TOWN NEWS

## Fall Back Daylight Saving Time

Don't forget to "fall back" and turn your clocks back one hour as Daylight Saving Time ends at 2 a.m. on Sunday, November 6, 2016.

## Texas/OU Weekend on The Ticket

Once again, 1310 AM The Ticket Sports Radio featured an all Fairview event on the Friday of Texas/OU Weekend, broadcasting everything from The Musers drive time morning radio show to The Hardline in the evening, all live from The Village at Fairview. This annual event once again provided great exposure of the happenings in Fairview to the entire Dallas-Fort Worth Metroplex. A number of Fairview residents came out to watch the various shows through the day, a big thank you to all who participated.

# Mayor's Note

Dear Neighbors,

As we quickly approach Thanksgiving and the ensuing holiday activities, it is always appropriate to reflect on the things for which we are always thankful. But, all too often, the people, services and things that we are most appreciative of are also those that we forget to show our gratitude to the most and at times seemingly take for granted.

In October, the Town once again participated in National Night Out, on which citizens are encouraged to get out of their homes to interact with and get to know their local first responders. In the wake of the shocking attack this summer on the Dallas Police Department, the Town has been grateful to see such an increase in the already strong support in our community for the Fairview Police Department and Fairview Fire Rescue. These brave men and women work daily to protect us and we should keep them in our thoughts every day, not just at Thanksgiving.

Additionally, at the October Town Council meeting, my fellow members of the Council expressed their gratitude to the Town's Public Works staff for their hard work over a Friday night and weekend fixing a waterline break that accidentally occurred due to Stacy Road construction. Thanks to the management of Aron Holmgren and his team's sweat and tears, the Town's drinking water was thankfully not affected. While Public Works is not often viewed as glamorously as Fire and Police work, it is undoubtedly just as essential to keeping Fairview a safe place to live. The Council additionally thanked the Town Staff for their work communicating with residents over the weekend to keep everyone in Town informed of the situation with website updates, email blasts and Nixle text message alerts.

I am always proud of the extra steps taken by our Town Staff for our residents, but if you have any stories of anyone on Staff going the extra mile, I would love to hear them at DCulbertson@fairviewtexas.org. Lastly, I would like to thank you for being a resident of our wonderful Town and for any of your contributions to our community; it is because we are all here together that Fairview is such an ideal place to live.

Happy Thanksgiving and if you are traveling, be safe.

I'll see you around Town!  
Darion

**Voter ID Procedures Update**

Effective immediately, a federal district court has changed the voter identification requirements for all elections held in Texas after August 10, 2016 until further notice. As a result, voters who have obtained an acceptable form of photo identification for voting listed

below are still required to present it in order to vote in person in all Texas elections. Voters who have not been able to obtain one of the forms of acceptable photo identification listed below and have a reasonable impediment or difficulty to obtaining such identification, may present a supporting form of identification and execute a Reasonable Impediment Declaration, noting the voter’s reasonable impediment to obtaining an acceptable form of photo identification and stating that the voter is the same person on the presented supporting form of identification.

**Here is a list of the acceptable forms of photo ID. Acceptable forms of photo ID may now be expired up to four years:**

- Texas driver license issued by the Texas Department of Public Safety (DPS)
- Texas Election Identification Certificate issued by DPS
- Texas personal identification card issued by DPS
- Texas license to carry a handgun issued by DPS
- United States military identification card containing the person’s photograph
- United States citizenship certificate containing the person’s photograph
- United States passport

# Fall Community Pancake Breakfast

The 2016 Fall Community Pancake Breakfast hosted by the Friends of Fairview Firefighters Association was another resounding success. This year's event took place on September 17 and allowed children to try their skills at operating a fire hose and check out the Fire Station

The FoFFA served pancakes, sausage, orange juice and coffee to the good Fairview citizens who attended for just \$5 per adult with small kids eating free. Additionally, a free courtesy shuttle was offered from Heritage Ranch.

The Friends of Fairview Firefighters Association was established in 2007 by like-minded Fairview citizens who were interested in supporting Fairview Fire Rescue and its members. The FoFFA mission is to find financial and non-financial solutions to increase the health, safety and well-being of FFR. Their two main fundraisers of the FoFFA are the Spring/Fall Community Pancake Breakfasts held at Fire Station #2 and the Holiday Flag Program.

