## In This Issue: Smoke Detector Assistance 2

Fairview Half Marathon & 5K 6 Quarterly Financial Report 9 Town Residential Permits 13

# FAIRVIEW Town News

## **Stacy Road Update**

TxDOT is allowing traffic to drive on Stacy Road's southern lanes with intermittent lane closures for construction. There will be times that the lanes closest to the median are open, during which time the outside lanes near the sidewalks will be open while they do work near the medians. There will be some traffic signalization work to convert the span wire signals over to mast/arm poles. The project is nearing completion and we want to thank everyone for their patience.

## **Smoke Detector Assistance**

Is your smoke detector chirping or in need of new batteries? The Fairview Fire Department is happy to assist residents who may not be physically able to change the batteries in their smoke detectors. Simply call 972-886-4239 or email SmokeDetector@FairviewTexas.org.

If your smoke detector is actively going off due to a possible fire please call 9-1-1 immediately.

The Fairview Fire Department takes pride in assisting residents with all emergent and non-emergent needs.

## HEARD HAPPENINGS

## Heard Museum offers Spring Break Activities for Families

North Texas families looking to stay close to home during spring break will find a variety of fun and educational activities to participate in just minutes away from home at Heard Natural

Science Museum & Wildlife Sanctuary. The Heard's spring break offerings will be held March 9 through March 17.

Programs for the week include:

- Saturday, March 9
  - Second Saturday Bird Walk: beginning and intermediate birders learn bird spotting and identification techniques, 8 a.m.
  - Magic Planet-oid: kid-friendly presentations featuring the Heard's Magic Planet, a 4-ft interactive globe, 10:30 a.m. and 1:30 p.m.
  - Owl Prowl Night Hike: features a live owl presentation and a guided night hike, 6 p.m.
- Sunday, March 10 Magic Planet-oid, 1:30 p.m.
- Monday, March 11 Museum Open Special Hours, 9 a.m. 5 p.m.
- Tuesday, March 12 Kids' Mini-Camp Keeper Jr.: for 3rd 9th grade, students will learn about what it takes to care for the museum's animal ambassadors, 9:30 a.m. 12 p.m.
- Wednesday, March 13 Kids' Mini-Camp Family Birding 101: Kindergarten and up (with or without a parent), helps students learn about where and what to look for to identify birds, 9:30 a.m. 12 p.m.
- Thursday, March 14 Kids' Mini-Camp Flower Power: for K-6th grades, this camp will teach students about the importance of flowers to local wildlife including butterflies to birds, 9:30 a.m. - 12 p.m.
- Friday, March 15 Story Time: a different nature-themed book is featured each week, 10:30 a.m.
- Saturday, March 16
  - Third Saturday Nature Talk, 9:30 a.m.
  - Magic Planet-oid, 10:30 a.m. and 1:30 p.m.
- Sunday, March 17 Magic Planet-oid, 1:30 p.m.

Guests will also enjoy \$2 off child (ages 3-12) general admission

March 11 through March 15 only. Also, through March 22, guests are also invited to take part in "Feathered Friends" an interactive artistic bird watch within the museum exploring an exhibition that features 13 endangered and threatened birds native to Texas as interpreted by fourteen local, award-winning artists. Guests will also learn more about what action is being taken to save our avian neighbors and how to help.

For

## Electrical Fire Training

In January CoServ invited more than 100 emergency first responders from Fairview, Allen and Lucas to attend a day long training. CoServ provided instruction on how to handle electrical emergencies involving high voltage transmission wires, transformers and how to easily identify the electric company involved. CoServ also provided a natural gas instruction about handling gas emergencies from small gas meters all the way up to their large distribution centers. Fairview Fire Chief, Jeff Bell, said, "This was really good and informative training and allowed us to participate with fire departments in the surrounding area."

