National Night Out - October 7th

Please join the Town of Fairview Police Department for the 2014 National Night Out on Crime.

This year, National Night Out is Tuesday, Oct. 7th, 2014, from 7 to 9 p.m.

During the event, residents in neighborhoods throughout Fairview and across the nation are asked to turn on their porch lights, lock their doors and spend the evening outside with their neighbors and police officers. Events such as cookouts, block parties and neighborhood walks will all occur simultaneously throughout the town and nationwide.

National Night Out is a great opportunity for residents and law enforcement to partner against crime, increase neighborhood spirit, improve police-community partnerships and keep our town safer. We encourage you to attend any planned events in your neighborhoods, so you can meet your neighbors and commit to helping law enforcement reduce crime in our community.

For more information about National Night Out please contact Officer Troy Neasbitt by email at tneasbitt@fairviewtexas.org or at 972-886-4211, ext. 5029.

At the September Town Council meeting, the Town Council addressed the following items:

- Approved minutes from previous meetings
- Approved Amendment #10 of an Interlocal Agreement with Collin County regarding jail services
- Approved an Interlocal Agreement with the Collin County Sheriff's Office regarding Child Abuse Investigation Services
- Approved a resolution designating the Allen American as the town's official newspaper, with an effective date of October 1, 2014
- Approved an ordinance amending Ordinance #2011-6-7B, the Planned Center District for the LISD Administration Building and Elementary School, specifically to provide for two additional temporary buildings on the subject property
- Took action regarding Board and Commission appointments
- Approved a resolution authorizing a contract for professional auditing services with Weaver and Tidwell, LLP
- Approved an ordinance amending the 2013-14 fiscal year budget
- Approved an ordinance approving the proposed 2014-15 budget
- Approved an ordinance on the proposed 2014-15 ad valorem tax rate
- Approved an ordinance ratifying the 2014-15 property tax revenue increase
- Approved an ordinance amending the town's Fee Schedule, specifically, Article A4.000 (Utility Rates and Charges), in order to increase water and sewer rates
- Approved additional construction costs on the TxDot Stacy Road project at the Meandering Way intersection
- Approved an ordinance amending the town's Fee Schedule, specifically, Appendix A, Article A3.000 (Miscellaneous Fees), in order to amend the fee schedule for planning and development application review fees
- Council will continue the public hearing on a request by Toll Brothers, Inc. to approve an ordinance amending the Future Land Use Plan component of the Comprehensive Plan for a 111.453± acre tract of land situated in the Calvin Boles Survey, Abstract No. 28, and generally located south of Stacy Road and 1,300' west of Orr Road on October 7, 2014
- Council will continue the public hearing on a request by Toll Brothers, Inc. to approve an ordinance rezoning a 111.453± acre tract of land situated in the Calvin Boles Survey, Abstract No. 28, and generally located south of Stacy Road and 1,300' west of Orr Road on October 7, 2014

National Fire Prevention Week 2014

National Fire Prevention Week this year is October 5-11, 2014. The theme for the 2014 Fire Prevention Week is: "Working Smoke Alarms Save Lives...Test Yours Every Month!"

We encourage you to test your smoke alarms monthly and replace low batteries when needed. At a minimum, try to remember to change your batteries each year when you change your clocks in observance of daylight saving time/central standard time.

You should also practice home exit drills, so that your family will know what to do when the alarm sounds or there is a fire. Try to remember to have two exits and stay low to the floor as you exit if there is smoke. You should have a predetermined gathering place outside, so you can account for all occupants of your house or apartment. For example, everyone should plan to meet at your mailbox by the street, at a neighbor's driveway or at the fire hydrant closest to the entrance of your apartment building.

Do not hesitate to call 911 if you smell smoke or do not know why your smoke detector is going off. We will be more than happy to respond to assist you.

