Mayor's Note

I'd like to wish the youngest members of our community a great start to the new school year!

2015-2016 Fiscal Year Budget

Town Council and staff have been very busy working through the details of the Fiscal Year 2015-2016 budget. Two public hearings were scheduled for August 18 and August 25 to discuss the proposed budget and proposed property tax rate. The Proposed Budget can be found on our town website under Top News. We will post the Adopted Budget on our website under Top News and on the Administration Department page.

Budget Highlights:

- No planned property tax increases for the upcoming year
- Proposed property tax rate is \$0.359999 per \$100 valuation (same as last year's rate)
- Strong General Fund Reserve equal to 51% of the Town's General Fund expenses
- AA+ Debt Rating

- We continue to receive water and wastewater rate increases from the North Texas Municipal Water District, and thus for budgeting purposes, we've programmed a 15% increase in revenue. We will continue to work with a rate consultant to determine what the actual increase will be for the 2015-16 fiscal year.
- Budget includes improvements to the Town's website

Noah's

From time to time, I get an occasional question regarding the town-owned event center that is leased to Noah's of Fairview. Noah's continues to do quite well, as both 2015 sales and tours are forecasted at 50% improvement over 2014. Just as important, Noah's is current on all obligations to the Town.

I look forward to seeing you around town.

At the August Town Council meeting, the Town Council addressed the following items:

- Approved minutes of the June 3, 2015 special council meeting.
- Approved minutes of the July 7, 2015 council meeting.
- Approved a resolution ratifying an appointment to the position of town secretary.
- Approved Amendment #11 of an Interlocal Agreement with Collin County regarding jail services.
- Approved an Amending Plat for Lot 9E, Block A, Village at Fairview Addition.
- Approved a request by Chamberlain Place, LP for approval of a Final Plat of Chamberlain Place Phase 1 and a Replat of Lot 2 and Lot 3, Jackson Estates and Lot 1, Block A, Ward Addition, in order to provide for a new residential neighborhood comprised of 45 single-family residential lots and 4 common area lots. The subject properties are generally located west of Stoddard Road and north of Sloan Creek. (FP2015-03).
- Approved a request by Chamberlain Place, LP to amend the Zoning Ordinance, specifically, Article 14.02, Division 11 (Conditional Use Permit District), Sec. 14.02.514 (Use Regulations), in order to add the One-Acre Ranch Estate (RE-1) zoning district as a permitted district for the conditional use of temporary concrete batching plants. (ZA2015-10).
- Approved a request by Chamberlain Place, LP for approval of a Conditional Use Permit in order to allow for the use of a temporary concrete batching plant to facilitate the installation of public infrastructure for Chamberlain Place Phase 1, a proposed residential subdivision that is zoned One-Acre Ranch Estate (RE-1) and is generally located west of Stoddard Road and north of Sloan Creek. (ZA2015-11).
- Approved a request by Grenadier Homes for Major Warrants pertaining to block configuration standards, building type standards and architectural standards for a 14.22± acre tract of land that is zoned Commercial Planned Development District (CPDD) – Urban Transition Sub-district, and is generally located at the southeast corner of State Highway 5 and Bluebird Lane. (MW2015-01).
- Approved a resolution authorizing the Town of Fairview to enter into a Facilities Agreement with LandSmith Company, Inc., governing Town and Developer participation in the installation of public trail and sanitary sewer force main improvements for Chamberlain Place Phase 1.
- Approved a request by M. Christopher Custom Homes for approval of a Preliminary Plat for the Harper's Landing Addition, a proposed residential neighborhood comprised of 13 single-family residential lots on a 28.934± acre tract of land situated in the Robert Fitzhugh Survey – Abstract No. 317 and that is generally located east of Farmstead Road and 1,600 north of Stacy Road. The subject property is zoned Two-Acre Ranch Estate (RE-2). (PP2015-03).
- Appointed and reappointed board members to the Public Art Committee, Technology Advisory Committee, Board of Adjustments, Economic and Community Development Corporations, Parks and Recreation Board, and Special Events Committee.
- Acted on a proposed tax rate for FY 2015-2016 and placement of a proposal to adopt the proposed tax rate on the agenda of a future meeting.
- Approved a resolution scheduling public hearings on the Town of Fairview proposed tax rate for August 18, 2015 and August 25, 2015.

