Offering a comprehensive homeless program that helps willing people gain dignity and independence.

The Samaritan Inn is more than just a place to spend the night. It is a holistic program that teaches self-sufficiency and

life skills. To assist the needs of individuals and families before, during, and after a homeless situation, The Samaritan Inn provides interactive, in-house programs for its residents and graduates. Those with special needs are referred to additional programs and resources available within the community to help during their crisis.

# Summer Water Use

As we enter summer 2016 without any drought restrictions, the Town would like to take a moment to remind residents of the Town's adopted landscape water management measures, as required by the North Texas Municipal Water District (NTMWD).

These measures have previously been adopted regarding landscape irrigation:

- Lawn and landscape irrigation is limited to twice per week.
- Lawn irrigation watering is restricted from 10 a.m. to 6 p.m. from April 1 to October 31 of each year.
- Prohibition of watering of impervious surfaces.
- Prohibition of outdoor watering during precipitation or freeze events.
- Prohibition of the use of treated water to fill or refill residential, amenity and any other natural or manmade ponds. A pond is considered a still body of water with a surface area of 500 square feet or more.
- Rain and freeze sensors and/or ET or Smart controllers are required on all new irrigation systems. Rain and freeze sensors and/or ET or Smart controllers must be maintained to function properly.
- Home car washing can be done only when using a water hose with a shut-off nozzle.
- Prohibition of watering areas that have been over seeded with cool season grasses, such as rye grass or other similar grasses, except for golf courses and public athletic fields.

By far, the largest impact to water bills is yard watering and irrigation systems. The Town encourages residents to evaluate irrigation usage and adjust the frequency and duration of their irrigation cycles.

Summer 2015 was the first summer without water restrictions in several years. That paired with heavy rains in the spring, followed by a lack of rain in the summer, led to widespread complaints regarding high water bills across municipalities in the Dallas-Fort Worth Metroplex. **The NTMWD recommends the resources [northtexaswateriq.org](http://northtexaswateriq.org) and [watermyyard.org](http://watermyyard.org) to help residents determine how frequently to water their yards depending upon recent weather. Just because you are allowed to water your yard twice per week that does not mean that it is necessary.**

Additionally, residents should be reminded to be cognizant of their irrigation and pool usage, as once they have used more than 40,001 gallons, the rate in the Town becomes \$8.85 per 1,000 gallons. See the rate chart below for the Town's current Water Usage Rates:

## Residential Water Usage Rates:

First 2,000 gallons	\$16.19
2,001 – 10,000 gallons	\$3.53 per 1,000 gallons
10,001 – 20,000 gallons	\$4.13 per 1,000 gallons
20,001 – 30,000 gallons	\$4.49 per 1,000 gallons
30,001 – 40,000 gallons	\$5.61 per 1,000 gallons
40,001 gallons and up	\$8.85 per 1,000 gallons

If you have any questions regarding your utility bill, you can contact the Utility Billing Department at 972-886-4242 or [utilitybilling@fairviewtexas.org](mailto:utilitybilling@fairviewtexas.org).

You make your money the hard way. Why invest it the old way?

If you're at a brokerage firm that doesn't encourage you to be involved in investing your wealth the way you've been involved in creating it, perhaps it's time for a change. At Schwab, we provide expertise and guidance while still encouraging your involvement. So you can stay engaged with your investments and take ownership of your future. Talk to us today about a more modern approach to investing.