Business of the Month Il Cane Rosso

Il Cane Rosso, the successful brainchild of Metroplex restaurateur Jay Jerrier, opened its first suburban location at The Village at Fairview on August 26, 2014. Il Cane Rosso currently has locations in Deep

Ellum and White Rock Lake in Dallas, as well as a new location on Magnolia Avenue in Fort Worth. Jerrier chose The Village at Fairview as his first suburban location because of Fairview's flexibility in creating a win-win opportunity, the convenient location between Fairview, Allen, McKinney and Plano, and the amenities offered by The Village at Fairview. The Fairview location will feature unique menu items not available at other Il Cane Rosso locations, as well as the Neapolitan Pizza Il Cane Rosso fans love - along with a large patio opening to The Village Fountain. The oven in Cane Rosso was custom built in Naples Italy especially for the Fairview location!

Il Cane Rosso is recognized as not only one of the Metroplex's iconic pizzerias, but as one of the top pizzerias by the national food blog, *Eater*. Jerrier's restaurants have been featured on *Diners, Drive-Ins and Dives* and *America's Best Bites* and won rave reviews from D Magazine, The Dallas Morning News and The Dallas Observer.

"I've always had a soft spot for this part of the Metroplex," said Jerrier. "Most people don't know that Il Cane Rosso was born in my backyard only about three miles from the Fairview site. I built our first pizza oven up there, cooked my first pizza there, and parked our mobile catering oven in my driveway up there for years. We have lived in the area for ten years and still have many ties to the community. We constantly get requests from our customers that live in Collin County to open something up north.

Now they don't need to fight traffic down Central Expressway to Deep Ellum."

The MG Herring Group worked with Il Cane Rosso to bring the destination restaurant to The Village at Fairview.

"We are thrilled to welcome Il Cane Rosso to The Village at Fairview," said Norine Bowen, Vice President, Property Management. "Il Cane Rosso will be a terrific addition to the center and to Fairview, and we know our shoppers will be so excited to have Il Cane Rosso as a dining option."

Also assisting with the project was the Fairview Economic Development Corporation. Fairview Mayor Darion Culbertson said, "Jay Jerrier is one of the most well-known and well-respected names within the Dallas and Fort Worth restaurant scene. He has built several incredible brands, and we are very pleased that he has chosen Fairview as his next destination."

Fairview Economic Development Board President Warren Westburg said, "It is the economic development corporation's job to seek out quality businesses for Fairview and then help expedite their locating here, and we are glad to be a part of Il Cane Rosso's choosing Fairview."

Stop by and enjoy a meal at Fairview's newest eatery.

Showdown Half Marathon

Saturday, October 11, 2014

The third annual Showdown Half Marathon and 5K will be held Saturday, October 11th, beginning and ending at Fairview Town Hall. The festivities begin at 7 a.m. with a kids' dash. The half marathon starts at 7:30 a.m., followed by the 5K at 7:45 a.m.

The race will wind through Fairview and back to Town Hall. While there will be no major street closures, there will be some traffic delays, so please plan for a little extra time if you are going out on that Saturday. A course map is provided to help you better plan your trips. The course will be clearing by about 11:30 a.m.

We encourage our residents to come out and cheer the runners on as they make their way through your neighborhood. Fairview receives good reviews in the running community, and these races are designed to have people stay in Fairview after the race and eat and shop.

October Gardening

Now is the best time to plant new trees and shrubs. The planting hole should be only as deep as the root ball and 2 to 3 times wider. No need to amend the soil or add fertilizer at planting time. Return the original soil, firm and water well. Mulch 3-4 inches deep around plant.

Fertilize established trees and shrubs to maintain growth and health during the coming winter weather stresses. Water well. Replenish mulch.

Move tropicals inside before temperatures fall below 50° F. Be prepared for an early freeze. Pre-chill tulip, crocus, late-flowering daffodil and hyacinth bulbs in the refrigerator.

What to plant in October:

BULBS: Allium, Amarcinum, Calca, Autumn Crocus (Colchicum), Cooperia, Daylily, Dietes, Hardy Cyclamen, Spider Lily (Hymerocalis), Liriope, Louisiana Iris, Ipheion, Lily, Lycoris, Oxalis, Monkey Grass, Rain Lily, Scilla, Watsonia. Purchase Tulip, Crocus, daffodil and hyacinth bulbs for chilling.

VEGETABLES: Early to Mid Month: Arugula, Broccoli, Cabbage, Cauliflower, Chinese Cabbage, Collard Greens, and Kohlrabi.