Eighth Annual SCRAMBLE FOR SOLDIERS October 10-12, 2015

Every year, The Heritage Ranch Scramble for Soldiers grows larger and larger due to the generosity of our homeowners, family members, dedicated sponsors, friends, and participants.

Proceeds from this event benefit the Warrior & Family Support Center (WFSC) at Brooke Army Medical Center in San Antonio, Texas. WFSC is a non-profit, tax exempt organization that provides coordinated services to patients, next-of-kin and extended family members. Wounded warriors and their family members visit the WFSC to sustain contact with spouses and children, extended family members and fellow military service members. They receive emotional support, answers to their questions, and extended rehabilitation away from the hospital. The rehabilitation involves learning to cope with war related physical and mental disabilities as individuals, couples and families. They have served us selflessly, and our mission is to support them generously with our contributions to WFSC. This year's event includes:

Due to the tremendous outpouring of support shown last year, we will again have our **Flags of Honor Garden**. On October 10th from 10:00 am to noon, our ceremony which recognizes and honors present service members and past veterans with the planting of a flag or flags in their honor will be held. A flag or multiple flags can be reserved with a check, in any amount, made payable to WFSC. Names of all the honorees will be read out loud by dignitaries, an Honor Guard will present The Colors and Taps will be played. This is an event that honors our past and present warriors and you do not want to miss it!

All new this year!!! The Scramble for Soldiers will include a live auction with amazing auction items. The auction will be held during the dinner and awards ceremony. You don't have to be present to bid and win auction items. To preview and absentee bid on the items visit our online auction site at <http://benefit-bidding.com/scramble>. If you place an absentee bid, a proxy bidder will place bids for you during the live auction. If you win an item you will be notified on Tuesday, October 13, 2015. Online bidding officially opens October 1st, and anyone can preview these extraordinary items beforehand by going to the web-

site. When bidding on items, you have two options for placing bids.

Regular Bid - A bid for the full amount of your "Total Bid" will be placed on the item when you place the bid.

Auto Bid - The online auction site will automatically place bids for you at the next appropriate increment amount until someone else has outbid your maximum. If you win, you will be required to pay the current total bid. *Please note that competing Auto Bids are not restricted to the "Increment Amounts" as they are placed automatically up to a specific limit*

The Scramble for Soldiers Golf Tournament and Post Tournament Celebration Dinner. Organize your team for this fun scramble format and choose either an 8 a.m. or 1 p.m. start time. \$40 of each participant's green fee will be contributed directly to WFSC. Check for details and register in the Heritage Ranch Pro Shop. Both morning and afternoon scrambles will fill up quickly, so do not procrastinate.

WFSC serves military participants and family members homemade baked goods and snacks all day, every day, and always needs simple, tasty homemade treats. Once again, this year we are calling on Heritage Ranch Homeowners and Friends of The Scramble to donate these treats because "*nothing says lovin' like somethin' from the oven*"!

And finally, if you do not play golf or bake, but feel led to support our wounded warriors, individual contributions to WFSC, for flags or otherwise, are encouraged and appreciated. This year committee members will be in the Heritage Ranch Clubhouse Foyer to accept individual contribution checks or cash on Wednesday evenings from 5 p.m. to 7 p.m. on September 23rd, September 30th, and October 7th.

To date, The Heritage Ranch Scramble for Soldiers event has accounted for over \$160,000 in contributions to WFSC, and we are looking forward to adding to that total this year. Let's go above and beyond by demonstrating our patriotism to these members of the military who have served us so selflessly. **It is their mission to serve...it is our privilege to support them.**

Volunteers Needed For Basketball Tournament

The Gus Macker 3-on-3 basketball tournament scheduled for Saturday, September 12 and Sunday, September 13 will be here before you know it. The event will be held in the Village at Fairview, located at US 75 and Stacy Road. Players, families and friends can enjoy the more than a million square feet of shopping, dining and entertainment available in the area when not playing.

We still need volunteers to make this event a community wide success. Here's your chance to bring your friends, neighbors and organizations together to join in the fun! Volunteers will be needed to check-in players, keep score, distribute

water, pick up trash, attend to the hospitality area and more. Volunteers must be 16 years or older.

Training will be provided to volunteers by Town and Gus Macker staff at the beginning of September. No experience or prior basketball knowledge is needed.

To volunteer during the tournament, visit www.fairviewtexas.org and select the "Gus Macker" tab. For general questions or comments, please email rdundlap@fairviewtexas.org or call 972-886-4222. Remember to like "Fairview Gus Macker" on Facebook and follow on Twitter @FairviewMacker.