The Friends of Fairview Firefighters Association thanks all who attended and for their ongoing support of Fairview Fire Rescue. Our Firefighters are tireless heroes of our community and FoFFA is proud to support them.

# DART Taxicab Voucher Program Launches in Fairview

In response to the discontinuation of Texoma Area Paratransit System (TAPS) service in Collin County, Dallas Area Rapid Transit (DART) temporarily offered similar transit service to eligible Fairview residents through September 30, 2016, due in part to a grant by Toyota.

Fairview will transition to a DART taxicab voucher program called Collin County Rides on October 3, 2016. Through this new program, Fairview is removing

transportation barriers and providing enhanced mobility solutions for qualifying residents. Collin County Rides is an innovative taxi subsidized service available to those 65 years of age or older and/or people living with a disability in Fairview, Allen and Wylie. Unlike the previous temporary bus service, this service will allow these residents the opportunity to travel anywhere within Collin County for any reason, including connecting to the DART service area. The only limitation is the amount of funds on the taxi debit card.

However, similar to the previous system, all trips, including return trips, must be scheduled up to two service days in advance; same day scheduling of trips is not permitted. Additionally, the service is only available weekdays from 5 a.m. to 6 p.m. with trip reservations assistance available Monday through Friday, from 8 a.m. to 5 p.m.

Registered participants will receive a taxi debit card from DART. Participants can store \$5 to \$50 on the card and will receive a taxi subsidy based on how much they contribute. For example, if the registered participant uploads \$50 to the card, their taxi subsidy will be \$150, for a total taxicab debit card of \$200. The value on the taxi debit card cannot exceed \$200 at any time. Additional guests are allowed to accompany registered users for an additional \$2 per guest, which must be paid in cash or credit card rather than with the voucher card.

Residents need to register in order to participate in Collin County Rides. Registration will be available after Oct. 3. Residents who have participated in the temporary DART Collin County Service will be grandfathered into the

new program. Residents can call 214-828-6717 to determine eligibility or visit [DART.org/ccr](http://DART.org/ccr) for more information.

**Editor's Note:** Previously this article stated that the Collin County Rides Program allows

residents to travel anywhere for any reason, including connecting to the DART service area, DART has since updated their communication materials to correct that it is actually anywhere within Collin County including connecting to the DART service area.

# Thanksgiving Fire Safety

The holiday season is quickly approaching and the Fairview Fire Department would like to remind you of a few fire safety tips for while you are working in the kitchen this Thanksgiving:

- Always call 911 right away if a fire occurs.
- Don't cook food overnight in the oven or on the stovetop.
- Don't leave a stove unattended when cooking.
- Never deep-fry a *frozen* turkey.
- Always keep a fire extinguisher handy while deep-frying a turkey.
- Be careful not to overfill a turkey pot with oil or grease.
- Keep children away from hot stovetops and flammable items, spills can cause burns and kitchen fires.
- Don't wear long sleeve clothing when cooking near an open flame.
- Never use water to extinguish a grease fire.
- If a fire ignites in the oven, keep the door closed and turn the heat source off.

# Showdown Half Marathon and 5K

The fifth annual Showdown Half Marathon and 5K was held Saturday October 8, beginning and ending at Fairview Town Hall. The festivities began with a kids' dash, followed by the half marathon and 5K. The race has become a popular event among runners because of the scenic course, great local support, local hospitality and the reputation of race director, Libby Jones.

The overall half marathon winner was Craig Ottman with a time of 1:14:53.0 and the female winner of the half marathon was Holly Boone with a time of 1:35:19.8. The overall 5K winner was Tommy Smith with a time of 18:26.2, the female 5K winner was 12 year old Brenna Zerby with a time of 20:10.4. Overall there were 493 half marathon finishers and 194 finishers of the 5K.

Stacy Road construction caused the usual routes to be altered but the Fairview Police Department worked to keep runners safe and traffic flowing as smoothly as possible. The next half marathon is the Fairview Half, scheduled for Saturday, April 1. The course will be determined by the status of Stacy Road construction, the Town will publish the route as soon as it determined.

*Brenna Zerby won the female division of the Showdown 5K.*

## Town Christmas Celebration

Join Fairview Mayor, Darion Culbertson and the rest of the Town Council to ring in the Christmas season at the 2016 Town of Fairview Christmas Tree Lighting on Thursday, December 1 from 6:30 to 8:30 p.m.

