MESSAGE FROM THE MAYOR

HENRY LESSNER

Hello Fairview!

I hope that you are enjoying your summer.

I was out this morning placing flags for the Fairview Rotary Club. The Fairview Rotary Club and the Friends of the Fairview Fire Department have a joint subscription service where we place a flag in your yard seven times a year. It looks awesome when I drive around and see a whole street lined with America flags! If you are interested in participating, here is where you can go to sign up: <https://app.helpingwithflags.com/fairviewrotary>

Here are a couple of things going on around Town.

Trail Projects

There are two trail projects that will be coming soon. Both projects are funded 50/50 between the Town and the County. Our Public Works Department will be doing the actual construction.

The two locations are:

- Along Country Club connecting Apple's Crossing with Stoddard Road.
- Along Country Club connecting the entrance to the Summer Hill Farms neighborhood to Stacy.

As we are able to get grants and/or include the trails with new developments, we continue to work to build out the trail system all across our trail.

Budget and Tax Rate

The Council continues to discuss these items. As I write this on July 1, it is still too early to say what the outcome will be. We have discussed freezing taxes for those over 65, increasing exemptions, and the needs of our Town. We have several meetings scheduled for July and August working towards a decision in early September.

Peanut Butter Contest

We will be participating in the North Texas Food Bank peanut butter contest again this year.

Breakfast with the Mayor

Come have breakfast with me at the Fairview Farmer restaurant every second and fourth Monday at 8am.

I thank God that I was fortunate to be born in the United States of America and to be able to live in such a nice place as Fairview. Remember those who aren't so fortunate whether they are in the Ukraine, Honduras, or down the street. Financially support those who help others (Matthew 25:31-46). We have Fairview residents who are leaders with: All Community OutReach, the Veterans Center of North Texas, the North Texas Food Bank, and Treasured Vessels. I am sure that your church also has missions that support the poor and hungry. Give generously.

I will see you around Town.

HOMETOWN OPPORTUNITIES

The Offices at Fairview Town Center 195 Murray Farm Rd

98,772 SF of 4-Star Office Space Available in Fairview, TX

More than ever, most of us are eager to leave the Pandemic in the rearview mirror and throw ourselves full steam ahead into the new normal, whatever that may be for 2023. But remember, hindsight is 2020, and as crazy as the past couple of years have been, it is sure to hold some valuable lessons that could light the path to a brighter future.

For example, are your employees looking for that 15-minute lifestyle? Now they can get that walkable, amenitized life right here in Fairview. Lincoln Property Company built a new 4-star Office Space in the Fairview Town Center. The Offices at Fairview Town Center located at 195 Murray Farm Rd offers over 98,000 sf of prime office space steps away from all the retail amenities of the shopping center.

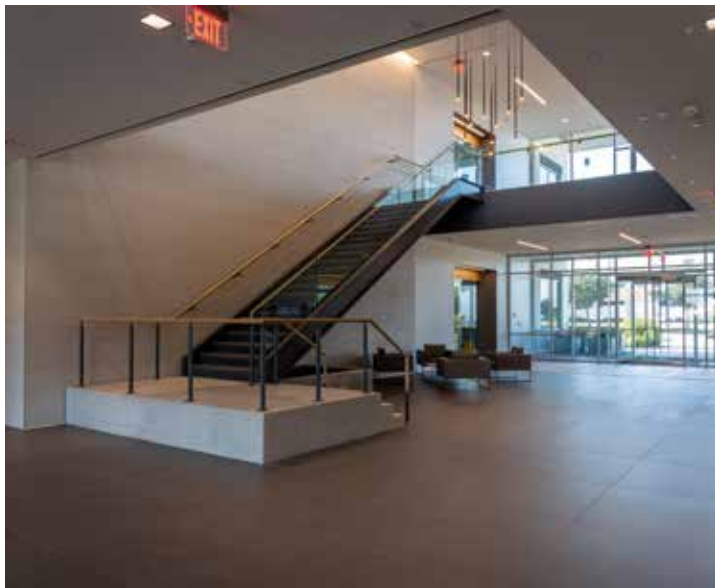

Many of us had our eyes opened over the last two years regarding the amount of time and energy spent on our commute to and from the office — and what we were missing

in the process. Working from home certainly has its challenges, but maybe this experience taught us that spending more time with our families and less in traffic is a permanent change worth making in our busy lives. But how?