SIGN UP NOW NIXLE.COM

At the Wednesday, January 2, 2019 regular Town Council meeting, the Town Council discussed the following items:

- Town Secretary, Tenitrus Bethel administered the Oath of Office for Officer Corey Braggs of the Fairview Police Department.
- Mayor Culbertson presented a proclamation declaring the week of January 7, 2019 as Alan Efrussy Week in the Town of Fairview.
- Approved the following items on the consent agenda:
  - Minutes of the November 28, 2018 Special Council meeting
  - Minutes of the December 4, 2018 Regular Council Meeting
  - Final Plat of the Fairview Highway 5 Addition. The 0.7-acre site is located at 460 Highway 5 and is zoned for the Commercial Planned Development District (CPDD) with the Urban Transition sub-district.
    Applicant: David Surdukan, Surdukan Surveying Inc. representing P. Wood Properties, LLC. (FP2018-02).
  - Easement dedication to Oncor for the construction of a pump station.
- Received an update on the recent water main break.
- Discussed and approved the Sloan Creek Trail and authorized the Town to advertise for bids on the project.
- Discussed upcoming work sessions regarding fire facilities, operations, and capital improvement planning.
- Discussion about Boards & Commissions was postponed until February meeting.

- Received monthly Financial Report for the period ending November 30, 2018.
- Received a Stacy Road update.

## At the Wednesday, January 9, 2019 special Town Council meeting, the Town Council discussed the following items:

• Planning for future town fire facilities including future equipment, site layouts, design elevations, construction process, estimated costs and financing, and other related matters.

#### At the Wednesday, January 16, 2019 special Town Council meeting, the Town Council discussed the following items:

- Planning for future town fire facilities including future equipment, site layouts, design elevations, construction process, estimated costs and financing, and other related matters.
- Discussed and approved proposals submitted for a fire operations study, heard report from the Council subcommittee and authorized the Town Manager to enter into a contract for selected services.

#### At the Thursday, January 24, 2019 special Town Council meeting, the Town Council discussed the following items:

• Planning for future town fire facilities including future equipment, site layouts, design elevations, construction process, estimated costs, funding and financing and any other related matters.

## FAIRVIEW PARKS AND TRAIL SYSTEM

Because the Town of Fairview is dedicated to developing a town with open spaces and beautiful park land Town Council, Parks Board and Town staff have worked tirelessly throughout the years to develop and continually update our Parks and Recreation Master Plan. And, in an effort for the Town to communicate with residents about our parks and their facilities the Fairview Town News will begin highlighting a different park each month beginning with this brief history of the parks and trail system.

The original Master Plan was conceived and developed in 1995 and is updated approximately every five years. In 2005, the Town worked with independent consultants in conjunction with updating the Town's Comprehensive Plan. At that time Fairview had an estimated population of 4,720 and it was projected to reach 5,000 by the end of the year. Fairview also only had one completed park at the time; Creekside in Oakwood (Beaver Run in Thompson Springs was still in the planning stages).

The updated plan called for parks in Thompson Springs, Summerhill Farms, Murray Farm, Sloan Creek Estates (trail and open spaces), a 95-acre sports park (Fairview Soccer Complex), Town Center as well as various open spaces. Additionally, the Plan recommended eight additional neighborhood parks within the Town limit.

In 2010, the Plan was once again updated, this time the effort was led by the Parks Board in conjunction with Town staff. The update kicked off with a survey mailed to each of the 2,724 Fairview water account addresses. The results of the survey showed that respondents overwhelmingly favored trails and natural areas. Neighborhood parks and a large community park were a distant third and fourth in respondent preferences.

During the 2010 update the inventory of parks showed that a number of proposed projects from the 2005 Plan update had been completed. Some of these were funded by the Town while several were primarily funded by development. Town funded parks include

Beaver Run, Monarch Park, Cypress Park, Roadrunner Trail, Sloan Creek trail and greenspace and Veterans Park. Those funded by development were; The Village Green (funded primarily by MGHerring), The Meadows (funded primarily by Grenadier Homes) and Fairview Soccer Complex (funded by Ayses Soccer Club).

The 2010 Plan update envisioned the 83 acres owned by the Town (south of McKinney National Airport) as a future community park. Additional goals from the Plan were to acquire open spaces, greenbelt land and neighborhood park land as opportunities and development allowed. The Plan also called for improvements to existing facilities - a trail to connect Orr Road to the Army Corps of Engineer land, amenities in Coyote Park, pavilions in Cypress Park and a nature trail on the west side of Creekside Park.