The celebration will take place in front of Town Hall, located at 372 Town Place and will feature crafts, hot chocolate, visits from some of Santa's friends and a merry good time for everyone. Performing live on stage will be the Fairview Youth Theatre, Lovejoy Elementary Choir as well as other local choirs and dance groups.

Be sure to bring a new, unwrapped toy, as the Town will be collecting donations for the Toys for Tots campaign. Bring your family and friends to enjoy this new local holiday tradition. For more information, contact Shannon Craft at 972-886-4227 or [SCraft@FairviewTexas.org](mailto:SCraft@FairviewTexas.org).

# Fairview CDC Awards Grant to Fairview Youth Theatre

The Fairview Community Development Corporation has provided a grant of \$45,000 to the new Fairview Youth Theatre, which will be located in The Village at Fairview. The youth theatre is a division of the North Texas Performing Arts (NTPA), which also produces Plano Children's Theatre, Frisco Youth Theatre and McKinney Youth Theatre. While NTPA will continue to operate the McKinney Youth Theatre name to host a few events a year in McKinney, the majority of the MYT operations will be moved to Fairview.

**Fairview Youth Theatre receives their grant check from the Fairview EDC/CDC. From Left to Right: Nikki Behm, Elizabeth Allen, Stacy Polk, Board Chair Trysh Pope and EDC/CDC President Warren Westburg.**

The theatre will occupy space that formerly housed Sand Dollar Lifestyles, next to JC Penney. The theatre group has already begun renovations on the space and has targeted January 2017 for their first performance in Fairview. Previously, McKinney Youth Theatre had no permanent home. The new facility will allow NTPA to consolidate operations that are currently spread among multiple sites, including private homes. The Fairview location will have a set building area, offices, rehearsal areas, teaching areas and more. Approximately 5,000 people per week will be drawn into The Village at Fairview, which should have a very positive impact on the shopping center.

The Fairview Community Development Corporation (CDC) is funded by a half-cent sales tax that has restricted uses, which was approved by Fairview voters. While predominately in place to help foster economic development projects for Fairview, another authorized use of the revenue is for community development projects such as park improvements. Since 2009, the CDC has contributed: \$200,000 for Veterans Park at Fairview Town Hall and \$400,000 for The Village Green Park, which is located along Fairview Parkway. The Fairview CDC also supports local projects such as the Christmas Tree Lighting at Town Hall, the Heritage Ranch Games, North Texas Junior Golf Tournament at Heritage Ranch and a Breast Cancer Event at Heritage Ranch. Additionally, the CDC is funding Christmas lights and a Christmas Tree for along Stacy Road.

The CDC is governed by a seven-person Board of Directors that oversees both the Community Development and the Economic Development Corporations of the Town. Warren Westberg is the President of both these boards. The other board members are Sim Israeloff, Don Braun, Bill Nicol, Bob Herrema, Roy Serpa and Jeff Rutherford.

## ACO Restyle Show

Gather the girls, email your coworkers and call the neighbors! It is time again for the event of the season, the ACO Restyle Show, Tuesday, November 1, 2016 at The Flour Mill, located at 407 E. Louisiana Street in McKinney.

This year's Show will be even more fabulous than ever before with a "Restyling the Holidays" theme. Take home some terrific finds just in time to decorate your home and wardrobe for the holiday season!

First, ACO Boutique on the Road shopping

opens at 10:30 a.m. in the White Billows Ballroom at The Flour Mill in McKinney. Shop the finest in repurposed and reimagined home decor, clothing and accessories, all while enjoying our signature cocktail!

Next, the doors open in the Marketplace Ballroom at 11:45 a.m. Lunch is served where a fun renewed holiday fashions show will be the highlight of the event.

Then the boutique will reopen from 1:30-2:30 p.m. for you to complete your shopping.

Then come back for the Sip and Shop with all holiday décor and gifts from 5 to 7 p.m.

Drinks and hors d'oeuvres will be served. The Boutique will be reset in the afternoon for this special evening extravaganza with beautiful and stylish decor for the holidays for a private shopping experience that you simply cannot miss!