How about trading that stress-inducing daily commute for a new office just minutes from home? Fairview-area business owners can take advantage of the new Office building near North Central Expressway and State Highway 121. This beautiful two-story building offers design-build layouts divisible to 5,000 square feet and an excellent 5.54/1000 parking ratio.

Developed by the highly regarded Lincoln Property Company, the office center features a common area amenity deck and outdoor pavilion. Quality restaurants, retailers, service businesses, hotels, entertainment, fitness centers, and even a Whole Foods Market are all within a short walking distance.

This new office space will allow local business owners to bring their workplace closer to home, giving them precious time with

their loved ones — not to mention sharing that same gift of personal time with their employees in Collin County. It's ideal for companies that want to locate near their workforce at a fraction of the cost of an urban site, minus the commute.

The Pandemic of 2020 also showed us the value of a workplace with more physical distance and less reliance on crowded elevators, parking garages, and public transportation. Fairview, Texas, offers solutions to many of today's workforce demands, which have changed considerably in the past year.

In addition to the new Fairview Office Center, several spaces of various sizes are available within Fairview Town Center, as are select sites for ground-up development in the community's

Commercial Planned Development District along US Hwy 75.

Now is the perfect time to contact "Super" Dave Quinn at 972-886-4222 for details on your business's bright future in Fairview. Scan the QR code for more details.

When it comes to your to-do list, put your future first.

To find out how to get your financial goals on track, contact us for a complimentary review.

MAKING SENSE OF INVESTING

HEARD HAPPENINGS

Back-to-School Time Fun at the Heard Museum

Soon, lush, verdant summer leaves will turn gold and copper. But before this happens, your children will enjoy their first weeks of school. You may have fond memories of your parents taking you on a tour of your new school and scheduling your extracurricular activities for the year. Now is the time to ensure that your child has an educational yet enjoyable and memorable school year!

The Heard Natural Science Museum & Wildlife Sanctuary offers valuable educational experiences year-round. Exhibits and nature trails are just a few of the activities you and your child can experience at the Heard. *The Native Texas Butterfly House and Garden* will be open through October 2. You'll be able to walk among free-flying native butterflies and other pollinators.

By popular demand, *Dinosaurs Live! Life-size Animatronic Dinosaurs* will also return from September 3, 2022, through February 20, 2023, for you and your family to enjoy!

Perhaps you homeschool your children and are looking for ways to broaden their home education experience, or maybe your children are just not quite old enough to head off to school. The Heard Natural Science Museum also has programs to encourage their love of nature. The Heard's

Homeschool Natural Science Program and Preschool Nature Explorers offer children the opportunity to be engaged in hands-on learning experiences that promote a connection to nature. Homeschoolers will experience learning through classroom activities, outdoor field investigations, laboratory science, small group activities, and take-home study packets.

If you are a teacher, you may even be planning the curriculum for the children in your classroom. Field trips at the Heard Natural Science Museum & Wildlife Sanctuary offer opportunities for your students to participate in guided trails, live animal presentations, science labs, and indoor and outdoor museum exhibits. You can select the activities that are appropriate for your classroom.

Reconnect with nature. The Heard's 289-

HEARD HAPPENINGS

acre wildlife sanctuary is an oasis within the rapidly developing North Texas area. As you walk the nature trails, you will plunge into an endless variation of nature's sights, sounds, colors, textures, and patterns. You may also encounter various species of birds, insects, and animals.

You can also experience the beauty of the Heard's native plant garden, where you will see a wondrous display of trees, shrubs, grasses, vines, ground covers, and perennials native to the Lone Star State.