Many projects have been completed in the years since the 2010 update – the Town acquired 30 acres of greenspace, a trail & a connector bridge over Sloan Creek; open space, a connector trail & money escrowed for a connecting bridge over Wilson Creek; trail & a water detention area from Apple Crossing and a trail, open space & land for trailhead parking from Parkside. Additionally, the Town funded improvements to parks including: a pavilion, landscaping, playground turf, benches & a grill in Cypress Park; a playground with turf, pavilion, grill, benches, a sports court & landscaping in The Meadows and playground turf in Monarch Park. The current update of the Plan is once again being led by the Parks Board and Town staff. The Parks Board has spent time reviewing the previous plan, accomplishments since the last update and the Town's current trail system. They are also working diligently to find ways to connect trails while adhering to the section of the 2010 Plan that specifically addresses not using emergency access easements for trail connectors unless there is cooperation from neighbors. The result of reviewing the trail system is a proposed plan that uses existing road ways as trail connectors. This proposal will provide significant improvements in connecting various parts of the town.

In an effort to better understand the park and trail system the Park Board toured and reviewed all existing parks as well as general areas designated as future parks in the current adopted plan. This allowed Board members to make informed decisions about which potential park areas should remain in the Plan and which areas were no longer viable, based on the Town's development. They have created and ranked a list of proposed capital projects to be presented to the Town Council for their consideration, in a future joint meeting between the two bodies.

After finishing the framework for the updated Plan, Board members developed a survey to better gauge the desires and knowledge of Fairview residents regarding parks. The 2018 questionnaire was done online and was sent to more than 4,300 households. The results of the 2018 survey will be presented to the Town Council in a joint meeting.

Armed with this knowledge the Town Council together with the Parks Board will hold a public meeting that includes a public hearing component so citizens can provide input to the Parks Master Plan. After the public hearing, the plan will be finalized and presented to the Town Council at a public meeting, prior to adoption.

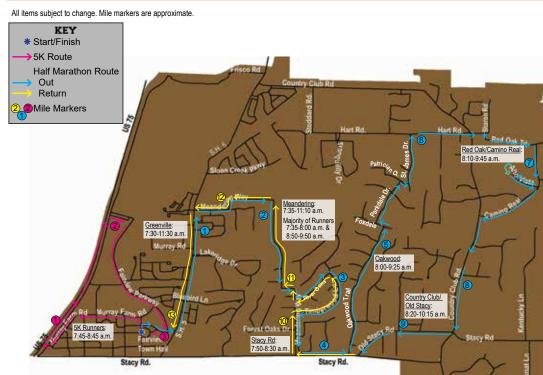

In the meantime we will feature various parks and trails that are available to the community as a whole.

# FAIRVIEW HALF MARATHON AND 5K

The Annual Fairview Half Marathon and 5K will be held the morning of Saturday, March 23, 2019.

### Fairview Half Marathon & 5K Course Map

### FairviewHalf.com

The festivities begin at 7 a.m. with a kids dash. The Half marathon begins at 7:30 a.m. and the 5K will start at 7:45 a.m. The race will wind through Fairview and back to Town Hall.

Review the course map to help you better plan your morning when getting out and about. While there will be no major street closures there will be some flagman traffic along Stacy Road and traffic delays along the course. The course will be clear by noon.

Visit FairviewHalf.com to register and learn more. If you would like to volunteer for the Half Marathon or if you have additional questions, contact ShannonCraft,Event/Marketing Specialist at 972-886-4227 or SCraft@FairviewTexas.org.

NOTE: The course is all paved concrete or asphalt road

## Flag Program Sign-Up

The Friends of Fairview Firefighters Association is a registered 501(c)3 nonprofit organization. Our mission is to find financial and non-financial solutions to improve the health, safety, and well-being of our career firefighters who are active members of the Fairview Fire Department. Proceeds from the Holiday Flag Program will be utilized to help fund our initiatives. Your help and generosity would be greatly appreciated!

# You Live and Play Here, Why Not Work Here Too?

We offer both small businesses and major corporations the personal connections needed to help them not only succeed but to grow. We have room for your company in the more than 450 acres of green space and 750,000 square feet of retail space; making Fairview the perfect choice for your office, retail and corporate campuses.

## Town Quarterly Financial Report For Quarter Ending December 31, 2018

Monthly financial reports are prepared for the General Fund, Water and Wastewater Fund, Solid Waste Fund, Debt Service Fund, Stormwater Fund and Fairview EDC/ CDC Funds, these reports are presented to the Town Council at their monthly meetings. These monthly financials can be accessed on FairviewTexas.org by selecting Departments/Administration/ Audit-Budget.