This event sells out every year, so get your tickets now:

<http://www.acocares.org/home-2/special-events/restyle-show/>

Sponsorships are also available. If you have any questions or are interested in sponsorships, please contact Debbie Stout, Special Events Director at 972-727-9131 or [dstout@acocares.org](mailto:dstout@acocares.org).

# Daylight Saving Safety

Daylight Saving Time ends on Sunday, November 6 at 2:00 a.m. So, as we fall back an hour, it is important to realize that more joggers and cyclists will be on residential roads during night hours. Studies have found that car accidents go up after we turn the clocks back, besides less visibility, commuting in the dark can make drivers drowsier than usual. Check out some tips below for staying safe both in the great outdoors and on the road.

### Tips for Pedestrians:

- Wear light colored clothing.
- Carry a small LED flashlight in your hand and point it at the ground as you move along. A quick wave of the light at any approaching car may get the driver's attention.
- Ensure bike safety reflectors and lights are working properly.
- Stay alert. If you use a headset, keep the volume low enough to hear oncoming traffic.
- Remember that riding or running down the middle of the road puts you in harm's way with less time to react.
- If you are uncomfortable with oncoming traffic, stop and step off the road and wait for vehicles to pass. Do not try to keep moving on dark or uneven ground.
- If you bring your dog(s) at night, keep them on a short leash in the presence of oncoming traffic.

### Tips for Drivers:

- As a driver, assume people are on the streets at all hours.
- Clean headlights, taillights, signal lights, mirror faces and windows once a week. Clean your windows on the inside and outside.
- Make sure headlights are properly aimed, misaimed headlights blind other drivers and reduce your ability to see the road.
- If there is any doubt of visibility, turn your headlights on. Remember that being seen is as important as seeing.
- Reduce your speed and increase your following distance at night.
- Avoid glare from oncoming bright headlights by watching the right edge of the road and using that as your steering guide.
- If you have car trouble, pull off the road as far as possible. Turn on emergency flashers and the interior dome light. Stay off the roadway and get passengers away from the area.

This Veterans Day, why not honor a loved one's service with a stone placed in our own Veterans Park! If you are a Fairview resident that is a veteran or have a family member that is a veteran and would like to purchase a stone to be placed in the Town of Fairview's Veterans Park, please visit [fairviewtexas.org](http://fairviewtexas.org), as information will be added to the homepage regarding purchasing a stone. Under *Top News* on the homepage, you will find the form for purchasing a stone, along with detailed instructions regarding information needed to complete your order. Copies of the form are also available at the Utility Billing desk located in the first floor lobby of Fairview Town Hall. The cost to purchase a stone is \$200 and the deadline for all applications for this batch of stones will be December 9, 2016. In order to purchase a stone you must be a resident of the Town of Fairview. There are a limited number of stones left for purchase and orders will be filled on a first come, first served basis.

**QUICK TIP**

When you change your clocks, it is also a great time to remember to also change the batteries in smoke alarms and carbon monoxide detectors.

## Creekwood UMC expands ZOE Helps Ministry to Kids on a Mission

By Lyndsey Lessner

When Creekwood United Methodist Church in Allen, signed up to partner with ZOE Helps Ministry in 2015, they never dreamed they would be sponsoring seven groups just one and a half years later. ZOE Helps is a nonprofit organization that empowers orphans and vulnerable children in seven countries (Kenya, Rwanda, Zimbabwe, Malawi, Liberia, Guatemala and India) to work over three years to become fully self-sufficient and overcome extreme poverty. ZOE currently has approximately 28,000 children enrolled worldwide.

In 2015, Creekwood UMC began to sponsoring one working group of 30 to 60 children for three years in Chennai, India. In February 2016, four church members traveled to Chennai, India to visit the “Challenge” group that Creekwood sponsors. While they were there, they met five newly formed groups without sponsors, comprised of children currently living in the slums in India under some of the worst and most dangerous living conditions. These children, unlike those already participating

in a ZOE working group, showed very little sense of hope, purpose or meaning. The drastic differences highlighted even more the success of the ZOE program, which has been analyzed as having an 85 percent long term success rate upheld by its locally based, comprehensive and child led model.