*Own your tomorrow™*

***At the May 3, 2016, regular Town Council meeting, the Town Council addressed the following items:***

- Honored the Fairview students of the Lovejoy ISD Engineering team who participated in the VEX Worlds 2016 Robotics Competition from April 20 to 23, 2016.
- Fairview Fire Rescue presented a check to the Muscular Dystrophy Association donating the funds from their efforts in the Fill the Boot campaign.
- Mayor Darion Culbertson presented a proclamation declaring the month of May as Motorcycle Safety and Awareness Month in the Town of Fairview.
- Awarded the bid for the fire hydrant relocation project for the TxDOT widening of Stacy Road.
- Approved an ordinance approving a negotiated settlement between the Atmos Cities Steering Committee and Atmos Energy Corporation, Mid-Tex Division.
- Conducted a public hearing and denied a request for approval of a replat of Lot 1, Block E of the Oakwood Estates, Phase III Addition into two (2) lots. The 2.002-acre site is located at 870 St. James Road and is zoned for the (RE-1) One-acre Ranch Estate District. Applicant: Lawrence Ringley, representing Herbert Linder. (Case No. RP2016-01).
- Conducted a public hearing and approved an Ordinance granting a request by M. Christopher, Custom Homes, to rezone a portion of a 44.069 acre tract of land situated in the Robert Fitzhugh Survey, Abstract No. 317 and the Samuel Sloan Survey, Abstract No. 791 in the Town of Fairview, Collin County, Texas and being generally located adjacent to and east of Country Club Road (FM 1378) and north of Farmstead Street from Open Space and Flood Hazard (FH) Zone to Two-Acre Ranch Estate (RE-2) Zone (ZA2015-14). (Case No. ZA2015-14).
- Approved a development agreement with Harper Landing Development LLC.
- Discussed and took no action on an update from staff regarding the status of the emergency plan.
- Discussed and took no action on a request from the North Central Texas Council of Governments (NCTCOG) on their Mobility 2040 plan.
- Heard an update from Interim Fire Chief, Jeff Bell on Fairview Fire Rescue.
- Discussed Boards and Commissions but took no action.
- Received an update on the status of the Republic Services garbage services contract.
- Received an update on the water/sewer rate study.
- Received the Monthly Financial Report for the period ending March 31, 2016.
- Received the Quarterly Investment Report for the period ending March 31, 2016.
- Received an update on the Stacy Road construction project.

# Spring Pancake Breakfast

The 2016 Spring Community Pancake Breakfast hosted by the Friends of Fairview Firefighters Association was another resounding success. This year's event took place on April 23 and was attended by several hundred people. Children were able to try their skills at operating a fire hose and check out the Fire Station. PCI even landed their helicopter so attendees could get an up-close look at how it transports victims of major accidents.

The FoFFA served pancakes, sausage, orange juice and coffee to the good Fairview citizens who attended for just \$5 per adult with small kids eating free. A free courtesy shuttle was offered from Heritage Ranch by Grande Communications.

The Friends of Fairview Firefighters Association was established in 2007 by like-minded Fairview citizens who were interested in supporting Fairview Fire Rescue and its members. The FoFFA mission is to find financial and non-financial solutions to increase the health, safety and well-being of FFR. Their two main fundraisers of the FoFFA are the Spring/Fall Community Pancake Breakfasts held at Fire Station #2 and the Holiday Flag Program.

The Friends of Fairview Firefighters Association thanks all who attended for their ongoing support of Fairview Fire Rescue. Our Firefighters are tireless heroes of our community and FoFFA is proud to support them.

Photos by Joe Sullivan

# Boards and Commissions

## Town Boards and Commissions Openings

Interested in serving your community? The Town of Fairview utilizes numerous citizen run boards and committees to ensure public input and participation in the Town's decision-making process.

To be eligible, individuals must be a registered voter of the town, may not be in arrears on property taxes and must complete an "Application to Serve." Find the application at [fairviewtexas.org](http://fairviewtexas.org) by selecting "Boards and Commissions" from the "Government" dropdown. The Town Council reviews all applications and votes on all board appointments and reappointments. Board members are typically appointed for two-year terms.

Boards and Commission renewals occur every summer, so residents are encouraged to apply to be members of any of our many boards and commissions including the Planning and Zoning Commission, Economic/Community Development Corporation, Technology Advisory Committee, Parks and Recreation Advisory Board, Special Events Committee, Zoning Board of Adjustments and several more. Completed applications can be emailed to [ecappon@fairviewtexas.org](mailto:ecappon@fairviewtexas.org).

## Fireworks Prohibition

As you prepare for the upcoming summer holidays and celebrations, please remember the use or possession of fireworks in Fairview is strictly prohibited. The Town's police department enforces this prohibition, issuing citations for violations. Fireworks present hazards to the safety of our residents and our pets, as well as the natural beauty of our town's vegetation.

We all remember the fun and excitement we had setting off fireworks as children; however, as parents and guardians, we must also consider the danger fireworks present to our children's safety, in order to prevent injury.

Our hot Texas summers make for extremely dry conditions, which creates a fire hazard for the town. Whether a faulty firework ignites an immediate flame or a spent firework casing causes a delayed blaze, things can get out of control very fast, especially in our windy North Texas region. Every year across the nation, huge amounts of property are damaged by fire, all of which could have been prevented.

