### Fairview Alarm Permit Renewals

The Town of Fairview requires all alarm systems in any home or business in Fairview, whether monitored or not, to have a valid Alarm Permit. Alarm Permits must be renewed annually during the month of January.

The residential renewal fee is \$25 and the commercial renewal fee is \$50. The fee for a new residential permit is

\$50 and a new commercial permit is \$100. If you have an alarm system and do not currently have an Alarm Permit, please contact Officer Gandy at <u>SGandy@FairviewTexas.org</u> or 972-886-4211, ext. 5022.

For those who currently have an alarm permit, online renewal begins January 1. Alarm permits must be renewed by January 31. To renew your permit, simply visit FairviewTexasAlarm. com. On the site, you will need to enter your login name and password. If you are having trouble remembering your login name and/or password, please contact Officer Gandy, do not create a new account if you are having issues accessing your old account. Thank you for your assistance.

# MESSAGE MAYOR

HENRY LESSNER

**Town of Fairview** 372 Town Place Fairview, TX 75069 972-562-0522

Dear Neighbors,

As I write this on the last day of November, I hope that everyone had a good Thanksgiving. I am guessing that for many of us, things were a little different this year. Maybe no travel – or maybe visiting with family via Zoom. I look forward to the lighting of Fairview's Christmas tree and the decorations on our Town Hall. I see many homes that have already installed their outside Christmas lights and know many folks who have had their indoor Christmas decorations in place since before Thanksgiving! I think that as we close the year 2020, most of us are ready for something to celebrate.

Here are some things happening around Town:

#### Drainage

The Council has been having work sessions on drainage for about a year. There are a few modifications/additions to some of our existing ordinances that will be presented at a Council work session in mid-December. During the 2020-2021 fiscal year, the Town will be completing engineering studies on drainage in the Bluebird Lane and Fox Glen neighborhoods. The results of these studies and recommended actions will be discussed with each of the neighborhoods. Information on actions that a resident might do to help mitigate creekbank erosion will soon be placed on the Town's website.

#### **McKinney Airport**

You might remember that the McKinney airport runway will be extended by 1,500 feet. Fairview had intervened in the discussions and requested that consideration be given to making the runway extension to the north end of the runway. With support from the County, I just learned that money has been allocated to extend the runway 1,000 feet to the north and 500 feet to the south. Building to the north, adds about \$20M to the cost of the runway extension project and was done specifically to accommodate Fairview's concerns about aircraft noise. There isn't a firm schedule yet as to when this work will begin or end. My guess is that it is at least two years away from completion. The benefit to Fairview is that the smaller propeller planes will now be taking off 1,000 feet further to the north of Fairview so when they come over Town they will be higher and, if they do as they are asked, they will be turning to the east before they even get into our air space.

#### COVID-19

One of the interesting things I do as your mayor is to represent the Town on the Texas Health Allen Advisory Board. The CEO of Texas Health has issued a plea for all of us to wash our hands, wear masks and to avoid large crowds. The ICU beds in our hospitals are starting to fill up again. The doctors, nurses, other care givers, cleanup crews and everyone involved in keeping our hospitals safe are exhausted. Because of the significant increase in Covid cases, there is a chance that the Governor will issue orders to reduce the capacity allowed in restaurants and limit the size of gatherings again. There is a light at the end of the tunnel. Multiple vaccines are almost ready for our use. We might see the first rollout of the Pfizer vaccine in Texas as early as mid-December. Fairview's first responders will be some of the first to get vaccinated. As of this moment, I am aware of 12 active cases of COVID-19 in Fairview.

Town of Fairview 372 Town Place Fairview, TX 75069 972-562-0522

#### **Fairview Town Center**

Driving along the US 75 northbound access road you might have seen the newest addition to the FTC – the two story 100,000 square foot office building. The parking lots are poured, and the exterior of the two-story building is starting to take shape. When this building is ready for occupancy in the spring of 2021, we expect the people who office there will eat and shop in the FTC.

I hope everyone has a Merry Christmas or Happy Hanukkah. Remember to support our local non-profits who care for those less fortunate than we are. Food insecurity has grown enormously during the Covid pandemic.

I am looking forward to a more normal 2021.

Happy New Year!

