Mayor's Note

Dear Resident,

As I write this month's note, it has been less than 24-hours removed since we grasped the senseless, cowardly and heinous act that transpired against the Dallas and DART Police teams. Like you, my heart is heavy as I think about the families that will be forever without a loved one and the Police Department in general, as they both heal and move forward. There is no doubt, that with the support and prayers of the community and continued great leadership, they will be stronger than ever, both individually and as a team.

This brings me our own the Fairview Police Department, while it might be perceived that they have less to contend with than our larger municipal neighbors, I can assure that the **risks** they face are just as present and real! On the morning following the event, I spoke with Fairview Police Chief Granver Tolliver and as you might imagine, it was a tough morning and day for the members of our team, as they too grappled with the loss of their brothers in arms. We are blessed with tremendous leadership from Chief Tolliver; he along with our Town staff and elected officials will continue to provide our team with all of the tools needed to be successful in their jobs.

I have a very simple ask of you... in a world that seems to have less and less respect of authority, let's stand in **total** and **absolute** support of the men and women have elected to make the service of others, their life's work. **Let's BACK THE BLUE!** When you are out and about, if see our Officers, share your support! I have seen the commendations they have earned, and these are men and women that care deeply about our Town. While it might not be the first thing that comes to mind, even if you are stopped for a citation, still show your support.

Thank you for helping to facilitate this request and let's continue to keep the Dallas Police Department in our prayers!

I'll see you around Town,
Darion

JEFF BELL SWORN IN AS NEW FFR CHIEF

At the July 5, 2016, Town Council meeting, Jeff Bell, who has been serving Fairview Fire Rescue as Interim Fire Chief since October 2015, was sworn in as Fairview's new Fire Chief by Town Secretary, Liz Cappon. Chief Bell was joined at the meeting by his family as well as many first responders from across Fairview.

Chief Bell is the first ever full-time Fire Chief in the history of Fairview. Bell began with Fairview Fire as a contract Fire Inspector in July 2006, transitioning to part-time Assistant Fire Chief in April 2009 and then to full-time Assistant Chief in January 2012. Bell began his career in the fire service by attending Collin County Community College's Fire Academy in 1999. He worked for Plano Fire Rescue in the Fire Marshal's office as a Plan Reviewer and Inspector until he joined Plano Fire Rescue as a Fire Rescue Specialist in September 2000, serving the City of Plano for a total of 13 years.

Chief Bell is a graduate of Oklahoma State University with a Bachelor's Degree in Fire Protection and Safety Engineering Technology. He also holds a Master Fire Fighter certification, Advanced Inspector and Fire Investigator's certification through the Texas Commission on Fire Protection.

In just his time as Interim Fire Chief for FFR, Bell has overseen the engineering study performed on Fire Station #1, the purchase of a

new 105' ladder truck and the transition of Fire Station #1 into a modular building.

In his personal life, Bell has been married for 20 years to his wife, Kristie, whom he met while attending Plano Senior High School. Their 15-year old daughter, Taylor, attends Wylie High School. At the swearing in, Chief Bell thanked his family for their support over the years as he has worked to achieve his goals in fire service.

STACY ROAD UPDATE

The grading and preparation for the two new lanes on the north side of Stacy Road is underway. Existing driveways and intersections will remain open as long as possible. TxDOT will notify any affected property owners when driveway access will be interrupted. Typically, driveways are not taken out until the last possible minute in order to lay the concrete directly in front of those drives.

Street intersections with Stacy Road are constructed a quarter at a time in order to keep the intersection open at all times. New right-of-way was acquired along the north side of Stacy Road to allow for the widening and addition of a 6 to 10 foot sidewalk behind the curb, depending upon location. Some trees and fences will have to be removed within the newly acquired right-of-way.

This TxDOT project will construct four lanes from State Highway 5 to FM-1378, along with wide sidewalks for pedestrians. Please continue to observe the recommended 40 mph speed limit through the construction zones and take alternate routes whenever possible to relieve congestion and improve safety during this construction.

Newly Re-Elected Councilmember Renee Powell Sworn In

At the July 5, 2016, Town Council meeting, Councilmember Renee Powell was ceremonially sworn in to serve her second term as a Councilmember, Seat 6 by Town Secretary, Liz Cappon. Newly elected Councilmember Pam Little and re-elected Councilmember John Adler took their oaths of office at the June Council meeting.

Councilmember Powell was first elected to the Council in May 2014. Councilmember Powell previously served on the Town's Planning and Zoning Commission for ten years from 2004 to 2014 and has been actively involved with the community for many years. Councilmember Powell resides in Fairview Farms.