Mid to Late Month: Carrot, Endive,

Lettuce, Spinach, and Turnip.

HERBS: Borage, Burnet, Caraway, Catnip, Celeriac, Chamomile, Chervil, Chives, Comfrey, Coriander, Cumin, Dill, Fennel, Fenugreek, Lemon Balm, Mexican Mint Marigold, Mint, Oregano, Parsley, Rosemary, Sage, Santolina, Winter Savory, Sorrel, Thyme, Yarrow.

FRUIT: Strawberries.

FERTILIZE: Fertilize existing beds of iris with well-rotted manure or balanced fertilizer. Reduce houseplant fertilizer by 1/2 for winter.

PREPARE SOIL: Mulch ginger and other tropicals that overwinter outdoors to retain warmth and moisture and to control weeds. Falling leaves make autumn a good time to start a compost pile. Shred (or mow) leaves to speed decomposition. Turn compost pile periodically and keep it moist.

LAWN CARE: Fertilize with 3-1-2-ratio fertilizer. In newly plugged lawns, sow 8 lbs. of ryegrass per 1000 sq. ft., to help hold soil. The seed grass will make a bright green carpet until spring, when hot weather will kill rye. Not recommended for established lawns. Mow every 5-7 days and leave the clippings on the lawn.

DISEASES/PESTS TO LOOK FOR: Check for cabbage loopers in the garden; spray with Bacillus thuringiensis (Bt). Make second treatment for brown patch on lawns with a history of the disease.

PRUNE: Prune shrubs as needed, but save major pruning for the winter. Remove dead and damaged wood from shrubs and trees. Make cuttings of tender plants before frost.

Allen American Official Town Newspaper

At the September 2nd regular Town Council meeting, Council approved a resolution designating the Allen American as the official newspaper for the Town of Fairview.

The McKinney Courier Gazette was previously designated as the official newspaper. It was determined that more Fairview residents receive the Allen American than the McKinney Courier Gazette. **The resolution has an effective date of October 1, 2014.**

The town posts notices for public hearings and passed ordinances in the designated newspaper.

Remembering Phil Bradley

Phil D. Bradley was a dedicated Fire Fighter/Engineer who unfortunately was taken from us far too early on June 24th of this year. Phil served the citizens of Fairview as a Firefighter/Fire Engineer from 1992 to 2004.

In those 12 years, Phil contributed to the growth and development of Fairview Fire Rescue from a group of dedicated volunteers to the beginnings of what our department has become today, a combination department comprised of paid and part-time firefighters and, yes, a group of dedicated volunteers who provide professional emergency services to the citizens of Fairview.

Phil was not a resident of Fairview, yet he cared deeply for our citizens, our fire department and his fellow firefighters. Phil gave of his time and his many talents putting in long hours, not only responding to emergency calls but in training exercises, department meetings, public relations events and contributing to the many projects we always had underway.

In consideration of Phil's many years of dedication to the Town of Fairview, the Mayor and Council have designated the week of October 5 to 11, 2014 as Phil D. Bradley week.

Dick Price
Chief - Fairview Fire Rescue

Proclamation

"PHIL D. BRADLEY WEEK"

- Whereas,* the citizens of The Town of Fairview have been saddened by the death of Phil D. Bradley, an honored and respected firefighter/engineer of Fairview Fire Rescue from 1992 to 2004, and
- Whereas,* he was a very capable, honest, energetic and trustworthy volunteer, respected by all, and faithful in the performance of his duties, and
- Whereas,* we mourn the loss and extend to his family our sincere sympathy in this time of their bereavement, and
- Whereas,* firefighters and emergency services personnel play an essential role in the protection of lives and property in our local community, and
- Whereas,* it is of major importance that we increase our efforts to reduce deaths, injuries, and property losses from fire, and
- Whereas,* the late Fire Engineer Phil D. Bradley served the Town of Fairview, Texas for over 12 years as Fairview Fire Unit # 808, and
- Whereas,* the Town of Fairview acknowledges and appreciates Fire Engineer Bradley's hard work and dedication and in conjunction with the annual National Fire Prevention Week recognition,

NOW, THEREFORE, I, Darion Culbertson, MAYOR OF THE TOWN OF FAIRVIEW, TEXAS, do hereby proclaim October 5th to 11th, 2014 as "Phil D. Bradley Week" in the Town of Fairview in honor of his contributions to our community and as an expression of sympathy of the deceased.

