# Mayor's Note

Dear Neighbors,

Happy New Year! I hope you and your families had a wonderful holiday. As we get back to our normal routines, it is time to turn our attention to the year ahead and to plan for the future, both as individuals and as a Town Council. We have a great community and I hope you look forward to making 2019 the best yet.

There are so many great things happening in our community, and I know I speak for both myself and all the council members when I say we are looking forward to another year of working to make Fairview an exceptional place to live, work and play. While the Town Council continues to juggle multiple priorities, at the top of the list is work through the redesign and re-costing of Fire Station #1. The Council in conjunction with the 57-members of the Community Resource Group (CRG) has made great progress and we will look forward to receiving your feedback on that progress very soon.

Fairview remains a strong, vibrant and thriving community; Stacy Road is finally just about complete, Fairview Town Center is growing with 20+ new leases and, just a few short months ago, Fairview was named the second safest city in Texas by SafeWise. And, it's easy to see why - our community is an ideal place to live, to make your home, to raise a family and to spend your life.

On a personal note, in May I will mandatorily end my tenure as Mayor. Please know, that It has been an absolute honor and privilege to serve you as Mayor. As I enter the remaining few months of my term I am thankful to you and thankful for you! I wish you a very healthy and prosperous 2019.

I'll see you around Town!

## PROCLAMATIONS

### North Texas Food Bank

The Town of Fairview is committed to ensuring the health, safety and security of all those living in and visiting our community. And, because of this, Mayor Culbertson issued a proclamation at the November, 6, 2018 Town Council Meeting to North Texas Food Bank in honor of the opening of their Perot Family Campus location in Plano.

Founded in 1982, the North Texas Food Bank (NTFB) is a Dallas nonprofit hunger relief organization that distributes donated, purchased and prepared foods. NTFB provides access to more than 190,000 meals each day for hungry children, seniors and families in North Texas through a network of more than 200 Partner Agencies in 13 counties.

According to this year's Feeding America's Map the Meal Gap study, 15.6% of the Town of Fairview suffers from

food insecurity. While NTFB is making steady progress toward closing the hunger gap, much work remains to be done to reach the organization's 10-year goal of providing 92 million nutritious meals annually by 2025.

To help achieve that goal the NTFB opened their Perot Family Campus in September. This 230,000 square foot facil-

ity houses their food distribution and volunteer operations. The facility will allow NTFB to continue working with partner agencies, such as the Saint Vincent de Paul Food Pantry to impact those living in poverty with or without a home, with or without employment and encourages the public to become involved.

Mayor Culbertson expressed

the Town's appreciation during the presentation, "The Town of Fairview emboldens the efforts of the North Texas Food Bank and the Saint Vincent de Paul Food Pantry for their work to foster understanding, advocacy and collaborative services to those in need and we are thankful to citizens donating time, voice and resources to help the less fortunate."

### Hunger and Homelessness Awareness Week

At the November 6, 2018 Town Council Meeting Mayor Culbertson issued a proclamation declaring the week of November 10-18 as Hunger and Homelessness Awareness Week.

In 2001, the Interagency Council on Homelessness issued a call for municipalities and counties throughout the United States to develop plans to end homelessness and shortly thereafter the Collin County Homeless Coalition was formed. The Town of Fairview is a participant in the Coalition which includes multiple Collin County municipalities as well as nonprofits, faith-based orga-

nizations, students, businesses and concerned citizens.

During the week members

of the Collin County Homeless Coalition hosted community events throughout Collin

County to raise awareness and offer residents an opportunity to share their compassion with those experiencing food and shelter insecurities. The week also highlighted the difficulty and loneliness of those living in poverty without a home and encouraged the public to become involved.

National Hunger and Homelessness Awareness Week is held annually the week before Thanksgiving to remind us to take action on hunger and homelessness. Fairview Town Council and staff are thankful to citizens donating time and resources to the less fortunate.

# Fairview Youth Theatre

Fairview Youth Theatre is excited for the new year and all the classes, workshops and productions they have lined up. Classes start at the end of January and will fill up quickly so sign up now. All students benefit from the knowledge and guidance of experienced professionals who have performed and taught in some of the most well-known theatres and film stages around the United States.

First up is the **STARters** for children ages 2-4. The Explore Theatre class will guide children through music, dance and theatre divided into 20 minute sections to keep the most active student engaged. By using their face, voice, body and imagination children will begin to discover the magic of the stage. Classes are offered on Monday afternoons or on Thursday mornings.

In the **Rising Stars** program young performers will learn theatrical and life skills in a safe and supportive environment. Students ages 5-7 can participate in Mini-Musicals, a perfect introduction to theatre with a shortened script and 6-week rehearsal process. Students age 8-10 have the chance to dive a little deeper in the Elementary Production Classes, which incorporates script writing, set design and choreography. Classes for the Rising Stars include Intro to Musical Theatre Dance on Thursdays, Intro to Acting on Tuesdays and Mini-Musicals on Tuesdays.

**The Academy** is NTPA's training program for students age 10-18, and includes specialty classes in acting, tech theatre, dance and more. Academy classes continue to focus on developing life skills that can guide students through their journey to college, professional work, and adult life. The line up for spring classes include Improv, Acting I, Advanced Stage Combat, Intro To Film And Video, Intro To Musical Theatre Dance, Intro To Sage Combat, Intro To Tech, Intro To Acting, Intro To Characterization, Jazz, Performance Tap and Tap I.

New students and families looking to get involved with FVYT but aren't quite sure where to start can join the **NEW NTPA UpSTART Workshop**. This free 2-hour workshop is designed for the "new student" who wants to learn more about being a star on an FVYT stage! On the third Friday of each month at 5:00 p.m. this fast-paced, high-energy and fun-filled workshop will give your future actor the confidence to "take the stage" and the training so that they know what to expect at FVYT. There is even a Parent Session to help explain their role in preparing a child for an audition and the production.

