fabulous teachers!

I hope to visit with some of you at Fairview Farmers for breakfast on the second and fourth Mondays. I get there at 8am and sit at the table at the back of the room.

The Corral Grill at Heritage Ranch Golf & Country Club now Open to the Public for Breakfast

Breakfast. The Most Important Meal of the Day. Don't waste it on the dull. Make it a destination.

There is something to be said about starting your day out right. We want to help you do just that. We have... the right food, the right setting, the right atmosphere... all you need to do is bring the right company.

After a 15-year hiatus from weekday breakfast, the *Corral Grill at Heritage Ranch Golf & Country Club* is reopening its doors with a revamped, affordable and diverse breakfast offering Wednesday through Sunday, 7 – 11 AM. And the best part... we are **OPEN TO THE PUBLIC**, and everyone is welcome!

Sous Chef Justin Boyd has been leading the charge on the menu creation and early opening. "Breakfast has always been my favorite meal of the day;" Boyd continues, "and with so few options available to the residents of Fairview, I thought 'what better time

than now' to launch breakfast at Heritage Ranch, not only for our residents, but the community as a whole."

Sous Chef Boyd has definitely created a menu worth driving into The Ranch for. On it, you will find a large selection of Eggs Benedict, Sandwiches, Platters, Pancakes... and more! A few of our favorites so far are: Oscar Eggs Benedict with lump crab on a brioche toast, the Ranch Breakfast Burger featuring a 5 oz. Angus patty, fried egg and bacon, and the Red Eye, the Ranch Breakfast, a generous platter that will keep you full until dinner!

In today's economy, it can be difficult to make the decision to dine out, Boyd states, "Our goal was to create a menu that would appeal to a large population and be reasonably priced." With all items under \$12, and most priced in the \$8-9 range, it is hardly a splurge.

What are you waiting for?! Hop in the car. Take a short drive. And we will see you for breakfast at The Ranch soon.

HEARD HAPPENINGS

Get Your Garden Ready for Spring:

Heard Museum's Annual Native Plant Sale Returns

McKinney, TX—On April 22-23, 2023, the 34th annual Spring Native Plant Sale fundraising event at Heard Natural Science Museum & Wildlife Sanctuary will feature a huge selection of native plants, hard-to-find herbs, and well-adapted plants.

There are many benefits to using native plants in landscaping. Using these plants that are naturally suited to Texas' hydrologic issues is an excellent way to reduce supplemental watering. Many native plant species are also better suited to Texas' climate and provide food sources and habitat for many kinds of wildlife.

For over 30 years, veteran and novice gardeners alike have anticipated this rare opportunity to purchase some of the best plants for North Central Texas gardens and obtain many rare plants. The Heard's plant sales also often feature a selection of native

milkweed plants. Please see our website for the complete plant list (available soon) at HeardMuseum.org/Plant-Sale. Guests are welcome to bring carts or wagons to facilitate their purchases.

The plant sale will be open to the public on April 22 from 9 a.m. to 5 p.m. and on April 23 from 1 p.m. to 5 p.m. Museum admission is not required to attend the plant sale.

A Heard Museum Member Pre-Sale will be offered on April 21 from 4-7 p.m. The

Member Pre-Sale is open to Heard Museum members only; however, memberships will be available for purchase at the event or online beforehand.

About Heard Natural Science Museum & Wildlife Sanctuary

The Heard was founded in 1967 by Bessie Heard. Miss Heard was 80 years old when she saw the need to preserve a place where future generations could experience nature. Today, the Heard's mission of bringing nature and people together to discover, enjoy, experience, restore, and preserve our priceless environment is carried out through education, particularly of young people, emphasizing an appreciation of nature and its conservation. For more information, visit heardmuseum.org.

- Water heater replacement
- Plumbing
- Electrical
- HVAC
- Fencing
- Irrigation
- Swimming pools
- Septic modification
- Room remodel
- Accessory building
- Patio enclosure
- Patio cover
- Outdoor kitchen
- Pergola/arbor
- Storm shelter/safe house
- Driveway approach
- Replacement of roof & deck
- Carport
- Driveway extension
- Golf carts

Permit application forms are available at fairviewtexas.org/departments/building-inspections or in person at Town Hall, 372 Town Place. For more information, please contact permits@fairviewtexas.org or 972-886-4209.