Make your special occasions extraordinary this fall. The Heard creates a memorable experience for birthday parties, weddings, group functions, and more!

Also, check out the Heard Ropes Course—an excellent activity for individuals, families, or organizations—available by reservation. Trust, communication, team building, and leadership are just a few of the skills your group will focus on at the Heard Ropes Course.

There are many more fun activities scheduled for this fall. Learn more by visiting the Heard's website at heardmuseum.org or call 972-562-5566 today. When searching for affordable, fun, and educational programs

and opportunities to explore nature, look no further than the Heard!

About Heard Natural Science Museum & Wildlife Sanctuary

Heard Natural Science Museum & Wildlife Sanctuary is a private 501(c)3 nonprofit organization. It depends on volunteers, admissions, memberships, donations, and grants to fulfill its mission to bring nature and people together. The Heard was founded in 1967 by Bessie Heard when she was 80 years old. Throughout her life, she witnessed the expansion of the Metroplex and foresaw the need to preserve a place where future generations could experience nature. Today, the Heard's mission is carried out through education, particularly of young people. Heard Natural Science Museum & Wildlife Sanctuary is located at 1 Nature Place, McKinney, TX 75069. For more information, visit heardmuseum.org.

BACK TO SCHOOL SAFETY

It's August which means the kids are going back to school. And, with that comes kids riding busses, riding their bikes and walking to school along with parents trying to get kids dropped off before the bell rings. And, it's never more important for drivers to slow down and pay attention than when kids are present; especially before and after school. A few precautions go a long way toward keeping children safe.

Sharing the Road with Young Children

- When at a red light or waiting to make a turn don't block the crosswalk. This forces pedestrians to go around you and could put them in the path of moving traffic.
- In a school zone when flashers are blinking, stop and yield to pedestrians crossing the crosswalk or intersection.
- Always stop for a school patrol officer or crossing guard holding up a stop sign.
- Take extra care to look out for children in school zones, near playgrounds and parks, and in all residential areas.
- Don't honk or rev your engine to scare a pedestrian, even if you have the right of way.
- Never pass a vehicle stopped for pedestrians.
- Always use extreme caution to avoid striking pedestrians wherever they may be, no matter who has the right of way.

Sharing the Road with Bicyclists

- Bikes can be hard to see and children riding bikes create special problems for drivers because usually they are not able to properly determine traffic conditions.
- When passing a bicyclist, proceed in the same direction slowly, and leave 3 feet between your car and the cyclist.
- When turning left and a bicyclist is approaching in the opposite direction, wait for the rider to pass.
- If you're turning right and a bicyclist is approaching from behind on the right, let the rider go through the

intersection first, and always use your turn signals.

- Watch for bike riders turning in front of you without looking or signaling; children especially have a tendency to do this.
- Be extra vigilant in school zones and residential neighborhoods.
- Watch for bikes coming from driveways or behind parked cars.
- Check side mirrors before opening your door.

Sharing the Road with School Buses

- It is illegal in all 50 states to pass a school bus that is stopped to load or unload children.
- Never pass a bus from behind – or from either direction if you're on an undivided road – if it is stopped to load or unload children.
- If the yellow or red lights are flashing and the stop arm is extended, traffic must stop.
- The area 10 feet around a school bus is the most dangerous for children; stop far enough back to allow them space to safely enter and exit the bus.
- Be alert; children often are unpredictable, and they tend to ignore hazards and take risks.

Taking these tips into consideration when driving around town will create a more safe and secure environment for everyone.