# STACY ROAD UPDATE

Road reconstruction is finally underway. Traffic will be shifted to the southern half of the existing asphalt pavement, using the shoulder and southern lanes for two-way traffic, allowing work to begin on the north side. Temporary driveways to businesses and residences will be maintained until the concrete directly in front of them is poured. TxDOT and/or Ed Bell Construction will keep all adjacent property owners with driveways informed.

Additionally, HOAs will be contacted when major lane changes or closures are coming up. Those traveling to U.S. 75 in the morning might want to consider alternative routes, depending on your destination. Currently turning South on Angel Pkwy may be a preferred route to U.S. 75, although Stacy Road remains open. Several other routes are advisable, depending upon your destination. Please sign up on [fairviewtexas.org](http://fairviewtexas.org) for email notifications regarding Stacy Road to receive the most current information.

## LHS at Vex Worlds 2016 Robotics Competition

The Lovejoy High School Engineering and Robotics Club joined the Fairview Town Council at their May 3, 2016, regular Town Council Meeting where they were honored for their participation in the VEX Worlds 2016 Robotics Competition from April 20 to 23, 2016. This year's competition in Louisville, Kentucky, broke the Guinness World Record for the World's Largest Robot Competition with over 15,000 students and 1,075 teams from 30 different countries around the world. The participating LHS students included: Ryan Luther: Sophomore; Austin Wyatt, Senior; Connor Redding, Junior; Josh Blumental, Junior; Brock Mordecai, Junior; Max Hooper, Sophomore; Jolina Tran, Sophomore and Johanna Belk, Freshman.

## Town Election Results

The Town of Fairview's General Election took place on Saturday, May 7, 2016. Councilmember Renee Powell was reelected for her second term to the Town Council as Seat Six. Councilmember John Adler was also reelected for his second term to the Town Council as Seat Two. In the race for Town Council, Seat Four, Pam Little of the Town's Economic Development Corporation and Community Development Corporation's Board of Directors was elected to her first term on the Town Council. Little will replace Mayor Pro Tem Henry Lessner, who after six years on the Council has hit his term limit. The Town, the Town Staff as well as the rest of the Town Council would like to thank Lessner for his years of dedicated service to the Town of Fairview.

For more information about the election results, please visit the Town Elections page on [fairviewtexas.org](http://fairviewtexas.org).

## 2016 JUNIOR GOLF CAMP OPEN TO THE PUBLIC

**AGES 7 - 17 \$225 PER STUDENT**

# Town Art Show Success

Adams, *Hay on a Hill* by Sam Lawrence and *Love, Actually* by Pamela Van Laanen. The Grand Prize, First Place and Town Choice cash prize recipients are currently on display in Fairview Town Hall for a period of one year.

Both the Kindergarten through Sixth and Seventh through Twelfth Grade Divisions were judged by Fairview Mayor Darion Culbertson. Culbertson selected *The Memories of Salvador* by Kaya Czyz for her “extraordinary creativity” as the First Place winner in the 7-12 Division. Additionally, Culbertson called Mary Burgess’ *Barrel and Onions*, the First Place winner in the K-6 Division, “simply elegant.”

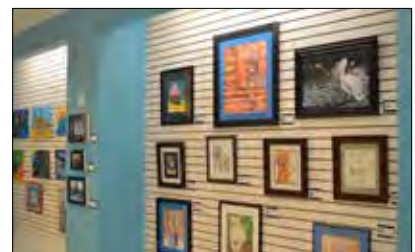

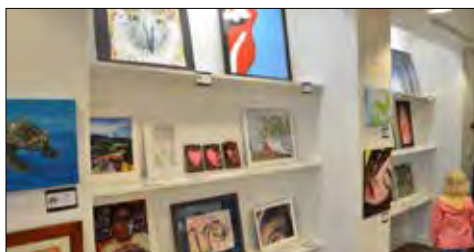

Other 7-12 Division winners selected by Culbertson included *Fleurs* by Samantha Cheng for Second Place and *Monday Morning* by Lindsay Browne for Third Place. In the K-6 Division, *Party Cat* by Grace Glotzbach took Second Place honors and Rayna Li’s *Bird on Flower* earned Third Place. Student winners were awarded gift cards to a local art supply store. Finally, the Public Art Committee selected Jenna Garcia, Natalie Wu, Amy Wang, Callie Koch and Anukriti Singh as their Student Show Favorite Artists.