Stacy Road Update

Oncor is still in the process of installing the new power line to the north of the existing one along Stacy Road. TxDOT acquired additional right-of-way, and the existing power lines have to move.

Once this overhead power line is complete, Grande Communications, AT&T, CoServ and Time Warner will have to relocate their infrastructure. TxDOT is trying to get the section from SH5 to Angel Parkway started first, but they are having to wait until the utilities are moved. September should be the start of the road widening portion. Ed Bell Construction Company was awarded the project.

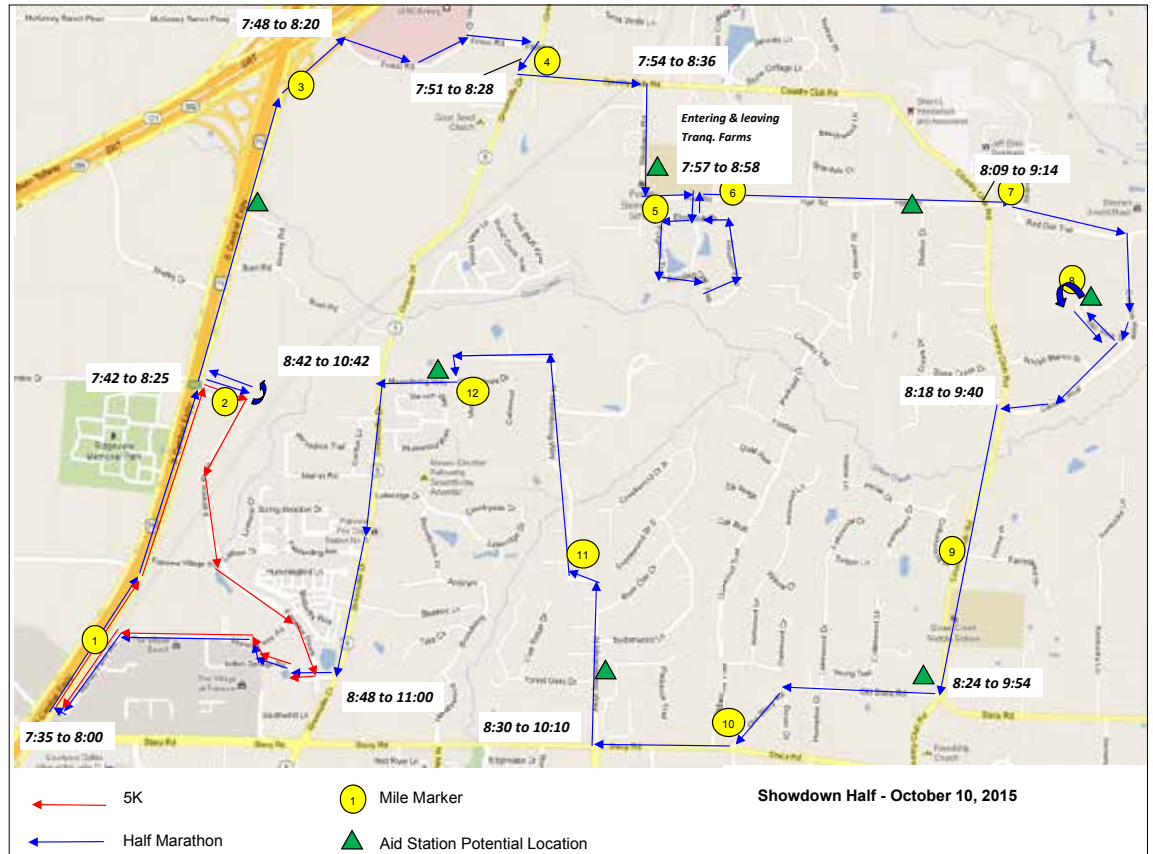

This project will widen Stacy Road from a two lane asphalt road to a four lane concrete road with wide sidewalks along both sides. There are some existing trees that will be removed within the new right-of-way or impacted by trimming.

Showdown Half Marathon

The fourth annual Showdown Half Marathon and 5K will be held Saturday October 10, beginning and ending at Fairview Town Hall. The festivities begin at 7 a.m. with a kids' dash. The half marathon will start at 7:30 a.m., and the 5K will start at 7:45 a.m.

The race will wind through Fairview and back to Town Hall. While there will be no major street closures, there will be some traffic delays, so please plan for a little extra time if you are going out on that Saturday. The course will be clearing by about noon.