COUNCIL'S CORNER

At the Tuesday, June 7, 2022, Regular Town Council meeting, the Town Council discussed the following items:

- Appointments:
 - » Discussed and appointed Mayor Pro Tem
 - » Dr. Rick McDaniel provided an overview of the McKinney ISD
- Approved the following items on the consent agenda:
 - » Approve the minutes of the April 19, 2022 Joint Council PZ meeting.
 - » Approve the minutes of the May 3, 2022 Regular Council meeting.
 - » Approve the minutes of the May 24, 2022 Council Work Session.
 - » Approve resolution suspending the June 17, 2022 effective date of Oncor Electric Delivery Company's requested rate change.
 - » Adopt resolution approving an Estoppel and Consent to a Pledge and Collateral Assignment of Economic Incentives regarding Economic Development Agreement with The Village at Fairview LP.
 - » Approve a resolution authorizing the Town Manager to apply for a Collin County Parks and Open Space grant.
- Received reports from Staff, including any updates on project tracking reports and department activities
 - » Monthly Financial Report – Period ending April 30, 2022
 - » Monthly Police Report – Period Ending May 31, 2022
 - » Monthly Fire Report – Period Ending May 31, 2022
 - » Town construction projects

- Heard, discussed and approved a request of a Final Plat of Pinnacle Estates Addition. The 44.1-acre tract of land is located on the north side of East Stacy Road, east of Heritage Ranch and is zoned for the (RE-2) Two-acre Ranch Estate District. Applicant: Warren Corwin, Corwin Engineering representing owner JA Pinnacle Development, LLC Discussed draft language for possible changes to town zoning regulations applicable to residential sport courts and other related matters.
- Discussed FY22-23 budget process including consideration of an ordinance related to changes to tax exemptions for the FY22-23 budget year, any related budget matters, and take any necessary action.
- Discussed and approved authorizing the submission of a COPS grant
- Discussed COVID-19 activities and actions.
- Discussed Boards & Commissions

At the Thursday, June 16, 2022, Special Town Council work session, the Town Council discussed the following items:

- Discussion on FY22-23 budget process including consideration of an ordinance related to changes to tax exemptions for the FY22-23 budget year, capital projects including drainage projects, any related budget matters, and take any necessary action.

Critter Club 2022 at the Fairview Town Center

Saturdays • September 17 - November 5
11:00 AM - 12:00 PM

The Park at Fairview Town Center
239 Town Place Fairview, TX, 75069

Critter Club is back this Fall – a series of eight **FREE** Saturday events that invite guests** to come to FTC to learn about and interact with some unique animals, including:

- 9/17 - Spider Monkey
- 10/15 - Asian Leopard Cat
- 9/24 - Groundhog
- 10/22 - Skinny Pig
- 10/1 - Kangaroo
- 10/29 - Tegu
- 10/8 - Arctic Hare
- 11/5 - Porcupine

This is the planned schedule for the animal visits. Please understand that these are live animals and that it may be necessary to change the schedule if our animal friends are not feeling up to a visit that day.

Each event will start with educational content about the animal featured, including the opportunity for children to ask questions about the animal. Children will then have the opportunity to meet the animal, and in some cases feed the animal.** Guests are welcome to take photos with their cell phone or personal cameras.

There will also be a special face paint design*** each week to reflect that week's animal friend, an activity sheet for each week and the opportunity to enter to win fun prizes. Bring your lawn chairs and blankets (no shade structures please).

Depending on attendance, participants may be divided in to groups and each group assigned to an activity in a specific order. Various color tickets would be used to do so. Please follow staff directions regarding which activity your family should be participating in first and stay with your assigned group. Families should plan to go through the animal visit line together rather than getting in line multiple times with individual children. **LATECOMERS: PLEASE UNDERSTAND THAT IF YOU ARRIVE AFTER 11:45 AM, YOU MAY NOT BE ABLE TO VISIT WITH THE ANIMAL.**

IMPORTANT: Please do not bring any food or beverages with a strong smell to these events. Many of these animals have a keen sense of smell and food can distract them.

*The events will happen rain or shine. In the event of inclement weather, the events will either be held up against the building under cover or be held indoors at 132 Town Place.

**These events are recommended for children ages 3-12. All children must be accompanied by a parent or guardian.

*** Only face paint designs of the week's specific animal will be available.

Texins Jazz Band

STEM—Science, Technology, Engineering, and Math—plus the Arts can equal Magic when the Texins Jazz Band takes the stage.

