

Remember the days of those backyard or driveway 3 on 3 pickup basketball games? How about getting together with friends at the local school or recreation center and playing a little half court hoops? Relive those days and introduce new people, including youth, to the game that you grew up playing and enjoying.

The Town of Fairview located along U.S. 75 and Stacy Road is bringing back the 3 on 3 game. Join us September 12 and 13, 2015 in The Village at Fairview for a fun filled weekend of hoops. Teams consist of 4 players and are grouped by age and skill level so you are playing against competition that matches you. This tournament has a bracket for everyone, from those who can still run with the big dogs to those who were the last chosen at recess. There is even a slam duck contest for those who can still soar with the eagles. A \$500.00 prize to the winner!

Bring the family, better yet, get 'em in the tournament, anyone can play, male or female, young or old, short or tall, most experienced or no experience at all, come to Fairview September 12 and 13 and enjoy celebrating the classic half-court game.