Holiday Closures

In observance of Good Friday, Fairview Town Hall will be closed on Friday, April 7, 2023. Trash will still be collected, and construction is allowed in Fairview on Good Friday.

Lovejoy ISD Celebrates Advanced Placement Scholars and National Merit Recognitions

Lovejoy ISD recently hosted its annual Advanced Academics Recognition Ceremony, celebrating the 272 Lovejoy High School students who achieved Advanced Placement (AP) Scholar status. AP Scholar status is designated by the College Board, and is only granted to students who receive scores of three or higher on three or more AP Exams. Nine National Merit Semifinalists and Nine Commended students were also recognized. Guest speakers, campus and district leadership, teachers, fellow students, and proud family members made this event a well-deserved celebration of the hard work and academic achievements of these students.

Additionally, at the February 24th Board Meeting, the Lovejoy ISD Board of Trustees proudly recognized seven students who were designated as National Merit Finalists. These Lovejoy students began their journey to National Merit Finalist back in October of 2021 as juniors, when they took the 2021 Preliminary SAT/National Merit Scholarship Qualifying Test (PSAT/NMSQT®). From approximately 1.5 million high school students, 16,000 Semifinalists were identified, representing less than one percent of U.S. high school seniors. To become a Finalist, they then submitted an application, essay, school-based recommendation, verified their high academic standings, and took another test - the SAT or ACT. Wow! Approximately 7,250 Finalists will be selected to receive Merit Scholarships® between March and June.

Lovejoy ISD Director of Advanced Academics, Brie Smith said, "Our Lovejoy National Merit Finalists have an average SAT score of 1530 out of 1600. These young adults will take over 90 AP classes and exams before they graduate; that is over 300 hours of testing! They don't just spend their time taking tests though, these well-rounded students enjoy music, robotics and programming, world languages, football, basketball and soccer, debate, hanging out with their friends, traveling, sewing, and much more. They plan on studying areas, such as Political Science, Law, Business, and Computer Science in college. I know we will continue to see great things from them!"

Lovejoy ISD National Merit Semifinalists and Commended Students. Back Row (left to right): Luke Shull, Neil Prakupzhy, Logan Pedersen, Daniel Lamping, Devon Larimer, Humzah Ahmad, Chengai Wang, Connor O'Dowd. **Front Row (left to right):** Lauren Dumin, Audrey McCaffity, Shruti Subramaniyan, Similohu Fadel, Samatha Belatur, Sam Reagan. **Not Pictured:** Alissa Chang, Austin Gonzalez, Matthew Holliman, and Liam Palazzolo

Lovejoy ISD National Merit Finalists (left to right): Devon Larimer, Connor O'Dowd, Luke Shull, Lauren Dumin, Humzah Ahmad, Austin Gonzalez, Liam Palazzolo, and LHS Principal Dr. Travis Zambiasi.

Superintendent of Schools, Katie Kordel added, "It is an honor to celebrate our Lovejoy High School National Merit distinctions. This achievement is a celebration of each student's future promise as well as a testament to their remarkable commitment to academic achievement."

We are open 8:30-5:00 Monday thru Thursday and 8:30-2:00 Friday

PRESCRIPTION DRUG TAKE BACK DAY

The Fairview Police Department is participating in the DEA's nationwide medication disposal program. Medication can be disposed in its original container or by removing the medication from its container and disposing of it directly into the disposal box. Liquid products, such as cough syrup, should remain sealed in the original container. Caps must be tightly sealed to prevent leakage. Intra-venous solutions, injectables and syringes will not be accepted due to potential hazard posed by blood-borne pathogens.

ACTOR OF FAIRVIEW: Max

Max is 14 years old and an 8th grader at the North Texas Performing Arts (NTPA) Academy. On the rare occasion that he's not at the theatre, he likes to play video games and spend time with his theatre friends.

Max has always loved to sing, and decided in the 6th grade that he wanted to find a way to do more of it than just through his middle school choir class. He learned of a fun show coming to NTPA- Fairview Youth Theatre as a two week intensive and thought it would be a good way to check out the program. It was an amazing, supportive experience and he instantly fell in love with musical theatre. He feels like he has found a second home in NTPA-Fairview Youth Theatre and has grown as a person and made deep friendships that he hopes will always be a part of his life. In the two years since he started, he has done nine shows with NTPA.