Formerly The Texas Instruments Jazz Band, the majority of band members have STEM-based degrees and careers. These talented musicians have performed at Artfest, Montage, The Meyerson Symphony Center and The Starplex Amphitheater.

The 18-piece Texins Jazz Band presents a free concert at 7:30 p.m. Friday, August 19, at the Allen Public Library. It will be of-

fered both **in person** and **virtual** at allentx.swagit.com

The band is under the musical direction of Bill Centera, a Texas public high school teacher since 1983. Under his direction, his award-winning school bands were consistent UIL Sweepstakes winners and recognized for musical excellence.

Swinganova Jazz Ensemble

Swinganova Jazz Ensemble presents a free concert at 7:30 p.m. Friday, August 26, at the Allen Public Library. This program will be offered in person as well as virtually at allentx.swagit.com

Unapologetically passionate, the Dallas-based Swinganova Jazz Ensemble offers a thrilling Big Band sound for its fans. In their repertoire are tunes from Count Basie, Duke Ellington, and Cab Calloway, along with a host of others, including *April in Paris*, *Fly Me to the Moon*, and *Days of Wine*

and Roses. The group has performed at Dallas Arboretum, Cavanaugh Flight Museum and Jubilee Park Community Center.

All programs are free and live events at the Allen Public Library. In addition, concerts and lectures are offered virtually at Allentx.Swagit.com. The library is located at 300 N. Allen Dr. Call 214-509-4911 for additional information.

OUR HOMES ARE IN **HIGH** DEMAND RIGHT NOW!

BOARDS AND COMMISSIONS

INTERESTED IN GETTING INVOLVED IN SERVING YOUR COMMUNITY?

Every year, dozens of Town residents volunteer their time and talents by serving on a Town Board, Commission or Committee. The Town utilizes these citizen run Boards and Commissions to ensure public input and participation in the setting of policy and in the Town's decision-making processes.

Find the *Application to Serve* at FairviewTexas.org by selecting "Boards and Commissions" from the "Government" dropdown. The Town Council reviews all applications and votes on all board appointments and reappointments. Boards and Commission renewals and replacements occur every summer, so residents are encouraged to apply to be members of any of our many boards and commissions. To be eligible, individuals must be a registered voter in the Town, may not be in arrears on property taxes and must complete an *Application to Serve*. Completed *Applications to Serve* should be emailed to the Town Secretary at TownSecretary@FairviewTexas.org.

PLANNING AND ZONING COMMISSION

The Planning and Zoning Commission is comprised of seven Commissioners. It is the Planning and Zoning Commission's duty to make and recommend a master plan, as a whole or in parts, for the future development and redevelopment of the town. The Commission hears, recommends and determines matters related to zoning, platting and subdivision control as specified or required by town ordinance, charter and state law. The Commission meets monthly in the Town Hall Council Chambers on the second Thursday of the month.

TECHNOLOGY ADVISORY COMMITTEE

The Technology Advisory Committee is comprised of seven committee members. The Technology Committee investigates opportunities to provide more efficient and effective technology outlets for the Town and its residents. This Committee typically meets on the second Monday of the month in the Fire Station #2 Community Room.

PARKS AND RECREATION ADVISORY BOARD

The Parks and Recreation Advisory Board is comprised of seven board members. This Board acts in an advisory capacity in all matters pertaining to Parks and Recreation, including present and future maintenance, operation, planning, acquisition, development, enlargement as well as use policies of the Town Parks and Recreation services. This Board meets as needed.

ECONOMIC DEVELOPMENT (EDC) AND COMMUNITY DEVELOPMENT CORPORATION (CDC) BOARD OF DIRECTORS

The EDC and CDC Board of Directors are comprised of seven board members, with each member serving on both the EDC and CDC board. The EDC Board of Directors is responsible for promoting the economic growth and diversification in the Town of Fairview as well as for overseeing the half-penny sales tax collected for this purpose. The CDC Board of Directors is responsible for promoting the community through infrastructure construction projects funded through the half-penny sales tax collected for this purpose. The EDC/CDC Board typically meets monthly in the Town Hall Council Chambers on the third Wednesday of the month.