Henry Lessner

At the Monday, November 9, 2020 Regular Town Council meeting, the Town Council discussed the following items:

- Approved the following items on the consent agenda:
  - » The minutes of the October 6, 2020 Regular Council meeting
  - » The minutes of the October 13, 2020 Special Council meeting.
- Received reports from Staff, including any updates on project tracking reports and department activities
  - » Monthly Financial Report Period ending September 30, 2020
  - » Quarterly Financial Report Period ending September 30, 2020
  - » Monthly Police Report Period Ending October 31, 2020
  - » Monthly Fire Report Period Ending September 30, 2020
  - » Town construction projects
- Considered and approved a request of an Amended Plat for proposed Lot 9A, Block A of the Kingdom Estates Addition. The 4.09-acre site is located at 651 Redwood Creek Drive, is zoned for the (RE-2) Two-acre Ranch Estate District and combines Lots 9 and 10, Block A into a single lot for the development of a home. Applicant: David Beckett, Custom Homes of Texas representing owner Brandon Hill. AP2020-03.
- Heard a report from Huitt-Zollars and held council

discussion regarding the Town drainage system including Town policies, procedures, processes, activities and related matters and take any necessary action.

- Discussed COVID-19 activities and actions and take any necessary action.
- Discussed disaster declaration actions.
- Discussed possible actions related to remote access to meetings and minute recordings.
- Discussed tracking of staff actions and take any necessary action.
- Discussed Bridlegate open space.
- Discussed future trails.
- Recognized outgoing council members.

#### At the Monday, November 16, 2020 special council meeting the Town Council discussed the following items:

- Considered and approved an ordinance canvassing returns and declaring results of the November 3, 2020 General Election and take any necessary action.
- Considered and approved ordinance canvassing returns and declaring results of the November 3, 2020 Local Option Election and take any necessary action.

## FIRE SPRINKLER MAINTENANCE

It is critical that a fire sprinkler system be regularly maintained, including ensuring that piping is fully and properly insulated. Sometimes insulation settles

or is disturbed by someone moving or doing work in the attic. In some rare cases, an installer may have installed inadequate insulation, as Town staff found in one home with broken piping several years ago.

To help prevent broken water pipes and the damage they can create, it is important to inspect fire sprinkler systems regularly. A good rule of thumb is to walk your attic at least once per year. If you see any *orange* pipe, then the pipe is not properly insulated, which could possibly lead to a break during extreme weather. If you are unsure what to look for in an inspection, ask the installer of your sprinklers to inspect the system for you. If your house contains an anti-freeze system, insulation is slightly less important, but additionally the anti-freeze solution should be tested annually by a professional installer to ensure there are proper amounts of anti-freeze in the fire-sprinkler system.

All fire sprinkler systems have shut-off valves; it is important to know where your shut-off valve is located. This valve allows you to turn off the flow of water to your sprinkler system in case of a malfunction. It's a good idea to know exactly where your valve is located and to ensure it's readily accessible. If it is locked, be certain you can locate the key during an emergency. And, remember to make sure more than one person in your home knows the location and how to operate the shut-off valve. You never know who will be at home during an emergency.

#### **Town Election Application Deadlines**

The Town of Fairview operates under a Council-Manager form of government. The Town Council consists of a Mayor and six Councilmembers that are volunteers elected at-large.

According to the Town of Fairview Charter, no person shall serve as Mayor for more than three successive terms, and no person shall serve as Councilmember for more than three successive terms. Their term of office shall be for a period of two years or any portion thereof.

The Town's next General Election will occur on Saturday, May 1, 2021. The terms of office that will expire in May 2021 are **Town Council Mayor and Seats 1, 3 and 5**. Town Council Seats 2, 4 and 6 will expire in May 2022.

Potential candidate information packets will be available for pickup at Town Hall beginning January 4, 2021. Town Hall is open Monday through Friday from 8 a.m. to 4:30 p.m. Candidates may begin returning their applications to be placed on the ballot and other candidate paperwork to Town Hall beginning on **Wednesday, January 13, 2021**. The deadline for filing applications to be placed on the ballot is 5:00 p.m. **Friday, February 12, 2021**.

- A Fairview Town Council candidate must:
- Be a qualified voter of the town
- Be twenty-one (21) years of age
- Have resided in the town no less than twelve months immediately preceding Election Day
- Meet the requirements of the Texas Election Code
- Continually reside within the town during the term of office For more information, please contact Town Secretary at TownSecretary@FairviewTexas.org or call 972-886-4234.

## **Collin County Boards and Commissions**

Are you interested in serving on one of Collin County's boards or commissions? Invest your time and talents serving Collin County. It's a great way to get involved and give back to your community!

Board terms typically start at the beginning of the year, and there are current opportunities to serve on the County boards listed below.

