Celebrate at the Fountain, 152 Fountain Court in Fairview

Fourth of July Bike Parade

Join Fairview Town Center for the annual Bike Parade 9 a.m. July 4 at the center's fountain.

Families are invited to decorate their bikes, wagons, scooters or strollers for Independence Day. Prizes will be awarded, and sweet treats await the first 150 children to claim them after the parade.

Bring your family to enjoy a number of free activities, including face painting, balloon twisting and visits with Uncle Sam and the Statue of Liberty.

Mark your calendar, and make plans to attend!

Parade Leaders and Anthem Singer Needed

Are your kids part of a scout troop? Do they sing? Fairview Town Center is looking for a National Anthem singer and a scout troop to lead the parade and carry the flags. Email wellis@lpc.com for more information.

CCHC Student Essay Competition

The Collin County Historical Commission is hosting an essay competition open to all k-12 students on the following topic:

What was life like as a Collin County student in the past compared to today?

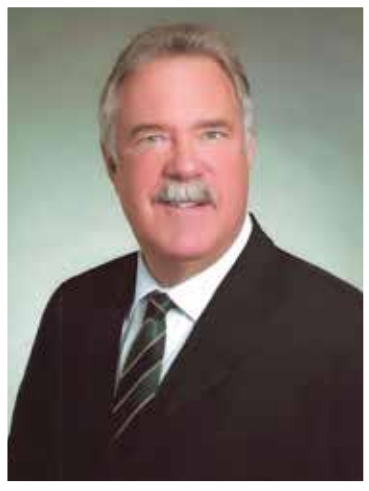

Winning submissions will be chosen from each of the following categories: elementary grades, middle school grades, and high school. Winners will be recognized and will win prizes. To support your essay, please refer to Joy Gough's book History of Early Schools in Collin County, Texas 1846-1960 or www.collincountyhistory.com as a resource.

Title your essay and use proper grammar and spelling. We encourage students to research and use evidence to support their thesis. Your essay needs to be a minimum of 500 words and include a works cited page.

Along with your submission, please list your name, age, grade, school, and a parent contact.

Email your submission to CCHSsubmissions@gmail.com by 11:59pm Monday, July 17, 2023.

MESSAGE FROM THE MAYOR

HENRY LESSNER

Hello Fairview!

Fairview Roads

Lots of things going on with our roads in Fairview.

We had our groundbreaking on our long-planned new road — Fairview Crossing. This four-lane divided road connecting the northbound US 75 access road with Greenville Avenue (SH 5) will replace Frisco Road and align directly with Country Club, helping to eliminate the regular traffic congestion in this area. It is expected to take about 10 months to complete this project.

Fairview also got good news from Collin County. The County is going to participate in the construction of Fairview Parkway. This four-lane divided road will eventually connect to Stacy and Medical Center Drive in McKinney. It will carry the traffic coming in and out of Fairview on Ridgeview and provide access to both the Fairview Town Center and the Billingsley development. We also expect that it will take some of the traffic off of Greenville.

If you drive on US 75, you can see that the Ridgeview Overpass construction is moving along. TxDOT is getting ready to place some of the beams that will connect the Allen and Fairview sides of this reworked overpass. On the Allen side, they are expanding Chelsea Boulevard and extending Ridgeview from Chelsea to US 75.

Fairview Village Road, which runs between the US 75 access road and Fairview Parkway, has been renamed to Latham Drive.

As one who has lived in Fairview since 1990 and been involved in the planning for these new roads, it very exciting for me to actually see them coming to fruition!

Allen Premium Outlets

This destination shopping location has reopened after the horrific shootings that occurred in May. You may know that the Vocal Majority men’s chorus that our Council member John Hubbard sings in and helps to lead did a fundraising concert at McKinney High School benefiting non-profits who will help victims of the shootings. Vocal Majority raised \$17,500 from that concert that is being donated to ACO, LifePath Systems, Victims First and the Communities Foundation of Texas. Vocal Majority also decided to donate their net proceeds from their upcoming 9/11 concert at the Myerson to groups that support First Responders. If you haven’t been to a Vocal Majority concert, go check them out. They are fabulous!