Darion Culbertson, Mayor
Town of Fairview, Texas

Gus Macker 3-on-3 Basketball Tournament

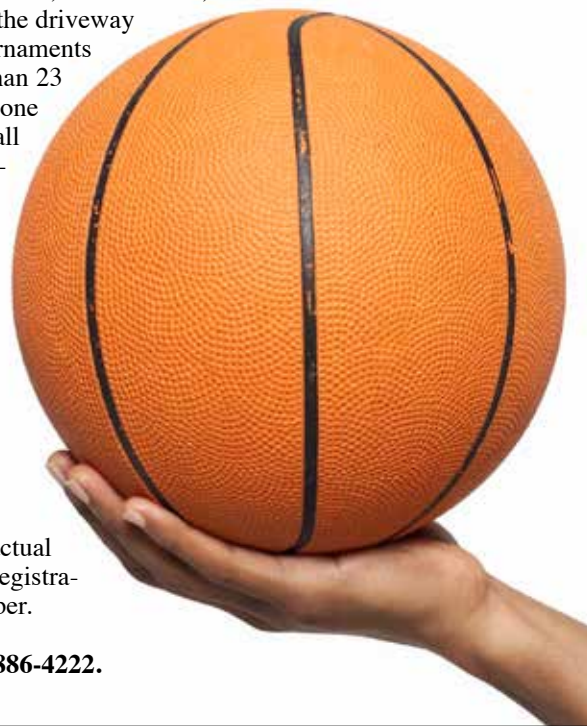

On the weekend of April 17-19, 2015, Fairview will host a Gus Macker 3-on-3 Basketball Tournament in The Village at Fairview. The Original Gus Macker 3-on-3 Basketball Tournament was started in 1974 by Scott McNeal (alias Gus Macker) on his parents' driveway basketball court in Lowell, Michigan. It started with 18 friends playing competitively for \$18.

The Macker Tournament is designed so that anyone can play: male or female, young and old, short and tall, the most experienced or no experience at all. This maintains the purity and integrity of the driveway game. Since 1987, the Macker Tournament has expanded, holding a total of 972 tournaments with over 2.2 million players – male and female from 7 years old to 50+ – and more than 23 million spectators. Teams are computer-matched into male and female divisions within one of the following categories: Junior, Adult, or Top. The age, height and experience of all four players are considered. Teams receive at least three scheduled games each tournament. The Macker Tournament is a double elimination tournament with a consolation bracket, the "Toilet Bowl", for teams losing their first two games.

The Macker Tournament has grown to national prominence, but is still run in a hometown, friendly manner. Teams of various age, size, and talent levels pay a team registration fee for the opportunity to compete against other teams of similar make-up and the chance to win top-quality trophies. By prohibiting alcohol or tobacco-related sponsors, the Macker Tournament has maintained the wholesome nature and pure fun of the event which draws players, spectators, and media wherever it is held. It has grown due to the simple essence of the event, as originally established in Scott McNeal's parents' driveway.

The Fairview event will consist of a corporate day on Friday, April 17, 2015 with the actual tournament starting the morning of Saturday, April 18, 2015. Gus Macker handles all registrations, and they anticipate opening registration for the 2015 season sometime in November.

For more information, contact Ray Dunlap at rdunlap@fairviewtexas.org or 972-886-4222.

1872 Arched Stone Railroad Bridge

By Lindy Fisher

The Houston & Texas Central Railroad Bridge over Sloan Creek is on the National Register of Historic Places and is very impressive. Awesome is a better word for it. David Petefish, from the early Fairview Petefish family, discovered this historic bridge while checking for erosion before buying the adjacent property downstream. It is 27 feet tall and made of large stones, just the same as the Allen Station Dam on Exchange Parkway in Allen, which is also on the National Register. It is lined with brick inside the tunnel for Sloan Creek to traverse under the railroad tracks, and it has the same stone wingwalls on either side of the creek.