#### **LifePath Systems**

- To provide countywide, comprehensive mental health and intellectual & developmental disabilities services and programs to citizens of the county through cooperative efforts of the Texas Department of Health and Human Services. Collin County M.H.M.R., dba LifePath Systems, exists for the purpose of offering services to restore, improve, and maintain an optimum level of functioning and quality of life for county residents who have a mental health concern or an intellectual & developmental disability.
- Meets on the fourth Thursday of each month at 7:00 pm, alternating between the Alma Center (Plano) and the McKinney MHMR Administrative Offices (McKinney).
- Members serve two-year terms.

#### **Planning Board**

- To advise and make recommendations to the Commissioners Court on planning issues and efforts relative to the future quality and growth of the county. Working committees are formed to identify needs and develop programs for transportation, water and wastewater, solid waste management, ambulance service, and others as needed.
- Meets on the first Thursday of each month at 6:00 pm at the Collin County Administration Building (McKinney).
- Members serve three-year terms.

#### **Health Care Foundation Advisory Board**

- To assist the Health Care Foundation Board of Trustees in the development and provision of health care and related programs for indigent citizens; to guide, support, and nurture efforts that will enhance the quality and availability of health care services for the citizens of the county.
- Meets on the third Thursday of January, April, August, and October, at 12:00 pm, at the Collin County sub courthouse (Plano). Dates may change or be added as needed.
- Members serve three-year terms.

#### **Parks Foundation Advisory Board**

- To guide, support and nurture efforts to create and maintain a comprehensive open space program. The board establishes direction and policies for acquisition, development and management of park and open space areas and facilities.
- Meets on the second Thursday of each month at 5:30 pm at the Collin County Engineering Office, McKinney.
- Members serve three-year terms.

#### **Historical Commission**

- To initiate and conduct programs and activities as may be suggested by the Commissioners Court or the Texas Historical Commission for the preservation of the historical heritage of the county. To mark, interpret, preserve and accumulate information on the history of Collin County. To serve as an umbrella organization for all public and private historical groups in the county, in order to encourage, support, and promote these groups' activities.
- Meets on the last Thursday of each month at 6:30 pm at the Heard-Craig Carriage House (McKinney).
- Members serve three-year terms.

#### **Myers Park & Event Center Advisory Board**

- To advise and recommend actions to Collin County Commissioners Court relating to the promotion, management, welfare and success of Myers Park & Event Center. The use of the park for education and recreation purposes as described in the Deeds of Trust granted by the Myers Family shall be the foremost responsibility of the Advisory Board.
- Meets on the fourth Tuesday of January, April, July & October at 7:30am at the Myers Park Reception Hall, McKinney.
- Members serve three-year terms.

Visit Collin County's website, CollinCountyTX.gov for an application. Page 8 - Fairview Town News • January 2021 • www.fairviewto

25" ANNUAL PUTNAM COUNTY SPELLING BEE

# Fairview Youth Theatre

Fairview Youth Theatre and North Texas Performing Arts are excited for the new year and all the classes, workshops and productions they have lined up. Classes start at the end of January and will fill up quickly so sign up now at both the Fairview and Plano locations. All students benefit from the knowledge and guidance of experienced professionals who have performed and taught in some of the most well-known theatres and film stages around the United States.

The Academy is NTPA's training program for students age 11-18, and includes specialty classes in acting, tech theatre, dance and more. Academy classes continue to focus on developing life skills that can guide students through their journey to college, professional work, and adult life. The line up for spring classes include Improv, Acting I, Advanced Stage Combat, Intro To Film And Video, Intro To Musical Theatre Dance, Intro To Sage Combat, Intro To Tech, Intro To Acting, Intro To Characterization, Jazz,

Performance Tap and Tap I.

New students and families looking to get involved with FVYT but aren't quite sure where to start can join the NEW NTPA **UpSTARt Workshop**. This free 2-hour workshop is designed for the "new student" who wants to learn more about being a star on an FVYT stage! On the second and fourth Wednesdays of each month at 5:00 p.m. this fast-paced, high-energy and funfilled workshop will give your future actor the confidence to "take the stage" and the training so that they know what to expect at FVYT. There is even a Parent Session to help explain their role in preparing a child for an audition and the production.

Disney's Moana, Jr. about the strongwilled daughter of the chief of a Polynesian village, who is chosen by the ocean itself to reunite a mystical relic with a goddess will be on stage January 14 – 17. Disney's The Little Mermaid, Jr. will also be on stage January 21-24 & 28-31. And Disney's Frozen, Kids will be in the Black Box theatre January 28-31.