Despite the threat of bad weather, the Town saw a tremendous turnout at the Friday Art Show

reception featuring the local band, the Jazz Engineers. Fire Chief Jeff Bell was on hand to honor each of the student artists who entered, regardless of how their piece showed. Bell and Moore then awarded medals to the show winners. By the end of the weekend, more than 300 people had viewed the eclectic artwork on display in a space within The Village at Fairview shopping center.

The Fairview Public Art Committee is an all-volunteer board comprised of Joyce Bryan, Amy Adler, Elizabeth Glasco, Beth McInerney and Committee Chair, Karen Karnuta. The Committee hopes this event is just the first that will enhance the Town’s position within the arts community of Collin County. They have already started the planning for next year’s show and invite residents to come up to Town Hall to view this year’s winners.

Photos by Hal Bryan, Liz Cappon and Karen Karnuta

# Motorcycle Safety and Awareness Month

Mayor Darion Culbertson presented a proclamation declaring the month of May as Motorcycle Safety and Awareness Month in the Town of Fairview at the May 3, 2016, regular Town Council Meeting. Mayor Culbertson encouraged motorcycle riders and motorists alike to give each other the mutual respect they deserve.

## AUSA Army Birthday Celebration

Join the North Texas – Audie Murphy Chapter of the Association of the United States Army outside Fairview Town Hall on Tuesday, June 14, 2016 at noon for a U.S. Army Birthday Celebration.

The theme of the event will be The American Soldier: Always Ready, Always Leading. The birthday party will feature a half-size working replica of a WWII Corsair, an American fighter aircraft as well as several guest speakers including Collin County Judge, Keith Self. The public is welcomed to join local veteran speakers as they cut a birthday cake to celebrate the founding of the American Continental Army way back on June 14, 1775.

## Holiday Closures

### Memorial Day

Fairview Town Hall will be closed Monday, May 30, 2016, in observance of Memorial Day. Please see page 14 for the 2016 Bulk Trash Recycle Calendar to view the holiday schedule for bulk trash collection.

# Fairview Fire Rescue Uses Grant Funds on Chest Compression System

It has now been over a year since Fairview Fire Rescue (FFR) fully took over EMS responsibilities for the Town. Through the support of the town and some area grants, FFR has been able to acquire some top-notch equipment to assist with the delivery of quality Emergency Medical Service (EMS) to the residents of the Town of Fairview.

One of the Town's most recent acquisitions has been the Physio Control LUCAS® 2 Chest Compression System. The LUCAS 2 device was purchased through a grant received from CoServ's charitable grant foundation. The device delivers continuous high-quality automated chest compressions in accordance with the American Heart Association (AHA) guidelines to aid in performing CPR. High quality chest compressions with *minimal* interruptions are vital to improving the survival rate of a cardiac arrest patient by delivering good blood flow and oxygen to the heart and brain.

The LUCAS 2 Chest Compression System maintains high quality chest compressions when the patient is being moved or transferred from one location to another. Additionally, it allows EMS personnel to stay safely seat-belted in the back of the ambulance while transporting a cardiac arrest patient to the hospital.

It is the Town's goal to continue to provide the citizens of Fairview with excellent emergency medical services through the acquisition of quality equipment. The support received from the Town administration, area grant opportunities and the citizens of Fairview have helped greatly in the acquisition of this new equipment.

Beyond equipment, Fairview Fire Rescue recommends that everyone become familiar with CPR. Remember these two steps and you may save a life. First, CALL 911, and then PRESS HARD and FAST with chest compressions. Visit the American Heart Association Hands-Only CPR site to learn more at [cpr.heart.org](http://cpr.heart.org).

The Samaritan Inn provides interactive, in-house programs for its residents and graduates. Those with special needs are referred to additional programs and resources available within the community to help during their crisis.

## Heard Museum Nature Camps

Do you ever go for nature walks to clear your head? If so, you have probably experienced firsthand how time in nature can benefit your overall well-being. The average child today spends about half as much time outdoors and participating in these kinds of activities as children did 20 years ago. Many of today's children may say they prefer to stay indoors in front of a screen; nonetheless, getting out in nature is important and beneficial to a child's wellbeing. More and more studies seem to indicate that children who play outside exhibit improvements in mood, health and cognitive function as compared to children who spend more time indoors.

The Heard Natural Science Museum & Wildlife Sanctuary's mission is to inspire children to discover, enjoy, experience and restore our priceless environment. Heard Summer Nature Camps are geared toward children ages 5 to 12 (age set by camper's age on June 1, 2016) and feature opportunities to investigate the wonders of nature on our 289-acre sanctuary, encounter animal ambassadors and more.