Peanut Butter Competition

Something for your calendars — the annual North Texas Food Bank peanut butter competition happens during the month of September. Collin County cities/towns compete to see who can donate the most peanut butter to the North Texas Food Bank. Fairview has always done well in this contest. In 2022, thanks to a HUGE effort by the block captains in Heritage Ranch, Fairview won the per capita contest. Let’s see if we can beat our record of 3,851 pounds this year!

Fairview Rotary Club

Starting on Thursday, July 13, the Fairview Rotary Club will be back meeting at Wild Salsa. Our meetings start at noon. We eat lunch and have a program. Our program that day is an update on ACO. All are welcome to come and check us out.

Have a safe and fun summer!

Try Intermittent 'Thirsting' for Your Lawn

In hot summer months, it's tempting to increase the amount of water you give your lawn, but more water isn't always the answer to a healthier lawn.

In fact, according to the Texas Cooperative Extension Service, watering for longer intervals less often forces grass and plants to grow deeper roots, which helps them thrive as it gets hotter outside. Aim for one inch of water a week.

Watering less is also better for us. As regional population grows, our water supply experiences more stress.

Fairview's water conservation plan is designed to help maintain our region's water resources. The plan, which is codified in Fairview Ordinance 13.07, spells out specific rules for lawn watering:

Between April 1 and Oct. 31, residents are only allowed to use an irrigation system before 10 a.m. or after 6 p.m. You're also limited to watering with an irrigation system twice per week, regardless of the time of year.

If you have a pond on your property with a surface area of 500 square feet or more, the ordinance prohibits you from using Fairview's treated water to fill or refill it.

Other water conservation measures in the ordinance include:

- ▶ Requiring a shut-off nozzle on your hose if you wash your car at home
- ▶ Prohibiting all outdoor watering when it's raining
- ▶ Requiring properly maintained rain and freeze sensors and/or evapotranspiration or smart controllers on all new irrigation systems

Do your part to help keep your lawn and your Town healthy. Get personalized watering recommendations from WaterMyYard.org.

HEARD HAPPENINGS

Native Texas Butterfly House and Garden Now Open

The Native Texas Butterfly House and Garden at Heard Natural Science Museum & Wildlife Sanctuary in McKinney is open and will welcome visitors through Oct. 1. Guests can walk among free-flying native butterflies and other pollinators in the Butterfly House. Guests will be able to view butterflies up close while learning about their life stages.

The butterfly house is regularly stocked with an assortment of native butterfly species, which varies throughout the exhibit. Guests may even get to see a butterfly emerge from a chrysalis.

Inside the butterfly house, nectar plants are also available to feed the adult butterflies. There are even

a few host plants for caterpillars to feed on.

The butterfly garden is filled with nectar plants and host plants that naturally attract these lovely creatures. Guests may even find a few ideas to try in home gardens, which can help pollinators on a broader scale.

From time to time, other species of wildlife that feed on insects or the nectar plants may also be found in the butterfly garden, including hummingbirds. This area is also a great setting for nature photography.

The Native Texas Butterfly House and Garden is included in museum general

admission and is free for Heard Museum members. The Native Texas Butterfly House and Garden is sponsored by NBC5. Learn more about this exhibit at HeardMuseum.org/Butterflies.

About Heard Natural Science Museum & Wildlife Sanctuary

The Heard was founded in 1967 by Bessie Heard. Miss Heard was 80 years old when she saw the need to preserve a place where future generations could experience nature. Today, the Heard's mission of bringing nature and people together to discover, enjoy, experience, restore, and preserve our priceless environment is carried out through education, particularly of young people, which emphasizes an appreciation of nature and its conservation. Summer State of Mind

Whether your summer traditions involve making hand-churned ice cream at home or enjoying gelato abroad, we want to help you make the most of the warmer season by reminding you of two things:

1. Vacation Watch

The Fairview Police Department offers a special watch program for vacationers. Fill out a form on the police department web page, and officers will provide extra patrols for your home while you're out of town.