Auditions taking place in January are Annie, Kids and Charlotte's Web both for students in first through fifth grades. Video auditions are due January 9. Students in third through eighth can audition for Honk! Jr. by turning in video audition by January 22. And homeschool students in kindergarten through eighth grade can submit a video audition by January 23 for The Big Bad Musical.

Go to FairviewYouthTheatre.org to purchase tickets and to take a look at all the classes and productions offered not only at FVYT but across all the NTPA theatres.

My mom has a background in theatre, so she has always run drama camps in the summer. I started attending those with her when I was 3 years old and I just fell in love with theatre. I like everything from being onstage to doing improv games to helping out backstage. I just love to be around theatre in any way that I can.

# ACTOR OF FAIRVIEW: WIII

ill is 11 years old and in 6th grade. He did his first show at Fairview Youth Theatre (FVYT) in May of 2019, but his love of theatre started long before then. He said he got his start in theatre early because of his mom. "My mom has a background in theatre, so she has always run drama camps in the summer. I started attending those with her when I was 3 years old and I just fell in love with theatre. I like everything from being onstage to doing improv games to helping out backstage. I just love to be around theatre in any way that I can."

Will's favorite role to date was Scar in *Lion King Kids*. He said, "playing a villain is always a lot of fun!" Will also has fun outside of the theatre - he enjoys playing soccer, hanging out with neighborhood friends and loves being involved in his church youth group.

In the last couple of years, Will has done several shows at FVYT. He loves being in a show because he loves "the feeling of being at home on stage. I love getting to be different characters and I always enjoy working with new directors and different casts and just having a completely new and different experience every time I do a show." Will is currently in rehearsals for *The Little Mermaid Jr. "The Little Mermaid* is such a fan favorite show, and it has songs that I grew up with so that is a lot of fun. It has great singing and dancing and overall, it has such a great story. I am so excited to be a part of it. I have the opportunity to play King Triton and that is a different role for me. It is challenging to come across as a stern father because that is so different from me in real life."

FVYT has become special to Will and his entire family. He said "NTPA is a place where we can all be involved. Both of my sisters like to do shows here as well and my parents enjoy volunteering in different areas. We think it is so cool that we found a place where we can all work and volunteer together as a family. Everyone at FVYT is so nice. They welcomed us all immediately and made us feel like we had a second home. Ms. Cibby, the managing director, and all of the directors have always been so supportive, and I have found some of my closest friends here."

Come see Will and the rest of the cast of *The Little Mermaid Jr.* performing at Fairview Youth Theatre January 21-31, 2021.

## **HOA Contact Updates**

The Town of Fairview values it's partnerships with local Homeowner's Associations (HOAs) to help share town related information and news. And, because we like to keep our contact list up to date we are asking you to send any updates you might have. Simply send your HOA board contact list (including address, phone and email) to Shannon Craft at <u>SCraft@FairviewTexas.org</u>.

# Holfday Closures

Town Hall will be closed Thursday, December 24 and Friday, December 25 in observance of the Christmas holiday. Town Hall will also be closed on Friday, January 1 in observance of New Year's Day. Please see pages 13-15 for the Bulk Trash Recycle Calendar to view the holiday schedule for bulk trash collection.

# Winter Pet Safety

We love our pets, so keeping them safe in the wintertime should be a top priority. See below for some friendly reminders detailing how you can ensure your pet stays warm, happy and out of harm's way even on the dreariest of winter days.

Beware of sidewalk salt and de-icer. Pets' paws are extremely sensitive, so prolonged exposure to sidewalk salt can be problematic. If you walk your dog regularly in areas where sidewalk salt is used during inclement weather, wipe the underside of paws with warm water and a clean towel when you go back inside. Doing so also eliminates risk of ingestion if your pup licks its paws often. Keep an eye on your pet's toe pads for severe dryness, cracking or bleeding.

Bring pets indoors. Just as in summer months when temperatures reach extreme highs, pets should be brought inside during extreme wintertime lows. This applies for daytime and nighttime temperatures, so check your local weather daily and limit your pup's outside time if the forecast is looking chilly. And remember—if you're uncomfortable with the outside air temperature, chances are your pet is too.

Bundle them up! When pets do go outside during the cold winter months, those with thinner fur coats may need extra warmth. Your local pet store should have an assortment of extra layers for your dog—even winter boots for pups who need extra paw protection from the cold and ice. Only add layers if your pet can truly benefit. If you're unsure, ask your veterinarian.