The first train ever to travel across Texas was the Houston & Texas Central, built after the Civil War was over. This brought prosperity to the region and allowed the heavy cotton bales and other crops to be transported to markets up north and on to Europe. Before the train came, the farmers could not get their crops to market except by wagons to the steamboat landings at Jefferson, near Louisiana. These wagons had to travel on the dirt roads and cross every stream by ferry boat if it was a large river and by fording the creek if it was a smaller creek. During rainy periods, the wagons just had to sit and wait for the water to go down before they could continue. This could take days sometimes.

Later, the Interurban, which was the electric train that serviced this area, traveled just to the west of the railroad on somewhat smaller tracks. It

stopped service in 1948 and two of these cement abutments are still in place near this old bridge. This historic district includes these interurban abutments, some of the interurban grade and the site of an early railroad section house with the cistern. However, the cistern was later destroyed by a construction crew when they put in a new pipeline along Murray Creek.

The remnants of Club Lake Dam and the old Bush Springs Recreational Pool dam can be spotted littering down the creek along with some cement erosion terraces that apparently did not stop the erosion. Trolley Lake Dam, which was built during the Works Progress Administration in the 1930s, is still intact and is included in this district on Murray Creek. This dam is about 30 feet tall and is built like a row of staggered rocks with the cool, clear spring water swirling around it. This was the local spot for taking a Sunday drive and for having a cool spot for entertaining. Bush Springs had modern outdoor electric lights and the cement mounting for the poles are still in place.

North Texas Municipal Water District – Critical Water Supply Trifecta

The North Texas Municipal Water District (NTMWD) is a wholesale water provider serving over 1.6 million customers within the 13 Member Cities and 33 Customers in the North Texas region. The Town of Fairview is one of the 33 Customers.

The critical factors affecting the NTMWD's water supply can be summed up into three categories:

- Denied Access – loss of 28% of the water supply due to invasive species
- Long-term Drought – Lavon Lake and Jim Chapman Lake were roughly 50% full as of July 2014
- Regional Growth – NTMWD's growth in the region has increased by 100% in the last 20 years

Since 2009, NTMWD has been denied access to 28% of its total raw water supply from Lake Texoma due to the presence of zebra mussels. This has caused NTMWD to withdraw more of its water supply from Lavon Lake. NTMWD is now able to restore the Lake Texoma water supply after receiving several exceptions to the Lacey Act, a Federal Environmental Protection Law which provides criminal prosecution for knowingly transferring invasive species across state boundary lines. One of the exceptions to the Lacey Act allowed NTMWD to restore pumping of 28% of NTMWD's total water supply with the completion of a pipeline extension project. This \$306 million pipeline extension of approximately 46 miles extends from the outfall of the existing Lake Texoma pipeline to the Wylie Water Treatment Plants, located in Wylie, Texas. The pipeline extension project was placed online in May of 2014.

The National Oceanic and Atmospheric Administration (NOAA) predicts the drought affecting Lavon Lake and Jim Chapman Lake will continue and likely worsen through the end of this year. In order to extend resources, the NTMWD has implemented its Drought Contingency/Water Emergency Response Plan. All of the NTMWD Member Cities and Customers have implemented Stage 3 water restrictions in compliance with the water management strategies established by the NTMWD Board of Directors.

Year	Population Served
1956	32,000
1961	60,000
1974	200,000
1994	800,000
2014	1,600,000
2070	3,730,000

The NTMWD has seen substantial growth in the region since its creation in 1956. As you can see in the chart above, the growth in the region has increased by 100% in the past twenty years. A long-term water plan has been created in order to address the current and future water needs of the region.

To learn more about NTMWD water plans, please visit www.ntmwd.com.