ZONING BOARD OF ADJUSTMENT

The Zoning Board of Adjustment (ZBA) is comprised of Board Members and Alternates. The ZBA makes decisions on appeals and requests for variances to the Town's ordinances. This Board meets as needed.

PUBLIC ART COMMITTEE

The Public Art Committee is comprised of five Committee Members. The Public Art Committee is responsible for administering the Town's public art program and organizing the Town of Fairview Art Show. This Committee meets as needed.

Do you know this neighbor?

You could if you listened to ***Getting Neighborly***, a podcast launched by the Fairview Economic Development Corporation. Each show focuses on sharing what makes our town a community; the people.

Our guests are varied, including nonprofit founders, CEOs, small business owners, and others doing exciting things to make a difference in our world. But, the one thing they all have in common is their love of Fairview. Join us in Getting Neighborly in Fairview, Texas. www.GettingNeighborly.com

Texas Department of Transportation upcoming projects

TxDOT has a couple of roadway improvements planned for Fairview this Fall. Starting in September, the old Ridgeview Overpass will be torn down and rebuilt for a new 4-lane overpass. This overpass will connect the extension of Ridgeview Road in Allen over to Fairview Pkwy. It will have elevated frontage road lanes like Parker Road in Plano.

TxDOT is also making some safety improvements to FM1378 from Stacy Rd to SH5 starting on October. They are adding 3 ft wide safety shoulders and making some drainage improvements associated with the shoulder extensions. At the town's request, they will also be adding turning lanes for the Lovejoy Middle School and the Hart Rd/Red Oak Trail intersections. Next year, they approved a traffic signal at Stoddard Rd and FM1378, also at the town's request.

Current Road

Planned Road

Fairview upcoming projects

Fairview is completing the design of a 4-lane extension of FM1378 at SH5 over to SH121, including a Medical Center Drive connection. This Roadway will begin this Fall and part of the funding for this project comes from a Federal EDA grant in the amount of \$3,000,000 which the town submitted for and was successfully awarded.

Hart Road is under design at this time to replace the narrow asphalt road with a 26 ft wide concrete pavement, including some drainage improvements and a hike/bike trail along the North side. Funding sources are currently under consideration.

After 45 years in residential home sales, volume isn't as important as offering quality care for each buyer and seller with all their housing needs.

Fairview Youth Theatre

Fairview announces auditions for actors in grades 3-12

NTPA - Fairview is excited to announce two exciting upcoming audition opportunities for students this August! Full details about these and upcoming programs can be found at ntpa.org/fairview.

Young Frankenstein

Young Frankenstein, the Mel Brooks Musical tells the story of the grandson of the infamous Victor Frankenstein, who inherits his family's estate in Transylvania. With the help of a hunchbacked sidekick and a leggy lab assistant, Frederick finds himself in the mad scientist shoes

of his ancestors. "It's alive!" he exclaims as he brings to life a creature to rival his grandfather's. Eventually, of course, the monster escapes and hilarity continuously abounds.

Auditions are open to students in grades 9-12 with audition submissions due by August 15. The show will rehearse and perform at Fairview Youth Theatre with performances October 28-November 5.

Shrek the Musical JR

Beauty is in the eye of the ogre in Shrek The Musical JR., based on the Oscar-win-

ning film and fantastic Broadway musical. It's a "big bright beautiful world" as everyone's favorite ogre, Shrek, leads a cast of fairy-tale misfits on

an adventure to rescue a princess and find true acceptance. Part romance and part twisted fairy tale, Shrek JR. is an irreverently fun show with a powerful message for the whole family.

Auditions are open to students in grades 3-9 with audition submissions due by August 15. The show will rehearse and perform at Fairview Youth Theatre with performances November 11-19.