Please review the provided course map in order to help better plan for the day.

Municipal Court

The Town of Fairview Municipal Court has jurisdiction over all fine-only offenses that have been committed in the Town of Fairview jurisdiction. These offenses include Class C misdemeanors, traffic offenses and town ordinance violations. The court collects fines, conducts trials by jury or judge and issues warrants of arrest.

We have three court dates a month. The second Monday of the month is for juveniles. The third Monday of the month is for initial appearance to enter a plea and show-cause hearings. The fourth Monday of the month is for pre-trials and trials.

The court has two employees: Kay Shields, Deputy Court Clerk, and Teresa Jordan, Court Administrator. Both employees possess a Level II certification from the State of Texas. They are required to do 12 hours of continuing education each year to maintain this certification and to keep up with new laws or changes. They download approximately 360 or more new citations a month and create files for these new cases. They keep track of driving safety course completions, deferred disposition files, payment plans and warrants. They also answer phone calls, take payments at the window and maintain the dockets.

Individuals receiving citations must respond by a specific date and time that is printed on the citation. They will need to enter a plea unless the citation is dismissible. A person has three plea options when charged with an act.

These include:

1. No Contest (nolo contendere) - you do not contest or dispute the charges filed against you
2. Guilty - you admit to the act for which you are charged
3. Not guilty - you deny or have a good defense related to the charge

If an individual enters a plea of not guilty, they will be set for a trial either by judge or jury. This is their right under the United States Constitution. There are six jurors chosen from a group of at least 12. The Town has to start with 12 jurors before the court can proceed. The Town of Fairview sends out 60 summons for a jury trial.

Individuals may choose to do a defensive driving or a deferred adjudication in order to keep a citation from going on their driving record. They would need to contact the court for these options as there are certain stipulations in order to be approved for these options.

Business of the Month – Mobility Wellness

At Mobility Wellness, Dr. Brett Stephens and his staff take pride in the management and treatment of the most serious spinal conditions. Helping people to regain quality of life through safe, effective chiropractic treatment and rehabilitation is a major focus of the practice. Some conditions treated successfully with chiropractic by Dr. Stephens include:

- Disc herniation, bulges or injuries
- Spinal degenerative disease
- Sports and spine injuries
- Pregnancy related pain
- Tingling and numbness
- Shooting pain

- Headaches
- Neck pain
- Back pain
- Shoulder pain
- Hip pain
- Knee pain
- Sacroiliac joint dysfunction
- Scoliosis
- Sciatica
- Spondylolisthesis

Through his expertise and experiences in treating the most serious conditions, Dr. Stephens has a profound passion for preventative and wellness care. It is easier to prevent serious issues before they begin than to correct them. He tailors detailed wellness programs that include specific chiropractic adjustments, nutritional coaching, and supplement recommendations depending on each patient's specific needs.

Sports chiropractic and injury prevention are two major reasons Dr. Stephens was drawn to the chiropractic profession. The athlete of today trains harder and longer than at any other time in history. Athletes are bigger, stronger, and faster which is resulting in an increase in devastating injuries and also leading to degenerative changes in the musculoskeletal system. These conditions could lead to a lifetime of pain. Dr. Stephens has developed a Functional Biomechanical Exam that will identify imbalances and restrictions that could be leading to a potential serious injury. Dr. Stephens has experience ranging from treating the five-year-old tee ball athlete to the Olympic hopeful, as well as the professional athlete who needs to be prepared to function at their highest level on a daily basis.

Located at 431 E. Stacy Road, #107.

Drainage Project

One of our citizens notified the town about a widening erosion issue near a creek where some large pipes carry water underneath Hawkswood Drive (see photo above). This erosion, if unchecked, would continue moving to the west and more soil would end up in our creeks.

The Public Works Department was going to not only fill in this eroded channel, but it was also going to have to rebuild this steep creek bank that had washed away. Engineering and public works concluded that these blocks would make the perfect creek bank, and we would get to recycle some of our throw away material. With that being said, public works got busy and before long, they had carefully placed these concrete blocks and turned throw away materials into the picture above.

The town also had another problem: a large pile of concrete blocks of old road pavement that was an unsightly mess near our FM1378 water pumping station (see photo above).

Now that the blocks were set and filter fabric was laid behind it, soil and sodding was installed to re-establish the greenbelt that was there before the erosion (see photo above).