Max is thrilled to be playing Damian in the upcoming production of *Mean Girls Jr.* at NTPA- Fairview Youth Theatre! It's a dream role for him to play the over the top, hilarious, quirky Damian and he hopes to bring him to the audience in a way that truly celebrates all of the character's iconic lines. He is especially honored to be doing this show as it is premiered for the very first time at NTPA and with such an amazing group of directors and cast members!

Max's favorite role up to this point, has been as John Brooke in *Little Women*. He felt a special closeness with the cast and felt like it pushed him in new ways and helped him grow as an actor. Even after nine performances, he was sad to see it end.

Max would encourage anyone interested in being on stage to give NTPA-Fairview Youth Theatre a try. It is a close community of people that encourage one another to be their best. They work hard AND play hard while making art and you are almost guaranteed to walk away with some amazing new friendships. But be careful - you may never want to leave!

Come see Max and the rest of the cast of *Mean Girls Jr.* performing at Fairview Youth Theatre April 7th-16th, 2023.

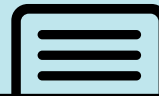

Community Clean Up Day

Saturday, April 15, 2023 • 9:00 am Kick off

Fairview Town Hall, 372 Town Place, Fairview

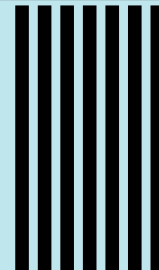

Bring gloves, trash pickers / grabbers, or whatever tools you find useful. The Town will supply trash bags and the Parks, and Recreation Advisory Board will provide guidance on where volunteers should start cleaning. The Town Public Works team will pick up all the trash that volunteers collect and leave by public streets, parks, and trailheads.

This is in conjunction with the Hazardous Waste and Shredding event at the Public Works Yard at 500 S. Hwy 5.

SAVE THE DATE

117 Whistlestop Way, Unit 3 • Fairview, TX 75069

This month at the Allen Public Library...

J. Frank Dobie biographer Steven L. Davis

Folklore offers a glimpse into the soul of a region. A community with colorful folklore typically has fascinating residents. One of the first Texas-based authors to garner national recognition, J. Frank Dobie captured the folklore of Texas and penned over 20 books, including *Tales of Old-Time Texas*, *Coronado's Children*, and *The Longhorns*.

Steven L. Davis, author of *J. Frank Dobie: A Liberated Mind*, will discuss the famed folklorist at 7:30 p.m. Thursday, April 6, at the Allen Public Library. Admission to the program is free, and it will be web-cast live at <https://actv.org/> by clicking on the WATCH button.

During the 1920s and 30s, Dobie was known to have driven down country roads, and when he spotted senior citizens on porch-

es, he would stop and interview them. When asked about his motivation for penning a Dobie biography, Steven explained, "I got interested in studying Dobie when I realized that the conventional wisdom about him had been totally wrong. The truth is far more interesting – and far more inspiring. Dobie was a courageous champion of human rights, a visionary environmentalist, and his writing has been enthusiastically mined by many notable authors. I found that Dobie represents so many of the best elements of Texas. He was a free-range spirit and his groundbreaking life and work continue to influence our culture in many ways."

Steven is a past president of the Texas Institute of Letters, a literary honor society founded in 1936. Curator at the Wittliff Collections at Texas State University in San Marcos, Davis has developed and curated over 30 exhibitions at the Wittliff. His previous book includes *Dallas 1963*, winner of the PEN Center Literary Award for Research Nonfiction.

Goldfinger (1964)

Ian Fleming's classic James Bond novels were among President John F. Kennedy's favorite books. In 1962, *Dr. No* became the first James Bond title to be released as a film, and in 1964, *Goldfinger* became a blockbuster that attracted lengthy lines at the theatre. In some cases, police were summoned to control unruly crowds. *Goldfinger's* \$3 million budget was recouped in two weeks, and box office records were shattered in multiple countries. *Goldfinger* was the first Bond film to garner an Oscar for Best Sound Editing.