Locally owned and operated since 1981

HALLOWEEN SAFETY TIPS

Child Safety

- Never eat any treats until they are examined by an adult at your home.
- Never Trick-or-Treat alone. Go with friends or a parent.
- Never enter the house or car of a stranger.
- Always Trick-or-Treat before dark.
- Trick-or-Treat in your own neighborhood, and visit houses that you know.
- Stay on streets that are well lit, and cross the street at corners.
- Never run across the street and ALWAYS look both ways before crossing.
- Never take short cuts through backyards, alleys or parks.
- Carry a flashlight so you can see hazards, and wear reflective tape so drivers can see you.
- Only Trick-or-Treat at houses that are well lit and that have a porch light on.
- Never carve pumpkins. Children can draw a face with markers, but only adults should do the cutting.

Adult Safety

- Only buy flame resistant costumes, wigs, masks, etc., for you and your children.
- Only buy accessories like knives and

swords that are made of soft, flexible materials.

- Welcome Trick-or-Treaters by turning your porch light on.
- Candlelit Jack O'Lanterns should be kept clear of doorsteps and walk paths.
- Consider using flashlights to light up your Jack O'Lanterns, instead of candles.
- Keep pets away from the door so children don't become frightened.
- Set a time limit for your children to Trick-or-Treat and designate a specific route.
- Feed children before they go, so they will be less likely to eat the treats before getting home.
- Carefully inspect all treats before allowing young children to start eating them.
- Use extreme caution when driving children around. Watch out for children walking in roadways or darting across the street.
- Backing vehicles account for a number of injuries on Halloween, so back up carefully.

Pet Safety

- Don't leave pets outside on Hallow-

een. Think teens and pranks.

- Chocolate, tin foil and/or candy wrappers can be very harmful or toxic to some pets.
- Pets may knock over lit candles and pumpkins and start fires or get burned.
- Dressing pets in costumes can cause stress.
- Keep pets in a separate room from where Trick-or-Treaters will visit.
- Pets can be unpredictable around people dressed in costumes. Someone could get bitten.
- Pets may run to the door or dart out the door when Trick-or-Treaters come knocking.
- Walk your dog before the Trick-or-Treaters come out to avoid accidental encounters.

Common sense, caution and adult supervision can help make your Halloween a safe one!

Fairview Police Department

The Heard Natural Science Museum & Wildlife Sanctuary will host a family-friendly Halloween event on October 18th from 6 p.m. to

8th Annual *Halloween at the Heard*

10 p.m. *Halloween at the Heard* features a safe environment to experience the joy of trick-or-treating along the eerie *Dinosaurs Live! Live-Size Animatronic Dinosaurs* trail.

Families will enjoy an evening full of fun activities including a presentation of a movie on the Heard's outdoor amphitheater stage. Kids ages 12 and under will also have the opportunity to participate in a costume contest. The Heard recommends that guests bring insect repellent, flashlights, water-resistant blankets and/or stadium seats for use during the movie. Concessions will be available for purchase, and guests may also bring their own picnic dinner and non-alcoholic beverages. Trick-or-treat

bags and other giveaways will be available while supplies last.