This report covers through December 31, 2018, which is the end of the first quarter of fiscal year 2018-2019; therefore, it is generally desirable for year-to-date revenue totals to have achieved 25 percent of the budgeted amount and expenditures should generally not exceed 25 percent of the budgeted amounts. However, because property taxes are primarily received during the first trimester of the budget year and other revenues such as franchise fees are cyclical, revenues will not always equate to the projected percentage. Likewise, total expenditures may not always equate to the projected percentage, because payments for contracted services, insurance and debt service payments are paid in lump sum amounts, while transfers to other funds occur quarterly.

#### **General Fund Analysis**

Revenue collections in the General Fund for the third month of fiscal year 2019 total \$2,811,767 and represent 31.2 percent of the total annual budget. Actual total collection this year is \$55,941 less than last year, primarily due to lease proceeds received prior year.

General Fund expenditures total \$2,231,694 and represent 24.7 percent of the total annual budget. Expenditures are \$149,522 more than the previous year. All other expenditures for all divisions are within the acceptable range.

During the Month of October and November, the majority of the revenues and expenditures received/expensed are related to the prior fiscal year; therefore, journal entries will be made to re-class revenue and expenditures actually received/spent in October and November 2018 to be recorded in September 2018 for audit purposes.

#### Water and Wastewater Fund Analysis

The Water and Sewer Fund revenues total \$1,167,623 and represent 18 percent of the total annual budget. This amount is \$178,606 less than last year. Water sales were lower by \$154,987 and sewer sales were lower by \$680 than the previous year.

Expenses for the Water and Sewer Fund total \$1,280,649 and represent 19 percent of the annual budget. This amount is \$478,525 less than prior year.

During the Month of October and November 2018, the majority of the revenues and expenses received/expensed are related to the prior fiscal year; therefore, journal entries will be made to re-class revenue and expenses actually received/ spent in October and November 2018 to be recorded in September 2018 for audit purposes.

#### **Other Funds Analysis**

The revenues and expenditures for all the other operating funds are within an acceptable percentage range. Revenues and expenditures will be monitored and reported to ensure that spending will not exceed the approved budget amounts.

#### Sales Tax Analysis

Sales tax revenue collections for the entire Town of Fairview (Town, Fairview EDC and Fairview CDC portions) for the third month of fiscal year 2019 total \$783,385. Actual total collection this year is \$8,708 or .01 percent higher than last year.

The Town of Fairview received \$236,825 in sales tax revenue during the month of December 2018. This amount represents an increase of \$43,239 or 22 percent more than December 2017. Due to the timing, the sales tax received in the month of January 2019 can be reported in this financial report too. The Town of Fairview received \$281,942 during the month of January 2019. This amount represents an increase of \$62,242 or 28.3 percent more than January 2018.

View entire recent monthly financial reports at FairviewTexas.org by selecting Departments/Administration/Audit-Budget.

# Holfday Closures

In observance of Good Friday, Fairview Town Hall will be closed on Friday, April 19, 2019. Trash will still be collected and construction is allowed in Fairview on Good Friday.

## **HOA Contact Updates**

The Town of Fairview values it's partnerships with local Homeowner's Associations (HOAs) to help share town related information and news. And, because we like to keep our contact list up to date we are asking you to send any updates you might have. Simply send your HOA board contact list (including address, phone and email) to Shannon Craft at Scraft@FairviewTexas.org.

## ACTOR OF FAIRVIEW: Hannah

Meet Hannah, this month's Actor of Fairview. Hannah is a high school sophomore who has graced the North Texas Performing Arts stages for the past three years. She performed last year in both *Fiddler on the Roof* and *Guys and Dolls Jr* at Fairview Youth Theatre. This month, Hannah will take the stage as Minnie Fay in *Hello*, *Dolly*.

Hannah talked a little about why theatre is so important to her, "I had danced for years and just started to get tired of it, but I loved my classes that incorporated theatre. A theatre invited my brother to be in *The Little Mermaid* and they said I could do it too – and I was hooked. I've done shows at all the NTPA theatres and my first show at Fairview was Les Misérables, it's my favorite musical. I'm so excited to do *Hello*, *Dolly* with all my friends. It's a great musical and the music is superb. I love Minnie Fay because she is so funny and so bubbly. It's cool to actually play a character that is so close to my own age for once and I get to dance a lot – it's the best of both worlds." Come see Hannah and the entire cast of *Hello*, *Dolly* when they put on their Sunday best and perform March 22 – 30. For tickets go to NTPA.org.