ACTOR OF FAIRVIEW: **Tabor**

Tabor is 17 years old and will be a senior this fall. He started in musical theatre while in 6th grade. "I have always been drawn to music and I decided to give my school musical a try and I really liked it. I loved being surrounded with a community of people where you could just be yourself and no one would judge you because we're all here for one purpose, and that's to tell a story, and create art. I started doing Fairview Youth Theatre shows thanks to some friends that did shows at NTPA-Plano with me. The first show I did here was *Rent*. *Rent* was an amazing show that I will always remember because it is all about friendship and relationships and the importance of holding onto them. My next show, *Descendants The Musical*, will be my 5th show at NTPA".

He is looking forward to *Descendants The Musical* because of the bond you get to see between all the characters and the growth you see with that bond. "At the beginning of the show we see Mal, Evie, Jay, and Carlos all come to Auradon to make their parents proud and steal the wand for them. But as the story progresses, we see that they aren't their parents and can be who they want to be and I think that's very special. I am playing Ben in *Descendants The Musical*, and I think what makes him different is that he has hope for the descendants of Evil. He doesn't think that they are like their parents, and he wants to give them a shot at a good life where they can be good."

His favorite role to play to date was Mark in the show *Rent*. "On and off stage I really grew with my cast mates and connected with them. I think it's important to make connections because you get to have fun and make incredible memories, but also, create a more raw, realistic, and comfortable character on stage. I definitely would recommend theatre to others because when I started here at NTPA, I didn't know anyone, so I was already stepping outside my boundaries but now I have lots of wonderful friends here at NTPA (even more than I have at school) and I think it's very special. Theatre just has a way of bringing everyone together." Come see Tabor and the rest of the cast of *Descendants The Musical* performing at Fairview Youth Theatre August 5th-13th!

“

I think it's important to make connections because you get to have fun and make incredible memories, but also, create a more raw, realistic, and comfortable character on stage.

Trash, Bulk and Brush Collection

TRASH & RECYCLE PICK UP

COLLECTION SCHEDULES

Trash, recycling and yard trimmings are collected weekly on Monday, Tuesday or Wednesday if all items are placed inside the cart with lid closed. Please have trash and recycling carts out by 7 a.m.

Bulk waste and loose brush are collected once a month. Please refer to the map on the previous page to determine your pick up week. Bulk trash may be put out after 6 p.m. on the Friday before collection but no later than 7 a.m. on Monday of your collection week. Bulk trash may be picked up anytime during the collection week. **See #7 in the guidelines on next page for size limits.**