As you fill out the form, you'll be asked to note:

- The dates and times you'll be away from home
- How you can be reached if there's an emergency while you're away
- Whether any animals will remain at the home
- Whether any lights will be left on in your home, and if so, where
- The make, model, color and license plate of vehicles that should be at your home. (Don't forget about cleaning services or pet sitters)
- If you have an alarm system, whether an emergency contact has an access code to reset it

2. Ban on Fireworks

Thousands of injuries are reported annually from sparklers and other seemingly harmless novelties purchased from fireworks stands. Many of those injuries involve children.

Fireworks pose a significant safety hazard for you, your family and pets, nearby structures and our natural surroundings. The Fairview Fire Marshal issues citations for violations of the Town's fireworks prohibition.

If you want to enjoy fireworks this summer, take in one of the professional shows organized by our neighbors in McKinney, Allen or surrounding communities.

Enjoy a safe and fun summer and have a happy Independence Day!

Extension of Fairview Parkway Coming

In May, the Collin County Commissioners Court approved funding of nearly \$8 million for an extension of Fairview Parkway from the Ridgeview overpass to Medical Center Drive. The funding was allocated from the 2018 Collin County Bond Program, with bonds sold in 2022.

The remaining cost for Fairview Parkway construction will come from federal stimulus funds and private developers. The road, which has been planned for at least a decade, will fulfill the remaining major infrastructure needs for Fairview's commercial district.

Engineering is expected to be completed this year, with construction estimated to begin in 2024.

Call or email me today, let me make your home beautiful!

Groundbreaking Held for Fairview Crossing

On May 30, Mayor Henry Lessner and Town Council members Dr. John Hubbard and Gregg Custer led a groundbreaking ceremony for the future Fairview Crossing with Collin County Commissioner Darrell Hale, members of the Fairview Economic and Community Development Board, representatives from the Allen-Fairview Chamber of Commerce, staff from the office of U.S. Rep. Keith Self, representatives from the future Sloan Corners development and executives from Medical City McKinney.

The four-lane divided road will replace the former Frisco Road in northwestern Fairview, just south of Medical City McKinney and will be realigned to meet Country Club Road where both roads intersect with State Highway 5.

Funding for Fairview Crossing came from a federal economic development grant and Medical City McKinney, with the hospital, Collin County, the city of McKinney and the Billingsley Company also donating right-of-way for the project.

The Billingsley Company has plans to develop approximately 240 acres south of the road into a retail, office and multifamily community. Sloan Corners is expected to include 100,000 square feet of retail space and 4.4 million square feet of office space in Fairview.

Fairview Crossing is scheduled to be open to traffic Spring 2024.

WHERE DO YOUR DONATIONS GO?

Clean your garage, closet, spare bedroom, and change a life!

When donated items get into the hands of a local organization like ACO, you can literally help change a struggling family's life right here in Collin County.

At the ACO Donation Center, our philosophy is to Repurpose, Resell, or Recycle.