In Nature Art Camp, young artists (age 6 to 10) will follow in the footsteps of great artists such as Audubon and Monet with unique opportunities to create their own art inspired by nature and live animals. All art supplies are included.

Keeper Camps will offer children (age 10 to 15) an opportunity to experience a behind-the-scenes, hands-on adventure with our Animal Ambassadors. They will also learn about the Heard Animal Ambassadors and what it takes to properly care for them.

The one-week long camps described above run from 9:30 a.m. to 2:30 p.m. in June and July with a week tuition of \$235 (\$210 for Heard members). Mini one-day camps will run from 9:30 a.m. to noon on July 5 to 7 for \$20 per daily camp (\$17 for members). Mini-camps feature the topic choices of Reptiles Rock, GeoWhiz and Insect Mania.

For the complete information on camp topics, camp schedules and more details, visit [heardmuseum.org/camps](http://heardmuseum.org/camps). Many of the Heard's summer camps fill early and preregistration is required.

*Heard Natural Science Museum & Wildlife Sanctuary is a private, nonprofit organization and was founded in 1967 by Bessie Heard. Miss Heard was 80 years old when she saw the need to preserve a place where future generations could experience nature. Today, the Heard's mission of bringing nature and people together is carried out through education, particularly of young people, which emphasizes an appreciation of nature and its conservation.*

## Showdown Half Marathon and 5K

The Fifth Annual Showdown Half Marathon and 5K will be held Saturday, October 8, 2016, beginning and ending at Fairview Town Hall. The festivities begin at 7 a.m. with a kids' dash. The half marathon will start at 7:30 a.m., and the 5K will start at 7:45 a.m. Construction on Stacy Road may cause alterations to the course route; a course map will appear in a later edition of the Town Magazine.

The Town is also looking for volunteers to assist with the Half Marathon, to help or if you have questions about the race, contact Shannon Craft, the Town's new Event/Marketing Specialist at 972-886-4227 or [scraft@fairviewtexas.org](mailto:scraft@fairviewtexas.org).

## Chamber of Commerce – Fairview Recognition

On April 22, 2016, the Allen Fairview Chamber honored several local businesses and their owners at the Chamber's 45th Annual Volunteer Recognition Gala. Annually, the Chamber recognizes those individuals, business or organizations that go above and beyond to help our community stay thriving and vibrant.

At the time Town Council candidate and now newly elected Town Councilmember, Pam Little, accepted the *Spirit of Fairview* award from previous winner, Councilmember Paul Hendricks. The Spirit of Fairview award is awarded annually to someone who shows exemplary service through volunteer activities that benefit the nonprofits, school districts and/or the Town of Fairview in a way that places service to others above self.

Little is involved in many activities around Collin County including the Chamber board, the North Texas Republican Women's board, President of the Samaritan Inn Board, the Finance committee of her church, the Garden Club at Caldwell Elementary School, a member of the Fairview Economic Development board and a charter member of the new Fairview Rotary Club. And, if that wasn't enough to keep her busy, she and her husband Larry run a very successful small business.

Additionally, Heritage Ranch Golf & Country Club was honored as the Chamber's 2015 *Business of the Year*. The award was accepted by Tony Trevino, General Manager of the Club. Heritage Ranch has been a part of the Fairview community since 2001 and opened the doors to their gorgeous clubhouse in 2003. Since then, Heritage Ranch has participated in many charity events throughout the years including hosting the annual ACO Charity Golf Classic and the Annual Allen/Fairview Chamber tournament. Heritage Ranch has hosted other events over the years including the Leadership Graduation Banquet, Fairview EDC Luncheons, the Inaugural Taste of Fairview and many, many more. In addition, if there is a charity in the area that needs a silent auction item, they donate at a moment's notice.

Trevino has been with Heritage Ranch for 15 years and serves on the Allen/Fairview Chamber Board as the current treasurer. Eric Hoyle has been the Community Events Director at Heritage Ranch for 11 years. Both Trevino and Hoyle participated in the Chamber's Leadership Class XXVI and spent countless hours volunteering at various Chamber events.

For more information about the Allen/Fairview Chamber and this event, please contact Sharon Mayer, CEO at 972-727-5585 or [sharon@allenfairviewchamber.com](mailto:sharon@allenfairviewchamber.com).