Listen to film historians Brian Hughes and Clyde Ponder analyze and discuss the actors, set designs, videographic challenges, innovative sound effects and music at 6:30 p.m. Tuesday, April 11 at the Allen Public Library. This discussion can be viewed virtually at <https://actv.org/> by clicking on the WATCH button. In the library's gallery during April, view *James Bond: The First Decade 1962-1972*, *Dr. No*, *Russia with Love*, *Goldfinger*, *Thunderball*, *You Only Live Twice*, *On*

Enjoy.
Each. Day.

Her Majesty's Secret Service and Diamonds Are Forever.

After their presentation (7:00 p.m.), a film that involves a British M16 agent will be featured. The film will not be presented virtually.

Brian has written and lectured extensively about the James Bond phenomenon, publishing articles and reviews in local and national publications. Co-founder of the New Orleans WTUL radio show, "Stage and Screen," his annual November tribute to Bond film music became so eagerly anticipated, generating so many phone calls to the studio that he had to solicit a volunteer to field them so he could cue up the music. Brian serves as Cultural Services specialist for the City of Crestview, Florida, operating the Crestview History Museum and producing cultural events — including 007-related programs.

Brian Hughes

**Speaking While Female:
75 Extraordinary Speeches
by American Women**

Nationally recognized journalist, speech-writer and speaker Dana Rubin shares the long-overlooked history of female orators in America at 7:30 p.m. Thursday, April 27, at the Allen Public Library. Admission to the program is free, and it will be web-cast live at ACTV.org by clicking on the WATCH button.

In this first anthology of famous speeches by American women, Rubin's book provides cogent evidence that women have changed the world with their ideas and their public voices, even though the history books have obscured this. From the American colonial period to the present, our nation was fundamentally shaped by the ideas of women, primarily expressed through the spoken word. Speeches by American women shaping the national debates and defining American values are presented in this concise anthology.

"This is a vital book," notes Jon Meacham, author of the Pulitzer Prize-winning *American Lion: Andrew Jackson in the White House*. "By identifying and elevating the voices of women across the ages, Dana Rubin has successfully led all of us to examine our assumptions and to listen with new ears and open minds. Carefully curated, deftly edited, and brilliantly brought together, this is a collection that will not be silenced, but heard."

Focusing on expanding diverse female voices and viewpoints in the public discourse, Dana Rubin has appeared on C-Span and TEDx Talks. The Rockefeller Foundation and New York City Police Department are among her clients.

All programs are free and live events at the Allen Public Library. In addition, concerts and lectures are offered virtually at AllenTx.Swigit.com. The library is located at 300 N. Allen Dr. Call 214-509-4911 for additional information.

Trash, Bulk and Brush Collection

TRASH & RECYCLE PICK UP

COLLECTION SCHEDULES

Trash, recycling and yard trimmings are collected weekly on Monday, Tuesday or Wednesday if all items are placed inside the cart with lid closed. Please have trash and recycling carts out of 7 a.m.

Bulk waste and loose brush are collected once a month. Please refer to the map on the previous page to determine your pick up week. Bulk trash may be put out after 6 p.m. on the Friday before collection but no later than 7 a.m. on Monday of your collection week. Bulk trash may be picked up anytime during the collection week. See #7 in the guidelines on next page for size limits.

2023 Holidays: Trash, recycling, bulk and brush will not be picked up on the holidays listed below; instead the collection will slide one day after the holiday-unless otherwise noted.