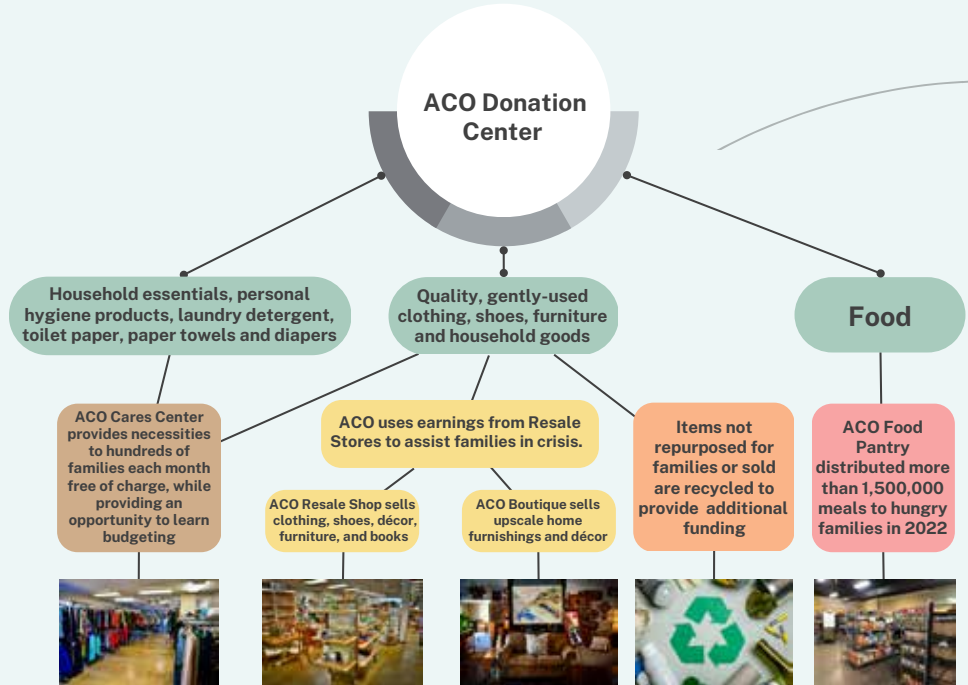

When you drop off clothes, furniture, décor, or other household items, we process those and that donation helps our neighbors in crisis by either making the items directly available to them, or by selling the items to generate funds to help them. Those items that we can't repurpose or resale are recycled, which also helps us generate even more funds. Your donations will help families in many ways.

With the communities' generosity and ACO's efficiencies, we team up to show how we care for our neighbors.

ACO accepts a wide variety of high-quality donations, such as furniture, clothing, kitchen appliances, and toys.

Have furniture you want to donate, but don't have a way to move it? We can come to you with a truck and a smile!

Send a photo of your item(s) along with a brief description, your address and phone number to donationpickup@acocares.org. Visit our website or call 469-656-4280 for more details.

Nixle Options Have Improved: Reduce the Noise While Staying Informed

How many text messages do you tolerate before you tune them out? When severe storms pass through DFW, Nixle messages become more frequent to keep you aware. But what if your patience for notifications fades faster than the squall line?

We've got an option that may help: When you send your email address via text to 888-777, Nixle will automatically shift **advisory notifications** (for things like severe thunderstorm watches) and **community notifications** (for things like special events) to your email inbox, reserving text messaging for **emergency alerts** that need your urgent attention.

You can also customize when you receive messages. You'll stay up-to-date on news you don't want to miss while keeping your phone a little quieter. To customize your delivery preferences, go to Nixle.com. Then:

- 1** Go to the "Account" tab and provide contact information for each type of message delivery you'd like. **Note:** On this tab, you can also choose to *turn off* notification during certain hours of the day or night. If choosing this option, be sure to select the "America/Chicago" option for the Central time zone.
- 2** Don't forget to click "Save" to activate your selections.
- 3** Then, go to the "Settings" tab and click the drop-down menu to the right of "Town of Fairview" to select which types of notifications you want:
Alerts Only
Alerts and Advisories
Alerts, Advisories and Community
- 4** Check the "Email" box if you provided an email address and would like to receive email notifications in lieu of text messages for everything but emergency alerts.
- 5** Click "Save" again to activate your selections.

Don't miss out on important updates that affect you. Text "Fairview" to 888-777. After you register, send your email address to 888-777 to send non-urgent messages to your email.