The Creekwood travelers came back and knew they needed to sponsor another group. In May, a preschool Sunday school leader, Kristi Wilbur, began working on an idea for a summer program to instill at a young age the importance of thinking of others. She wanted to promote goal setting and achievement, discipline and hard work. She linked this to kids earning ZOE donations by doing extra chores in their homes. The program, she dubbed “Kids on a Mission,” focused on teaching the children to grow up knowing that they can change the world at any age. This idea soon spread to the elementary, middle and high school Sunday school groups as well the local community at large.

Kids on a Mission were given the freedom to do as little or as much as they wanted to earn money for ZOE Helps. Several opened lemonade stands, created individual fundraiser websites and held bake sales to garner support. Children at the Creekwood Vacation Bible School raised money to donate and planted a community garden to learn how ZOE teaches children to grow their own food. Education was tied into Sunday school lessons, reading stories, watching videos and making recipes from the countries that ZOE Helps supports to teach the

kids cultural lessons and help them understand where and to whom the money was supporting.

What Wilbur and Creekwood UMC did not anticipate is how this program would draw the community together. Ninety-one children from 50 families participated with one-third of the families being non-Creekwood members from the surrounding Allen, Fairview, Lucas and McKinney communities. What began as a simple lesson teaching kids they are never too small to make a difference, ended up bringing a community coming together to support five new ZOE working groups.

Kids on a Mission raised \$28,125 in one summer to change over 300 orphans and vulnerable children’s lives forever, 52 percent of that money was donated by non-Creekwood community members. An anonymous Creekwood family stepped up to match any ZOE donations raised over the summer, which coincided with a temporary match by a ZOE board member, so the funds that kids raised were quadrupled! After both matches, \$112,500 will be donated to ZOE Helps this year to support their work teaching kids to be secure, connected, healthy and prepared.

What began as a single partnership became a simple lesson teaching kids they are never too small to make a difference in the world. And, through Kids on a Mission, they have made a huge difference by bridging communities through their work, both locally and worldwide. To check out more great things happening at Creekwood UMC and ZOE Helps, visit [creekwoodumc.org](http://creekwoodumc.org) and [zoehelps.org](http://zoehelps.org)

## STACY ROAD UPDATE

As of early October, Stacy Road construction was about 25 percent complete. The retaining walls are near completion and roadway base preparation on the north side will be starting soon. Once the base is prepared, then the concrete paving of the north two lanes will commence.

Finally, all major intersections will be done in small sections, in order to keep traffic flowing throughout the intersection construction work. The only exception could be Old Stacy Road just east of Oakwood Trail, since a short connection to FM-1378 is available for detours. Details will be provided as we move closer to the paving section in the coming months. Temporary signalization work will also take place at the signalized intersections to accommodate intersection shifts.

# 2016 National Night Out

The Town saw a great turnout for this year's National Night Out on the evening of Tuesday, October 4. Multiple communities, the Mayor, the Town Council, the Fairview Police Department and Fairview Fire Rescue all participated to make this event the best one yet.

During National Night out, folks across the nation turn on their porch lights and spend their evening outside with their neighbors and first responders. Events such as cookouts and neighborhood block parties occur simultaneously nationwide. Thank you to all the communities that participated, we hope even more will join us in 2017.

*Trash/recycle items must be placed outside by 7 a.m. on your designated day. Bulk items may be placed outside no earlier than 5 p.m. the Friday before your designated Monday and must be out by 7 a.m. on Monday. Republic Services will pick up bulk items between Monday and Friday on your designated week. See the color coded chart shown here for more details. If your regular trash/recycle pick-up day or bulk Monday falls on a holiday, service will resume the following business day. Bulk/brush is limited to 12 cubic yards or four truck loads.*

## Recycling Guide

YES	RECYCLING ONLY	NO
<p>Put these items in your recycling cart.</p>		<p>DO NOT put these items in your recycling cart.</p>

**Bulk/Brush**  
Bulk/brush limit is 12 cubic yards.  
Example: 6' x 6' x 9'

**Four Truck Loads Brush/Bulk**

*Check us out for all the current news about your community, schools, businesses and events happening around town.*

You make your money the hard way. Why invest it the old way?

If you're at a brokerage firm that doesn't encourage you to be involved in investing your wealth the way you've been involved in creating it, perhaps it's time for a change. At Schwab, we provide expertise and guidance while still encouraging your involvement. So you can stay engaged with your investments and take ownership of your future. Talk to us today about a more modern approach to investing.