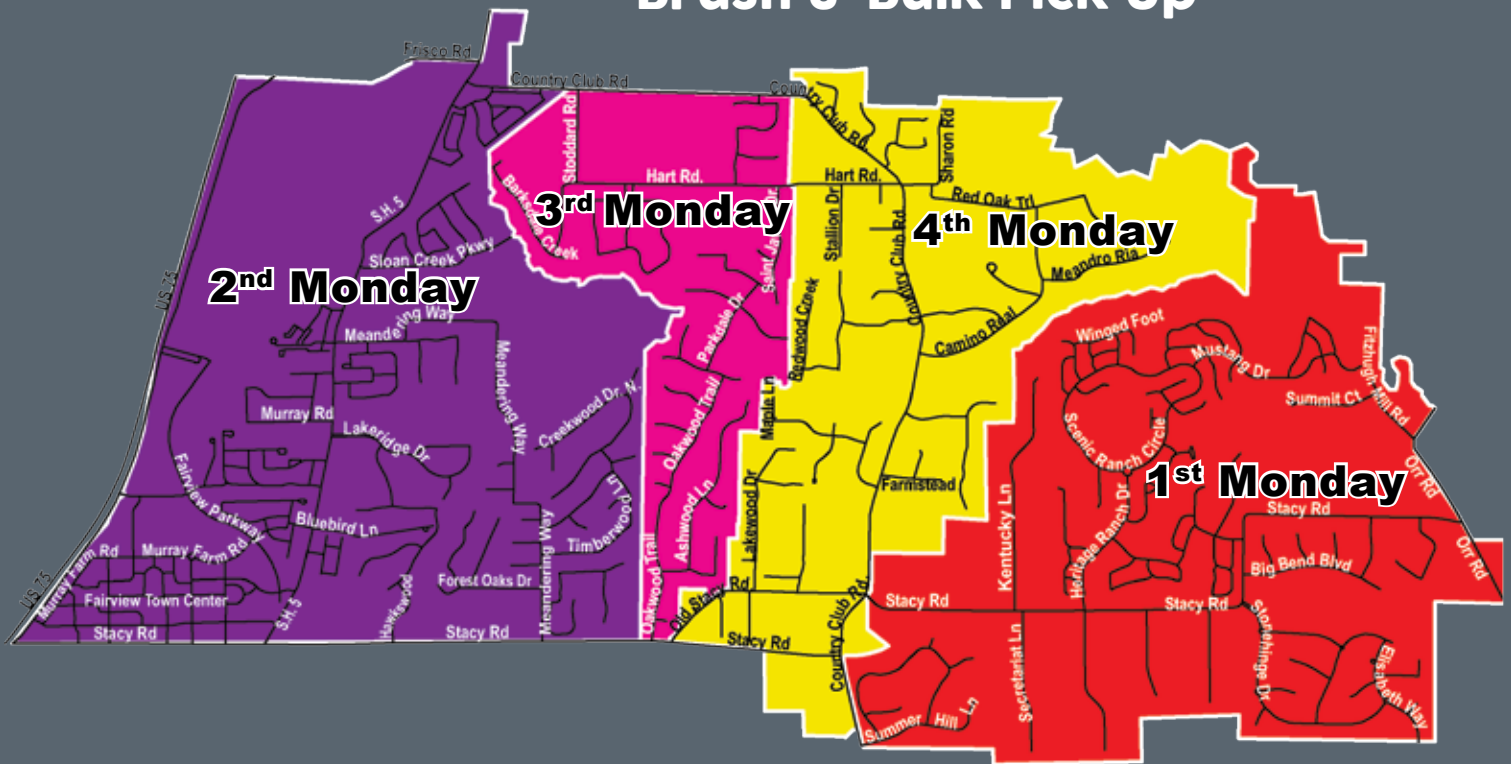

2022 Holidays: Trash, recycling, bulk and brush will not be picked up on the holidays listed below; instead the collection will slide one day after the holiday-unless otherwise noted.

- January 1, New Year's Day - No effect
- May 30, Memorial Day - Roll Forward One Day
- July 4, Independence Day - Roll Forward One Day
- September 5, Labor Day - Roll Forward One Day
- November 24, Thanksgiving - No effect
- December 25, Christmas Day - No effect

Missed Collections/Damaged Carts: Call Republic Services at 972-422-2341 to schedule a pick up for a missed collection or to report a damaged cart.

Hazardous Waste: Residents may dispose of household hazardous waste at the Home Chemical Collection Center located in Dallas. Call 214-553-1765 for information.

Brush & Bulk Pick Up

REMEMBER THESE SIMPLE GUIDELINES FOR PUTTING YOUR TRASH OUT

1. Place carts on the edge of the street/alley with handles facing the house and with the lids opening to the street/alley.
2. Keep carts two to three feet apart and away from fences, cars, gates, gas meters, etc...
3. All trash should be contained in securely tied plastic bags. All bags should fit into the cart with the lid closed.
4. Do not place hazardous household waste in your cart.
5. Place your carts out by 7 a.m. on pick up day; carts should not be left out after 6 a.m. the following day.
6. Do not place any items outside your carts; unless it's for bulk pick up.
7. Bulk and brush should be cut in four foot lengths and neatly stacked, you are allowed 12 cubic yards per month, 1 cubic yard is approximately the size of a washing machine.