Nixle is a communication system the Town of Fairview uses to notify residents and people who work in Fairview about emergencies and community events. Nixle sends three types of notifications on behalf of the Town of Fairview:

- **Emergency Alerts** (Examples include severe weather warnings, boil-water notices or a missing child)
- **Advisory Notifications** (Examples include severe weather watches, road closures or police activity)
- **Community Notifications** (Examples include special event details, like the annual hazardous waste drop off and drug take-back day, or general updates from Town Hall)

Auditions Announced for The Addams Family (School Edition)!

Join us for a spooky good time this Halloween! North Texas Performing Arts - Fairview is excited to announce auditions for the upcoming production of *The Addams Family (School Edition)*! Auditions by video submission are open to students in grades 8 to 12. Videos must be submitted no later than July 19. The production will rehearse on Wednesday evenings with performances Oct. 20-22 and Oct. 26-28 at NTPA's Fairview Youth Theatre, conveniently located in Fairview Town Center.

The *Addams Family*, a comical feast that embraces the wackiness in every family, features an original story: Wednesday Addams, the ultimate princess of darkness, has grown up and fallen in love with a sweet, smart young man from a respectable family – a man her parents have never met. And if that wasn't upsetting enough, Wednesday confides in her father and begs him not to tell her mother. Now, Gomez Addams must do something he's never done before – keep a secret from his beloved wife, Morticia. Everything will change for the whole family on the fateful night they host a dinner for Wednesday's "normal" boyfriend and his parents.

Learn more and sign up to audition today at NTPA.org/Fairview.

ACTOR OF FAIRVIEW: Cash

Cash is 13 years old and is in the 8th grade. Cash started in theatre by attending North Texas Performing Arts (NTPA) summer camps when he was 8 years old. "My mom said I was quite the character and I fell in love with theater." Now he hopes to be a famous actor one day. Since starting at NTPA he has been in 19 shows. He is now in rehearsal for *Into the Woods* which will be his 20th production with NTPA. In *Into the Woods*, "I play the role of Wolf/Steward and what makes my characters fun is the dialogue and the solo song I get to sing as the Wolf".

His favorite role so far was Grover Underwood in *The Lightning Thief: The Percy Jackson Musical*. "This role was my favorite because I had fun with the comedy both off and on the stage." Outside of theater Cash likes to play video games and hang out with friends.

Cash would encourage anyone interested in acting or musical theatre to give NTPA a try. "I love my NTPA family—they encourage, support, and inspire me to be the best I can be."

Come see Cash and the rest of the cast of *Into the Woods* performing at Fairview Youth Theatre July 14-22.

Schedule your tour with Colin today!

Girl Flees Circus

As the tale begins in 1928, entertainment is scarce in tiny No Name, New Mexico, a hamlet near Hobbs, New Mexico. Thus, when a small Wright Whirlwind J5 biplane runs out of fuel and descends on No Name's southbound stretch of the Carlsbad Road, this became the most enthralling news of the decade. Listen to C.W. Smith, author of *Girl Flees Circus* at 7:30 p.m. Thursday, July 6.

C.W. Smith

When 19-year-old aviatrix Katie Burke appears out of the blue, crash-landing on the only street of sleepy No Name, New Mexico, her biplane is upended. Soon, the lives of the people that she encounters are altered: a young mechanic who lives in a teepee, an "old maid" schoolteacher who longs for Katie's friendship (and perhaps more), a brave interracial couple who own the town's diner, a World War I veteran who is gripped by PTSD, and a bigoted sheriff who has suspicions about the plane – and the pilot.

Author C.W. "Charlie" Smith is an award-winning Dallas writer.

Six Weeks on the Throne

In 1966, a 19-year-old California surfer stowed away on the passenger liner the SS Iberia and circumnavigated the world in 79 days. Rick Frey, author of *Six Weeks on The Throne*, will share his adventures at 7:30 p.m. Thursday, July 20.