#### OFFICER COREY BRAGGS

At the January 2, 2019 Council Meeting, Officer Corey Braggs was sworn in as the newest (and at just 23 years old the youngest) member of the Fairview Police Department; bringing the number of Fairview officers to 17.

Braggs was born in Stillwater, Oklahoma, but moved a few times before graduating from Wesleyan Christian School in Bartlesville, Oklahoma. Braggs then attended Kansas State University and majored in engineering before transferring to University of Texas Dallas. Moving to the Dallas area was an easy choice for Braggs because his parents had moved to Fairview a few years earlier and he could live at home while still in college. In May 2018 Braggs earned his Bachelor of Science Degree in Criminology.

After graduation, Braggs participated in a few ride-alongs with several local police departments. It was after his experience with Fairview that he knew this is where he wanted to work so; he applied. Braggs graduated from the Law Enforcement Academy at Collin College on December 12, 2018 and started work the next day. He is currently undergoing field training and will continue that training for approximately six months.

Braggs says his favorite part of the job is talking with children. His goal is to give them a positive experience with officers and says the best part of his day is seeing them smile and laugh when he gives them stickers. While his favorite sport is basketball, Braggs enjoys playing paint ball in his spare time.

# FRIENDS OF FAIRVIEW FIRE RESCUE FIREFIGHTERS ASSOCIATION COMMUNITY DANGARAN DANGARAN BRANCARAN BREAKFAST

5 per person for Pancakes, Sausage, Orange Juice & Coffee

Eat breakfast with friends, family and firefighters who serve our community. Enjoy tours of the station and the fire & rescue apparatus that help keep our citizens and town safe.

## SATURDAY, APRIL13, 2019 - BREAKFAST SERVED FROM 8:00 - 11:00AM FAIRVIEW FIRE STATION #2 - 1200 STACY RD

RIDE THE HERITAGE AT TWIN CREEKS Free Courtesy Shuttle Between Heritage Ranch and the Pancake Breakfast. All proceeds & donations from this event go to the Friends of Fairview Firefighters Association (a non-profit 501(c)3 corporation) which helps support the health & wellness of our Fairview Fire & Rescue Department members. Thank you for your continued support!

# Fairview Youth Theatre

## Summer Time Fun

It's never too early to think about summer camps – especially since they tend to fill up quick. Fairview Youth Theatre is gearing up for a fun and creative summer. So why not join them on a journey where kids can transform into a superhero, a princess, or a favorite storybook character! Their morning, afternoon and full-day camps bring all your favorite childhood stories to life on stage. With summer learning opportunities for ages 5 to 18, there's a spot for everyone to learn from professional directors, actors, and singers who have worked everywhere from Broadway to L.A.

Art and Drama Camps for Ages 5-8 Grouped by age, students actively participate in visual and performing arts. Every student will perform on Friday to demonstrate what they've learned. Each week's theme will involve a variety of visual art projects that could include painting, pottery, mixed media, cartooning, sculpture, drawing, collage and printing. Performing arts activities include story dramatization, improvisation, theatre games, poetry, movement, singing, puppetry & pantomime. Themes include Trolls, Snoopy and Friends, Princesses and Superheroes.

**Exploring Theatre for Ages 7-11** These camps focus on theatre games and activities as well rehearsing a monologue or short scene that the students and their teacher create together. Each student will have a short skills based showcase for family and friends on Friday. Weekly themes include Harry Potter, Shrek and Willy Wonka.

#### **Full Day Production for Ages 9-13**

A full day production (8 hours including a 1 hour supervised lunch break). According to each week's theme, students will work on acting skills in the morning and rehearse in the afternoon for a whole day of theatre fun. Showcase for family and friends on Friday of each week. Some of the themes include Annie, Aladdin and Wreck it Ralph.

Fairview's Two Week Productions cram all the fun of a major production into two crazy weeks! Students will put on a full length production at the end of two weeks with multiple performances over the final weekend. Just like their major productions, all students and their families will work together to put on the show. Shows include Legally Blonde, Jr.; Cinderella, Kids; A Little Night Music; Aida, School Edition and Willy Wonka Kids.

Want to see what FVYT is all about? Then, why not see a show? On stage in March is *Elephant & Piggie's We Are in a Play* February 28-March 3 and *Hello, Dolly!* March 22 – March 30.