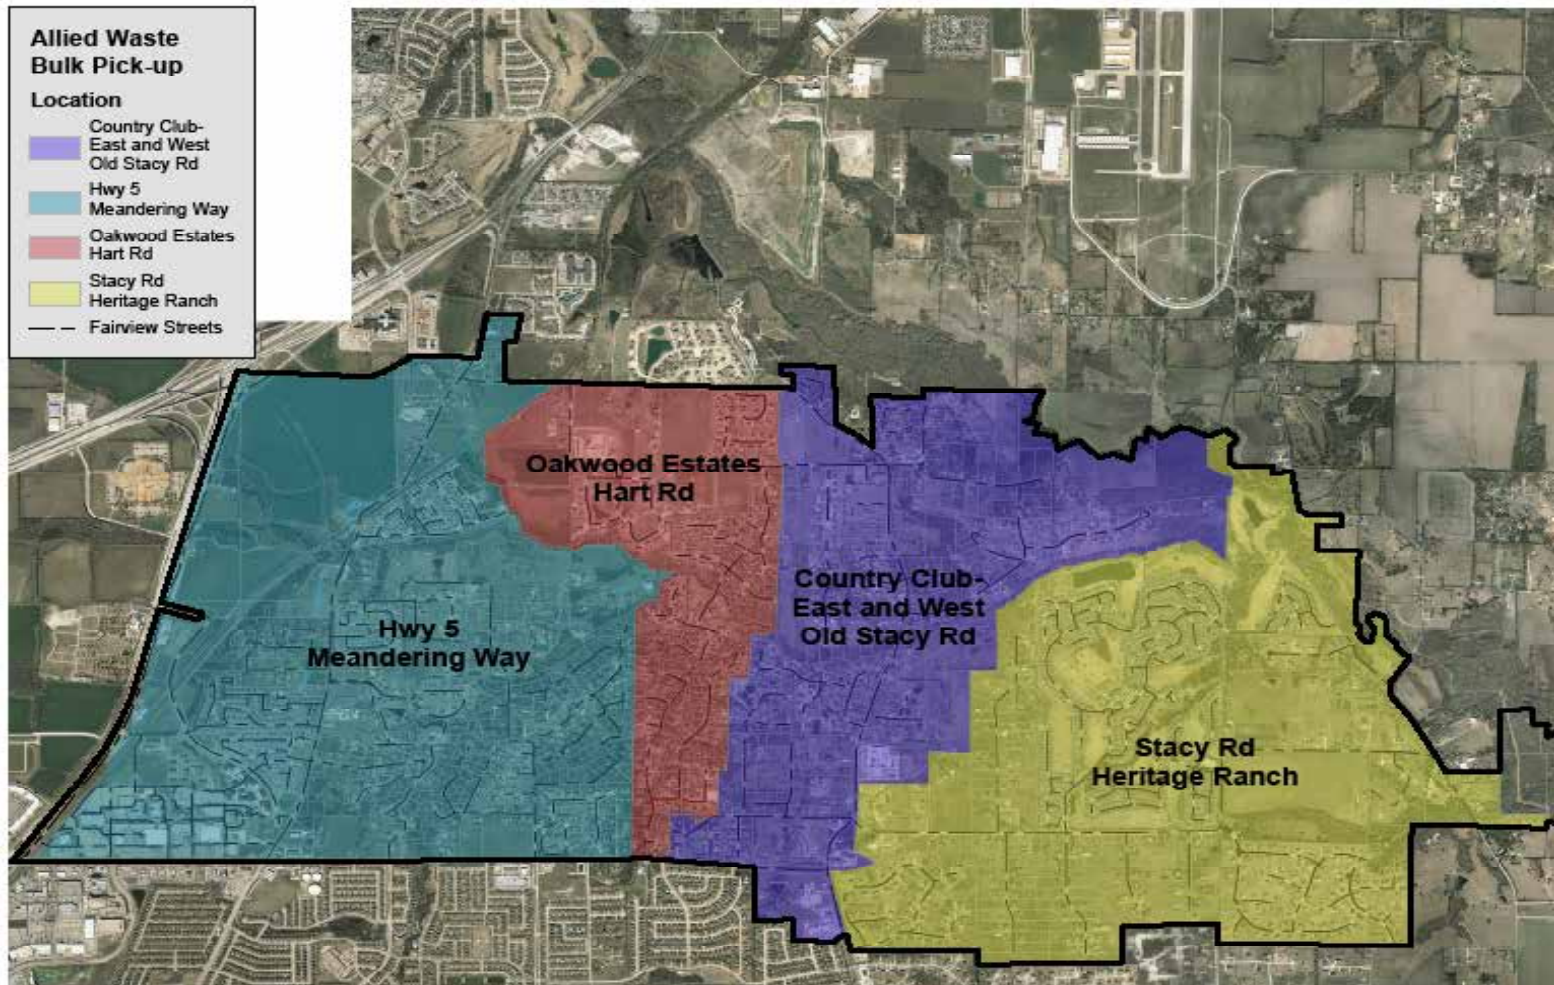

Those who dare will be able take a trail detour after the movie through the "Haunted Forest" and "Ghost Town" where they may encounter a ghost or creature of the night!

Tickets will be available to the public beginning October 1st. Tickets for this annual event have sold out each year, so the Heard encourages guests to purchase theirs as soon as possible. Admission to this event is \$15 for adults, \$10 for children ages 3-12, and free for children ages 2 and under. Please visit www.heardmuseum.org for more information.