Along the way, Rick quickly garnered lessons regarding shipboard survival and how to circumvent port security officials while he traveled from Hawaii to Japan, Hong Kong, Singapore, India, the Suez Canal, Egypt, Spain, Portugal, and the ship's destination, England. Posing as a passenger during the day and sleeping undetected at night, he quickly realized there was only one perilous means to get ashore undetected.

Once he reached Britain, Rick encountered a more serious obstacle – a way back to the States without having a passport or even a driver's license. Once again, he stowed away, this time on SS Canberra, to cross the Atlantic and finally reach home.

Six Weeks on the Throne's 12 action-packed chapters and epilogue provide a narrative of a truly remarkable coming-of-age story.

Asked how that voyage transformed his life, Rick observes, "The adventure taught me that life is impartial; it's your attitude that influences your destiny."

This autobiographical seafaring tale is sure to inspire our audience members to reflect on their own adventures – both taken and not taken.

A Musical Journey Through Texas Blues

Take an entertaining journey from the 1940s through the modern blues styles of Texas with the Wanda King Big Blues Band at 7:30 p.m., Friday, July 21. Listen to the tunes of T-Bone Walker, Albert Collins, Clarence "Gatemouth" Brown, Freddie King, Johnny Winter and more.

Considered one of the cradles of blues music, Texas has been home to numerous pioneers and influential innovators of this genre. In 1947, T-Bone Walker released *Call It Stormy Monday (But Tuesday Is Just as Bad)*, which ushered in a new era for this genre. In 1961, Freddie King's "Hide Away" rocked America, and British Blues artists like Eric Clapton emulated Freddie's style.

Wanda King has produced three CDs: *From A Blues Point Of View*, *Songs In The Key Of Blues* and *Bridges*.

Strong Wind Presents Karankawan Music

Listen to the Karankawan music of Strong Wind (Alex Perez) at 7:30 p.m. Thursday, July.

Using a variety of primitive instruments, Strong Wind will perform the enthralling music of the Karankawa tribe. Alex is a linguist and cultural advisor to the Karankawan tribe, which he observes, "carries a lot of responsibility and a necessary medicine in an ailing society." When asked what it means to be a Karankawan, Alex notes, "I attempt to serve as a good example of what it means to be a human being and bring my relatives back from the separation of our native ancestry, after having been removed from it for so long, which created generational traumas. Our grandparents were taught to be ashamed of their identity as indigenous people. But I am in service to correct that misteaching."

PODCAST

You could if you listened to ***Getting Neighborly***, a podcast launched by the Fairview Economic Development Corporation. Each show focuses on sharing what makes our town a community; the people.

Our guests are varied, including nonprofit founders, CEOs, small business owners, and others doing exciting things to make a difference in our world. But, the one thing they all have in common is their love of Fairview. Join us in Getting Neighborly in Fairview, Texas. www.GettingNeighborly.com

As a nonprofit hunger relief organization, we distribute donated, purchased and prepared foods through a network of more than 400 Food Assistance Partners in 13 counties. Every day, we support the nutritional needs of children, families and seniors through education, advocacy and strategic partnerships.

Protect your savings with FDIC coverage up to \$2.5 million

Our Insured Bank Deposit program offers the assurance of Federal Deposit Insurance Corporation (FDIC) protection.

By using our Insured Bank Deposit program, you gain the convenience of having your FDIC-insured deposit and your investments on one statement. This can mean less paperwork and help ensure everything is working together to support your overall financial strategy.

Getting started is easy. Contact me today to learn more.

Deposits are FDIC-insured up to \$2.5 million (\$5 million for joint accounts of two or more people). Amounts that exceed the program's FDIC coverage limits will be removed from the program and invested in the Edward Jones Money Market Fund, unless you opt instead to deposit such amounts in an Excess Bank as outlined in the program disclosure. More information about the Insured Bank Deposit Program, including the program disclosure, is available from your financial advisor or at edwardjones.com/bankdeposit. For more information about FDIC insurance, go to fdic.gov.
