

McKinney Airport Advisory
Committee
Airport Master Plan Update
February 7, 2017

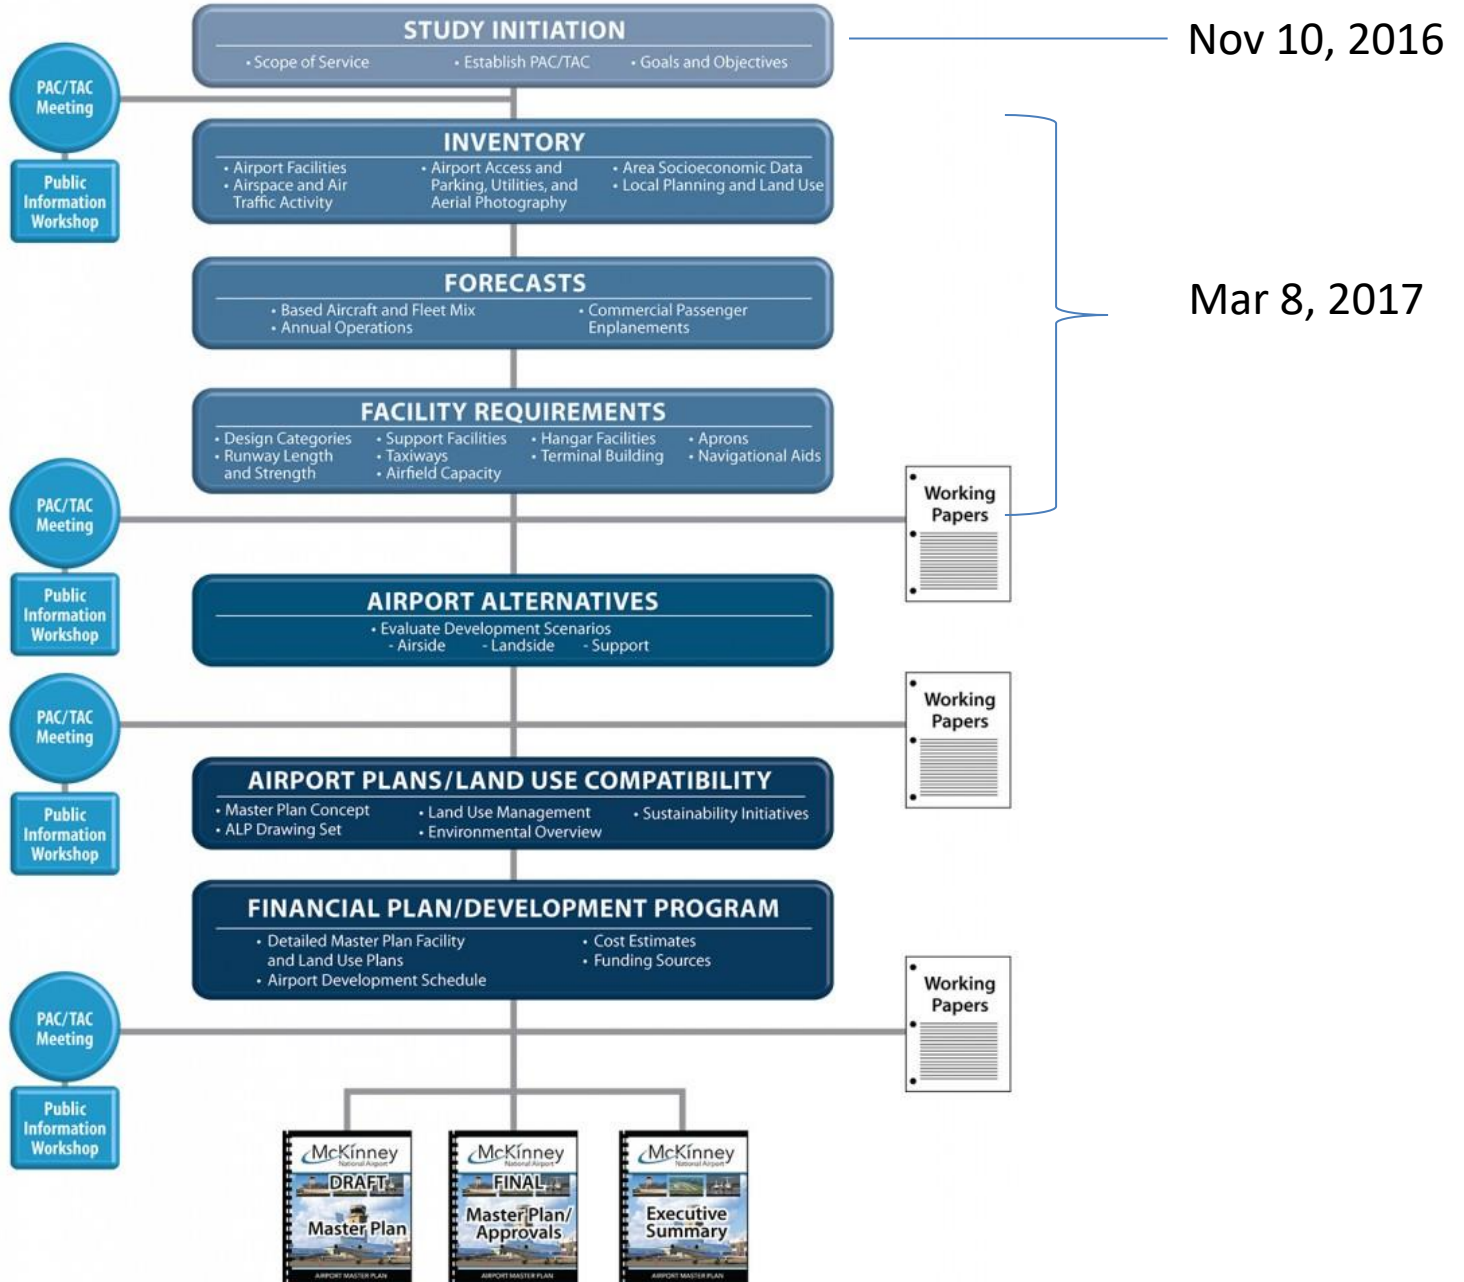

McKinney National Airport (TKI)

- McKinney National Airport is a general aviation airport and serves as a **reliever** airport for Dallas Love Field and Dallas/Fort Worth International Airport
- Supports all civilian flying, except scheduled commercial passenger airlines
- Runway 18 / 36 - 7,002 x 150'
- Elevation AMSL 585 ft / 178 m
- Coordinates 33°10'41"N
96°35'26"W

MASTER PLAN WORK FLOW

Airport Master Plan

- A visioning document to guide airport management/decision makers regarding future development
- Addresses local and national changes in the aviation industry that could impact priorities at McKinney National Airport
- Identifies and plans for potential capital projects in advance so that coordination, approvals, financing, design and construction can take place in a timely manner
- Develops a prioritized list of capital projects that addresses FAA and TxDOT and City of McKinney priorities (i.e. safety, design standards, land use compatibility, compliance, etc.)

Master Plan Update Requirement

- Obtain FAA and TxDOT approval of new Aviation Demand Forecasts and updated Airport Layout Plan (ALP)
- Have a current and approved ALP on file with FAA and TxDOT so that future grant funding can continue uninterrupted
- Increase stakeholder/public awareness of the airport's goals and objectives
- Maintain communications and capital project discussions with FAA, TxDOT and airport stakeholders

Planning Advisory Committee (PAC)

- Purpose: provide the City of McKinney and the planning consultant with Master Plan inputs
- PAC members represent organizations with interest in the use and development of the airport
 - Government, aviation and non-aviation interests and area economic development interests
- Review the Master Plan, comment on the accuracy of assumptions and relevance of information
- PAC is a non-voting advisory body

PAC Meetings

- Four meetings planned:
 - November 10, 2016:
 - Roles, missions, airport definitions
 - March 8, 2017, 9:30 a.m.: McKinney City Council Chambers
 - Master Plan related to **inventory, aviation demand forecasts, and facility requirements**
 - **Public Information Workshops:** March 8/9, 5:30 – 7:00 p.m. McKinney National Airport located at 1476 E. Industrial Boulevard, McKinney, TX 75069

Plan Forward

- Attend meetings, represent Fairview Town Council and residents
- Notify residents of meetings and content through Town website
- Summarize material and provide feedback to Town Council
- Provide meeting material to Town via website