Thanks to the Public Works Department for a job well done and a concerned citizen who let us know about the growing problem.

National Pharmaceutical Take Back Initiative

On September 26th, from 10 a.m. to 2 p.m., the Drug Enforcement Administration (DEA) will coordinate a collaborative effort with state and local law enforcement agencies focused on removing potentially dangerous controlled substances from our nation's medicine cabinets. A national take-back day will provide a unified opportunity for the public to surrender expired, unwanted or unused pharmaceutical controlled substances and other medications to law enforcement officers for destruction. This one-day effort will bring national focus to the issue of pharmaceutical controlled substance abuse. The program provides an opportunity for law enforcement to collaborate with the DEA and establish a safe collection site.

This program is anonymous and all efforts will be made to protect the anonymity of individuals disposing of medications. Controlled, non-controlled, and over-the-counter medications may be collected from individuals. The general public is often unaware of the distinction in medication status. Participants may dispose of medication in its original container or by removing the medication from its container and disposing of it directly into the disposal box. Liquid products, such as cough syrup, should remain sealed in the original container. The depositor should ensure the cap is tightly sealed to prevent leakage. Intravenous solutions, injectables and syringes will NOT be accepted due to potential hazard posed by blood-borne pathogens.

Place: Fairview Fire Station #1
500 S State Hwy 5
Date: September 26, 2015
Time: 10am-2pm

Reminder - 2015 National Night Out

This year's National Night Out is Tuesday, October 6 from 7 p.m. to 9 p.m. During the event, residents in neighborhoods throughout Fairview and across the nation are asked to turn on their porch lights, lock their doors and spend the evening outside with their neighbors and police officers. Events such as cookouts, block parties and neighborhood walks will all occur simultaneously throughout the town and nationwide. Talk to your crime watch Captain, Homeowners Association or Town Council Member to find out about events in your neighborhood.

For more information about National Night Out, please contact Officer Troy Neasbitt at tneasbitt@fairviewtexas.org or 972 886-4211 extension 5029.

Friends of Fairview – Fall Community Pancake Breakfast

The Friends of Fairview Firefighters Association invites everyone to attend the Fall Community Pancake Breakfast on Saturday, October 3rd. The breakfast will be held at Fire Station #2 at 1200 Stacy Road from 8 a.m. to 11 a.m. Come eat breakfast with friends and family and firefighters who serve our community. Enjoy fabulous firehouse pancakes with our famous patty sausages, along with coffee and orange juice. TAPS will provide free shuttle service to and from the Heritage Ranch Golf and Country Clubhouse parking lot.

Tours of the station will highlight the fire and rescue apparatus that help keep our citizens and town safe. See firefighter demonstrations for the entire family and enjoy fun participation events for the children, who will also receive firefighter hats to take home. It is Fire Awareness Month, so there will be many educational activities, as well as face-painting, balloons and a clown.

Dinosaurs Live! Returns to the Heard September 19

You have seen dinosaurs in the theaters, now come see them in a natural environment. From September 19, 2015 to February 21, 2016, visitors to Heard Natural Science Museum & Wildlife Sanctuary will be able to let their imagination run wild as they walk back in time along a half-mile nature trail with nine life-size animatronic dinosaurs during the ninth annual *Dinosaurs Live! Life-Size Animatronic Dinosaurs* exhibit. These animatronic dinosaurs move and roar, providing an experience sure to captivate visitors who will be able to also learn interesting facts about both herbivorous and carnivorous dinosaurs.

The exhibit features the infamous Tyrannosaurus Rex, a frequent favorite among past guests. Other dinosaur replicas on exhibit include a spitting Dilophosaurus, a Carnotaurus, a Torosaurus, an Acrocanthosaurus, an Edmontonia, a Stegosaurus, a Styracosaurus, and a Pachycephalosaurus.

Children will also have the opportunity to play on static Apatosaurus and Parasaurolophus baby dinosaurs and on a photo-op T-Rex. The *Dinosaurs Live!* exhibit trail is jogging stroller friendly (umbrella strollers not recommended), giving families and friends a unique, exciting and educational activity to experience together. This annual exhibit is included in general admission and provides a great setting for a family outing on weekends and during the holidays. More information about this exhibit is available at www.heardmuseum.org/dinosaurslive.

Preschool Nature Explorers

Do you remember how fascinating it was to explore your yard as a child? Or, maybe you have witnessed the joy that your children have experienced as a ladybug landed on their arms.