On stage in January is *Mary Poppins Jr.* Based on one of the most popular Disney movies of all time and the Broadway musical that played for over 2,500 performances and received multiple Olivier and Tony Awards

nominations. *Mary Poppins, Jr.* will be open January 18-26.

Auditions taking place in January are *Thoroughly Modern Mille, Jr.*, January 6 and 11 for grades fifth through eighth. *Elephant and Piggie's We are in a Play*, will audition on January 7, 10 and 12 for students in kindergarten through eighth grade. Students in sixth through twelfth can audition for *Big Fish* on January 12 and 15. And, finally first through eighth graders can audition for *The Very Unmerry Adventures of Robin Hood* on January 31 and February 2.

Go to [FairviewYouthTheatre.org](http://FairviewYouthTheatre.org) to purchase tickets and to take a look at all the classes and productions offered not only at FVYT but across all the NTPA theatres.

## ACTOR OF FAIRVIEW: Aidan F.

Meet Aidan, this month's Actor of Fairview. Aidan is a 13 year old eighth grader at Curtis Middle School in Allen. He has been acting at Fairview Youth Theatre non-stop for the past year and a half. Most recently Aidan appeared as Señor Pirelli, King of the Barbers in Sweeney Todd School Edition. Next up, Aidan takes on two very different roles in Mary Poppins Jr. as Mr. Banks and in Avenue Q School Edition as Trekkie Monster.

Aidan talked a little about why theatre is so important to him. "What I love about acting is that I can tell a different story with every show and send a message to the audience and hope to somehow help them along the way. I think the best part about being in a production is how no matter how hard the task may be no matter what, we will do it as a family all set

on the same goal to put on an amazing show. Mary Poppins brings a sense of joy to everyone who sees it, and reminds the audience that if you interpret things in a different way everything will work out fine in the end. What I like about getting to be George Banks is that I get to help the audience understand that even the toughest people can turn around."

Aidan also spoke of his love for Fairview Youth Theatre, "What I love about Fairview, and all of NTPA, is the sense of family and the kindness of every single person I've met here. Anytime I'm having a bad day I just think of the fact that I have a rehearsal that day and I'm suddenly overjoyed. All the directors here couldn't be kinder, and they all have different styles so you

get a wide range of shows and experiences."

Come see Aidan on stage in Mary Poppins Jr. January 18 – 26.

## Denim and Diamonds The Party

It's that time of year again – time for the Foundation for Lovejoy Schools' annual Denim and Diamonds gala. In its 13 year history the event has raised more than \$2 million for Lovejoy ISD. And, this year it has been reimaged; it's now more of a fun cocktail type event with live music, casino games and a DJ.

Held at the Marriott at Legacy Town Center, The Party will begin at 7:30 p.m. with drinks, food stations and Kent Messer's band. Casino tables and the silent auction will also open at 7:30. And, for \$50 (purchased in advance) you can play craps, blackjack and double roulette. Event organizers are also planning a poker tournament beginning at 8 p.m. for a \$100 entry fee.

At 8:45 p.m. gather in the main ballroom for a fun, fast paced live auction. Past auction items have included cars, jewelry and trips. While organizers want to keep live auction items a surprise they've let us in on a few items up for bid – A Wine Dinner at Waterboy Farm, a Fogo de Chow Party and A Royal Chef Dinner with Chef Daren McGrady. The live auction excitement begins with the drawing of the Live Auction Jackpot winning ticket. The winner will be able to choose anything they want in the live auction valued at less than \$5,000. And, back again this year is the ever popular Heads or Tail game.

After the live auction you can dance the night away or continue to try your luck in the casino. But, no matter what you choose it's sure to be a lot of fun. Purchase your tickets to Denim and Diamonds, THE PARTY at [FoundationForLovejoySchools.org](http://FoundationForLovejoySchools.org).

## HEARD HAPPENINGS

It's never too cold to visit the Heard Natural Science Museum & Wildlife Sanctuary and they have plenty of exhibits and programs, both indoor and out, to keep you busy all year long and January is no exception.

The Heard offers guided trails, workshops and service projects that are appropriate for all types of groups with an interest in exploring the outdoors, including Cub Scouts, Webelos, Brownies, Junior Girl Scouts, Campfire, Bluebirds, and YMCA Guides.

On January 12 the Heard is hosting two two-hour scout badge workshops for Webelos: Into the Woods and Earth Rocks. Cub Scouts will have their chance for badges on January 19 at two separate workshops as well: Fur, Feather & Ferns and Super Science.

The Heard is also hosting its Winter Hike Night on January 12. Visitors

will explore the thrilling sights, smells and sounds of night with Heard Trail Guides. Night hikers will be encouraged to sharpen their senses to be able to spot signs of animal life and learn more about the inhabitants of the Heard. Pre-registration is required.

On January 26 you can experience a Guided Trail walk and experience the ecology, geology, flora and fauna of the Heard Sanctuary. Led by trained guides, you will spend 45-60 minutes hiking the unique landscape.

Did you know the Heard Museum offers Art & Science workshops? On January

26 from 10 a.m. to 2 p.m. the Heard will host a stained glass workshop. Get creative with a little bit of lead, solder and copper foil to turn broken glass into beautiful Yard Art! The class will take broken glass, glass globes, copper wire and anything else you can think of and make bright lovely garden art for your outdoor areas. No experience is necessary to participate in this class. All materials will vary because they are sourced from recycled materials. Ages 17+. Closed-toed shoes and long pants required. Participants should bring a packed lunch. This class will be led by Jacqui Bush of Stained Glass of McKinney.

The Heard Museum looks forward to your visit.