Want to be in a show? Shows auditioning in March are The Audition - A new theater teacher is bringing a production of A Chorus *Line* to the high school. Though the hopefuls range from shy to outrageous, and from diva-like to determined, everyone has a chance to step into the spotlight. A hilarious and heartbreaking look at the madness of auditioning and the actors who brave the process for that perfect part. This is a one week production during spring break for students in first - twelfth grades. Also auditioning is Sleeping Beauty, Kids - It's Princess Aurora's sixteenth birthday, and three fairies - Flora, Fauna and Merryweather - must use their magic to save her from the spell of the evil sorceress, Maleficent!

FVYT also offers discounts for New Students and Early Camp Registrations. To sign up for a camp, audition or to purchase tickets go to NorthTexasPerformingArts. org/Fairview.

# Alan Efrussy Week

At the January 2, 2019 Town Council Meeting, Mayor Culbertson issued a proclamation honoring former Planning Director, Alan Efrussy. And, declaring the week of January 7 as Alan Efrussy Week.

Mayor Culbertson began the proclamation with, "we are here today to express our appreciation to Alan Efrussy and honor him for his distinguished 51-year career as an Urban Planner and his dedicated

service in Urban Planning throughout municipal government."

Alan was born and raised in Chicago, Illinois where he attended the University of Illinois and received a Bachelor's degree in History; after which he joined the Navy and traveled a large majority of the Western

Hemisphere while serving on an aircraft carrier. His travels through various countries expanded his interest of history into an interest in the greater history of cities themselves and stimulated an interest in redevelopment and rehabilitation of cities. Upon his completion of duty he enrolled in Roosevelt University and received his Master's Degree in Urban Planning.

Alan's career began on August 9, 1967 as a Community Planner for the Chicago Regional Office of Housing and Urban Development servicing Illinois, Indiana, Michigan and Wisconsin within the Model Cities Program. Alan joined the Town of Fairview in October of 2002 as the Planning Director bringing with him a wealth of knowledge and experience gained from his time in Illinois and throughout the state of Texas.

Alan was instrumental in the adoption of the Town's first major Comprehensive and Park Plans; as well as helping to establish the policy of immediate zoning upon Town annexation to protect neighborhoods.

Mayor Culbertson expressed appreciation to Alan for, "his contributions to, not only the Town of Fairview, but to the surrounding areas as well." The Mayor also thanked him for the knowledge he has imparted throughout his career and wished him much happiness as he begins this exciting new chapter in his life.

## **TOWN RESIDENTIAL PERMITS**

Residents considering any remodeling or modifications on their property should contact the Town of Fairview Permit Department to determine if a permit is needed for the project. Our knowledgeable staff will work with you to make sure all the proper forms and applications are submitted on time.

The following list of projects may require a permit:

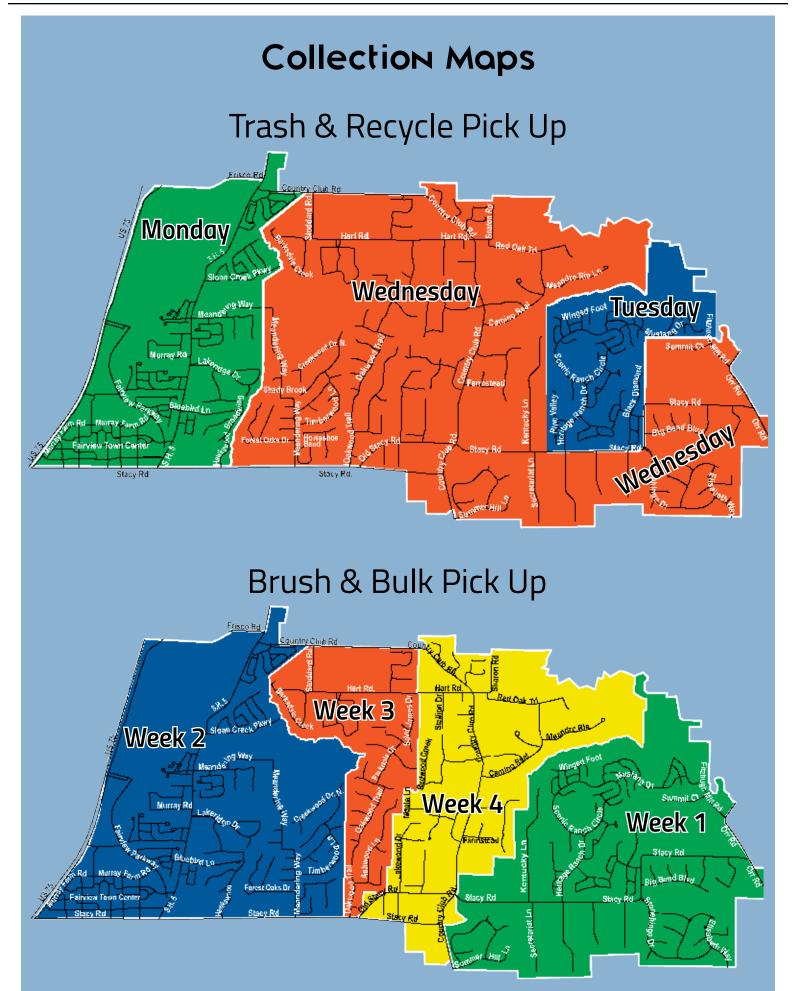

- Water heater replacement
- Plumbing
- Electrical
- HVAC
- Fencing
- Irrigation
- Swimming pools
- Septic modification
- Room remodel
- Accessory building
- Patio enclosure
- Patio cover
- Outdoor kitchen
- Pergola/arbor
- Storm shelter/safe house
- Driveway approach
- Roof replacement
- Carport
- Driveway extension
- Golf carts

Permit application forms are available at FairviewTexas.org or in person at Town Hall, 372 Town Place. For more information, please contact the Town's Permit Technician, Simone Doss at SDoss@ FairviewTexas.org or 972-562-0522 ext. 5003.

## (F) SPRING FORWARD

Sunday, March 10, 2019 (at 2 a.m.) marks the beginning of Daylight Saving Time. Be sure to move the clocks on all your devices forward one hour the night before.

## **Collection Schedules**

**Trash, recycling and yard trimmings** are collected weekly on Monday, Tuesday or Wednesday.

Bulk waste and loose brush are collected once a month. Please refer to the map on the previous page to determine your pick up week. Bulk trash may be put out after 6 p.m. on the Friday before collection but no later than 7 a.m. on Monday of your collection week. Bulk trash may be picked up anytime during the collection week.

**2019 Holidays:** Trash, recycling, bulk and brush will not be picked up on the holidays listed below; instead the collection will slide one day after the holiday.

January 1, New Year's Day May 27, Memorial Day July 4, Independence Day September 2, Labor Day November 28, Thanksgiving December 25, Christmas Day

**Missed Collections/Damaged Carts:** Call The Town of Fairview Utility Billing Department at 972-886-4242 to schedule a pick up for a missed collection or to report a damaged cart.

## Remember These Simple Guidelines For Putting Your Trash Out

- 1. Place carts on the edge of the street/alley with handles facing the house and with the lids opening to the street/alley.
- 2. Keep carts two to three feet apart and away from fences, cars, gates, gas meters, etc...
- 3. All trash should be contained in securely tied plastic bags, All bags should fit into the cart with the lid closed.
- 4. Do not place hazardous household waste in your cart.
- 5. Place your carts out by 7 a.m. on pick up day; carts should not be left out after 6 a.m. the following day.
- 6. Do not place any items out side your carts; unless it's for bulk pick up.
- 7. Brush and bulk trash must not be more than 12 cubic yards which is equal to 4 truck loads.

**DID YOU** Residents can request additional curbside collection? **KNOW?** Contact Utility Billing for pricing information.

Still have questions about trash, recycling, bulk or brush pick up? Contact the Town of Fairview Utility Billing Department at 972-886-4242 or via email at UtilityBilling@FairviewTexas.org.

# PRESCRIPTION DRUG TAKE BACK DAY

The Fairview Police Department is participating in the DEA's nationwide medication disposal program.

Saturday, April 27, 10 a.m. - 2 p.m. Fire Station #1, 500 S. State Highway 5 Medication can be disposed in its original container or by removing the medication from its container and disposing of it directly into the disposal box. Liquid products, such as cough syrup, should remain sealed in the original container. Caps must be tightly sealed to prevent leakage. Intra-venous solutions, injectables and syringes will not be accepted due to potential hazard posed by blood-borne pathogens.