Now is the time to encourage your preschooler's love of nature! Beginning September 8th, preschool children will have the opportunity to come together and explore all that the Heard Natural Science Museum and Wildlife Sanctuary has to offer. In each class, your child will be engaged in hands-on learning experiences that promote an early connection to nature.

From forests to prairies to wetlands, preschoolers will explore the world around us. Using songs, finger plays and stories, they will discover how animals and plants make up a habitat and how they adapt to that habitat. Participating children will learn how animals that are awake at night cope with living in the dark. They will also get to dig into dinosaurs and fossils and watch the season as it changes into fall and heads toward winter. In Preschool Nature Explorers, we will also talk about our responsibility to nature, and what we can do to help the plants and animals around us. We'll explore the many different habitats on the sanctuary, and get up close to living animal visitors. Your preschooler will also have the opportunity to meet other children who are interested in science.

Using observation, "hands on" activities in the classroom and seeing live animals up-close, the children will learn to connect their experience on the forest trails, prairie and ponds using all

of their senses and scientific methods.

Sign up now! Classes will meet from 9:30 a.m. to 11:30 a.m. on Tuesdays from September 16 to December 15. For more information and registration, please visit www.heardmuseum.org/preschool.

Native Texas Butterfly House and Garden Closes September 30th

Walk among free-flying native butterflies and other pollinators in our Native Texas Butterfly House & Garden. The butterfly house includes native species, which vary by season and what is available from suppliers. The butterfly garden is filled with host plants that naturally attract pollinators.

On September 7th, guests are invited to enjoy our butterfly talk "Amazing Monarchs." Participants will discover more about our state butterfly, their migration pattern, life cycle and how we can help to protect their habitat. This program is designed primarily for adults; however, interested youth may attend with an adult. This program may not be suitable for children younger than 10 years. The talk will be led by Melanie Schuchart, one of the Heard's key butterfly volunteers. Each presentation will last about an hour followed by a walk through the butterfly house and garden.

Both the butterfly house and garden and butterfly talk is included in general admission. More information is available at www.heardmuseum.org/butterflies.

Fairview Rotary Club

Would you like to be part of a new Rotary Club in Fairview?

Rotary is a world-wide service organization of over 1.2 million men and women in over 34,800 clubs in over 100 countries. Rotary's motto is "Service Above Self". In our immediate area, there are two clubs in Allen and three clubs in McKinney. These clubs are heavily engaged with Collin County non-profits, cleaning roadways, reading in schools, sponsoring parades, and enjoying great fellowship with each other in our weekly meetings. Internationally, Rotary is known for helping to nearly eliminate polio, clean water projects, and programs to promote peace and understanding in the world. **I am going to host a meeting at my house for those who might be interested in learning more about Rotary.**

Date: October 20, 2015
Time: 7:00pm
Location: 5146 Pond View Lane (in Sloan Creek Estates)
Phone: 214-893-5360
RSVP to: Henry@WealthManagementGroupLLC.com

I look forward to meeting you and sharing more about Rotary International. -Henry Lessner

Fire Safety Week

Fire Safety Week for the Town of Fairview is quickly approaching. The dates will be from October 4 to October 10. During this week, Fairview Fire Department will be traveling to various schools and businesses to talk about fire safety.

This year, the focus will be on smoke and carbon monoxide detectors. The theme for this year is "Hear the beep where you sleep".

Topics to be discussed include: maintenance, quarterly testing, detector placement, expired detectors, and steps to take when a smoke detector activates. The U.S. Fire Administration recommends that smoke detectors be replaced at the 10 year mark. This is to ensure that detectors are up to date and functioning properly. Batteries that have an extended life span are recommended for smoke detectors. Recommendation for changing smoke detector batteries is usually when the time change occurs. Carbon monoxide detectors are usually designed for a seven year life span. Batteries for carbon monoxide detectors are recommended to be changed more often due to the higher drain from the detector.

For more information on Fire Safety Week, please contact Fairview Fire/Rescue.

TOWN HOLIDAY

Town Hall will be closed Monday, September 7th in observance of Labor Day.

Town Hall will reopen at 8 a.m. on Tuesday, September 8th.

Please see page 14 for the 2015 Bulk, Trash and Recycle Holiday Schedule.

Back To School!
 Good grades pay! Students can earn a FREE Works (\$23) for all A's. Bring a copy of the report card for the cashier. Wash must be redeemed by the student.