Keep your pet active and out of trouble. During inclement weather when you can't make it outside with your pup, set aside some extra time during the day to make sure they have some exercise—even 15 minutes of playtime helps. Paying attention to your pup keeps them engaged and happy, and ensures no bad behavior caused by boredom.

## **New Councilmembers Sworn In**

At the December 1, 2020 Town Council meeting, new Councilmembers Gregg Custer, Larry Little and John Hubbard took their oaths of office.

Councilmember Gregg Custer was sworn into his first term on the Council as Seat 2. Councilmember Custer is a retired Air Force Colonel with 31 years of service. He recently accepted a position at Perot Systems as a DOD Program Manager. He has served on both the Fairview Planning and Zoning Commission and the Board of Adjustments as well as the Fairview Rotary Club and the Sloan Creek Estates HOA Board. Councilmember Custer and his wife Julie have lived in Fairview for 13 years and have two children and two grandchildren.

Councilmember Larry Little was sworn into his first term on the Council as Seat 4. Councilmember Little and his wife Pam have lived in the Vineyards of Fairview for more than 18 years. After graduation from Texas A&M the two started Ace Fence Co. from their garage in Houston. Ace Fence expanded to the DFW area in 1984 and today is the largest fence company in the metroplex. Councilmember Little is blessed with two children and 3 grandsons. He is active in the Fairview Rotary Club, the Allen-Fairview Chamber of Commerce and First United Methodist Church in McKinney and supports the Samaritan Inn, Veterans of

Councilmembers Larry Little, John Hubbard and Gregg Custer

North Texas, Collin County Boys and Girls Club, Fairview Youth Theater, the SPCA and many others.

Finally, Councilmember John Hubbard was sworn into his first term on the Council as Seat 6. Councilmember Hubbard is a business lecturer in the School of Business at the University of North Texas at Dallas. Additionally, he serves as a reflective practitioner at The University of Southern Mississippi and is adjunct professor at the University of Houston – Victoria. Councilmember Hubbard served on the Parks and Recreation Advisory Board for more than four years and currently sits on the board Methodist Charlton Medical Center Advisory Board in Dallas, and the Texas Economic Development Council. He is also the immediate past-president of the 13-time International Gold Medalist Champions, the Vocal Majority Chorus of Dallas. Councilmember Hubbard and his wife Marian have lived in Fairview for six years and have three children and three grandchildren.

For more information about the election results, please visit the Town Elections page on FairviewTexas.org.

Councilmember John Hubbard

Councilmember Gregg Custer

### Waste Not, Want Not – Fairview Waste and Recycling

The average household in Fairview generates more than 3,000 pounds of waste annually. That is the equivalent of throwing a Corvette out of every single home in Fairview, every year.

Fairview has had single stream recycling bins for many years. Single stream means you do not need to sort all of your recyclable material, the processing facility handles that chore. However, it still does require knowing what material can or cannot be recycled and using the recycle bin whenever possible.

The participation rate in Fairview, meaning households that attempt to recycle, is 61 percent. However, Fairview's recycling rate (the percentage of total waste that is recycled) has been falling for several years and is currently less than 20 percent. The national average recycle rate is 34 percent. Frisco, Plano and Denton are just a few of the cites that have a rate higher than the national average. (Please note all data is for single-family residences in the Town.) Reducing waste and improving the Town's recycling rate just takes a little effort some time to develop new good habits.

#### Reduce

Look at where your waste comes from and seek ways to minimize it. Buying in bulk and bringing your own reusable grocery bags can help cut down on the incoming materials that become your waste stream.

#### Reuse

Neighbors are often seeking boxes via the Nextdoor site. Boxes can be reused many times. What else in your waste stream can be reused?

#### Recycle

Become familiar with what can go in the recycle bin and develop good waste sorting habits.

#### Yard Waste and Compost

Rather than bag lawn clippings, leave them on the lawn and they will break down and nourish the soil. Reuse the organic waste that makes up a large portion of the monthly bulk waste pickup, such as vegetable scraps, leaves, branches or lawn clippings. Toss all leaves, grass and food scraps (without any meat or dairy) into a compost pile; this waste will become compost that can be used in your garden or on your lawn. Large branches can be cut for firewood for you or a neighbor. Smaller branches can be piled up in a corner of your yard. While piled they make great homes for small animals. Once the pile is big enough, rent a chipper or hire someone to shred the branches for you. The shredded branches make great mulch for your garden beds.