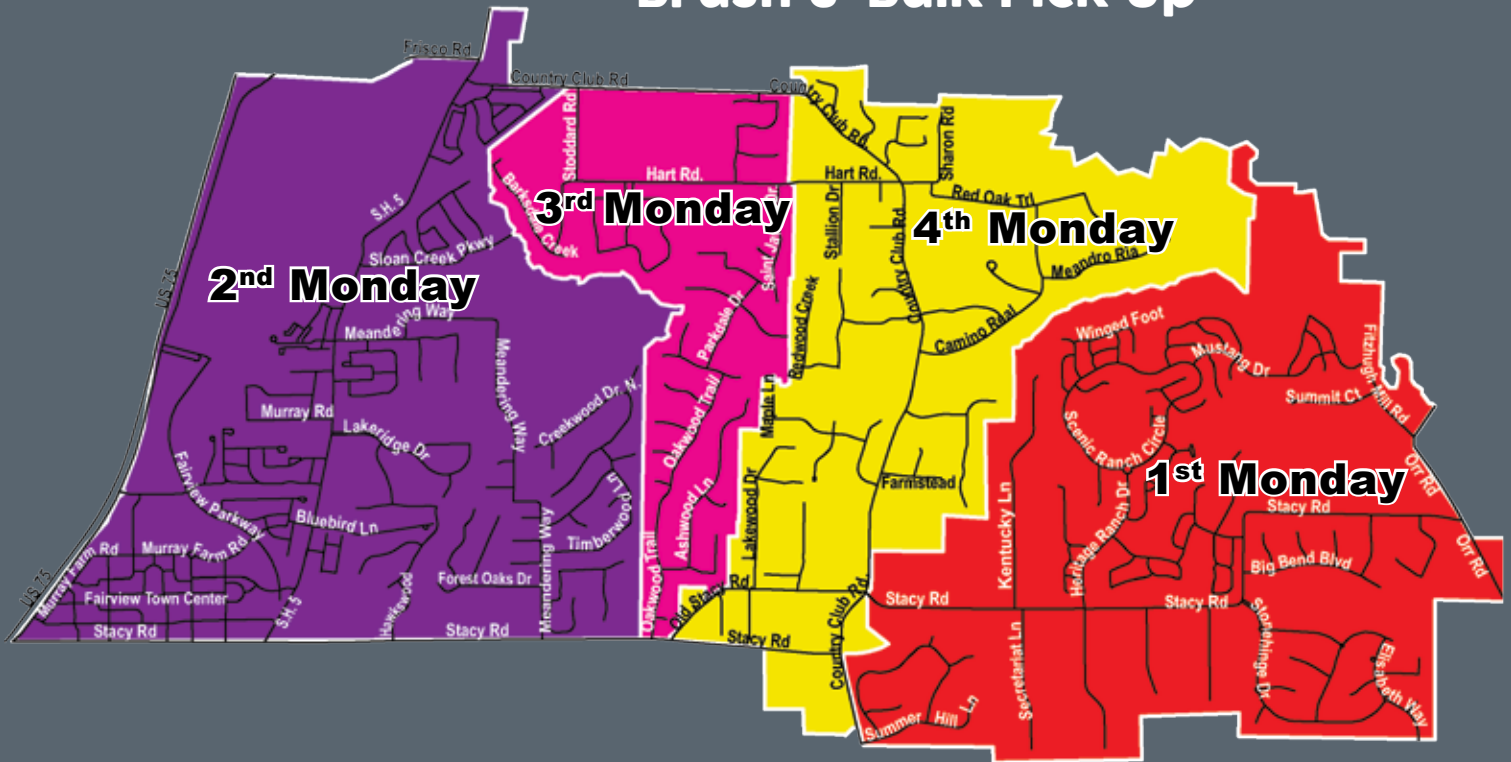

- January 1, New Year's Day - No effect
- May 29, Memorial Day - Roll Forward One Day
- July 4, Independence Day - Roll Forward One Day
- September 4, Labor Day - Roll Forward One Day
- November 23, Thanksgiving - No effect
- December 25, Christmas Day - No effect

Missed Collections/Damaged Carts: Call Republic Services at 972-422-2341 to schedule a pick up for a missed collection or to report damaged cart.

Hazardous Waste: Residents may dispose of household hazardous waste at the Home Chemical Collection Center located in Dallas. Call 214-553-1765 for information.

Trash, Bulk and Brush Collection

Brush & Bulk Pick Up

REMEMBER THESE SIMPLE GUIDELINES FOR PUTTING YOUR TRASH OUT

1. Place carts on the edge of the street/alley with handles facing the house and with the lids opening to the street/alley.
2. Keep carts two to three feet apart and away from fences, cars, gates, gas meters, etc...
3. All trash should be contained in securely tied plastic bags. All bags should fit into the cart with the lid closed.
4. Do not place hazardous household waste in your cart.
5. Place your carts out by 7 a.m. on pick up day; carts should not be left out after 6 a.m. the following day.
6. Do not place any items outside your carts; unless it's for bulk pick up.
7. Bulk and brush should be cut in four foot lengths and neatly stacked, you are allowed 12 cubic yards per month, 1 cubic yard is approximately the size of a washing machine.