If we all work together, we can help make Fairview a lot greener.

#### **Collection Schedules**

**Trash, recycling and yard trimmings** are collected weekly on Monday, Tuesday or Wednesday if all items are placed inside the cart with lid closed. Please place trash in the BLUE cart and recyclables in the GREEN cart.

**Bulk waste and loose brush** are collected once a month. Please refer to the map on the previous page to determine your pick up week. Bulk trash may be put out after 6 p.m. on the Friday before collection but no later than 7 a.m. on Monday of your collection week. Bulk trash may be picked up anytime during the collection week. **See #7 in the guidelines below for size** *limits.* 

**2021 Holidays:** Trash, recycling, bulk and brush will not be picked up on the holidays listed below; instead the collection will slide one day after the holiday-unless otherwise noted.

January 1, New Year's Day-No effect May 31, Memorial Day-Roll Foward One Day July 4, Independence Day-No effect September 6, Labor Day-Roll Foward One Day November 25, Thanksgiving-No effect December 25, Christmas Day-No effect

**Missed Collections/Damaged Carts:** Call The Town of Fairview Utility Billing Department at 972-886-4242 to schedule a pick up for a missed collection or to report a damaged cart.

**Hazardous Waste:** Residents may dispose of household hazardous waste at the Home Chemical Collection Center located in Dallas. Call 214-553-1765 for information.

#### **Remember These Simple Guidelines For Putting Your Trash Out**

- 1. Place carts on the edge of the street/alley with handles facing the house and with the lids opening to the street/alley.
- 2. Keep carts two to three feet apart and away from fences, cars, gates, gas meters, etc...
- 3. All trash should be contained in securely tied plastic bags. All bags should fit into the cart with the lid closed.
- 4. Do not place hazardous household waste in your cart.
- 5. Place your carts out by 7 a.m. on pick up day; carts should not be left out after 6 a.m. the following day.
- 6. Do not place any items out side your carts; unless it's for bulk pick up.
- 7. Brush and bulk trash must not be more than 12 cubic yards which is equal to 4 pick-up truck loads.

**DID YOU** Residents can request additional curbside collection? **KNOW?** Contact Utility Billing for pricing information.

Still have questions about trash, recycling, bulk or brush pick up? Contact the Town of Fairview Utility Billing Department at 972-886-4242 or via email at UtilityBilling@FairviewTexas.org.

## HEARD HAPPENINGS

It's never too cold to visit the Heard Natural Science Museum & Wildlife Sanctuary and they have plenty of exhibits and program both indoor and out to keep you busy all year long and January is no exception.

The Heard offers guided trails, workshops and service projects that are appropriate for all types of groups with an interest in exploring the outdoors, including Cub Scouts, Webelos, Brownies, Junior Girl Scouts, Campfire, Bluebirds, and YMCA Guides.

On January 9 and 23 the Heard is hosting a two-hour scout badge workshops for Webelos: Into the Woods and Into the Wild. Cub Scouts will have their chance for badges on January 16 at a workshop of their own: Fur, Feather & Ferns and Super Science.

The Heard Museum also offers birthday parties on Saturdays and Sundays by reservation. Children will explore the natural world both inside and out in the Heard Wildlife Sanctuary! Classic and Dino Parties include Heard Museum staff member to guide the party activities; guided outdoor Nature Hike on the Hoot Owl Trail, Dinosaurs Live exhibit trail or Animals of the World exhibit trail and two live animal visitors. You can also make your child's birthday a truly out-of-this-world event by booking a Magic Planet Birthday Party. This package features the Heard's 4-foot diameter Magic Planet digital global display. This interactive globe will provide guests with hands-on fun as they explore our earth and solar system. Included in this party package is a Heard Museum staff member to guide the party activities, choice of live animal talk or guided outdoor nature hike and guided time with the Magic Planet featuring your choice of themes: Solar System, Weather or Geology.

For more detailed information about the scouting programs and birthday parties at the Heard please visit HeardMuseum.org.

The Heard Museum looks forward to your visit.

#### About Heard Natural Science Museum & Wildlife Sanctuary

Proceeds from this event benefit Heard Natural Science Museum & Wildlife Sanctuary, a private 501(c)3 organization. The Heard was founded in 1967 by Bessie Heard. Miss Heard was 80 years old when she saw the need to preserve a place where future generations could experience nature. Today, the Heard's mission of bringing nature and people together is carried out through education, particularly of young people, which emphasizes an appreciation of nature and its conservation.
