TOWN NEWS

POLICE-COMMUNITY PARTNERSHIPS

TUESDAY, OCTOBER 5 • 7 TO 9 P.M.

National Night Out is an annual community-building campaign that promotes police-community partnerships and builds fellowship among neighbors to make our neighborhoods safer, more caring places to live. National Night Out enhances the relationship between neighbors and law enforcement while bringing back a true sense of community. This year's National Night Out will be held **Tuesday, October 5 from 7 to 9 p.m.**

Thousands of communities take part in National Night Out across the U.S. including its territories and military bases worldwide. Neighborhoods host block parties, festivals, parades, cookouts and various other community events with safety demonstrations, seminars, youth events, visits from emergency personnel, exhibits and much, much more.

National Night Out was first introduced in 1984 by Matt Peskin the founder and executive director of the National Association of Town Watch. Peskin spent several years volunteering for a community watch program in a suburb of Philadelphia. During this time, he patrolled the neighborhood, assisted in patrol dispatch and introduced the program's newsletter.

The newsletter became a representation of the success that took place within the organization and the volunteer work put forth by more than a thousand neighbors. It became more and more difficult to publish new and creative content as each month passed so; Peskin began to reach out to surrounding townships and communities for assistance. And, that's when he realized that hundreds of community watch groups existed without a platform or association to connect them together and from that the National Association of Town Watch was formed.

Talk to your crime watch captain or Homeowners Association to find out about events in your neighborhood.

For more information about National Night Out, please contact Sergeant Troy Neasbitt at TNeasbitt@FairviewTexas.org.

MESSAGE FROM THE MAYOR

HENRY LESSNER

Dear Neighbors,

I hope everyone had a great summer!

Here are some things going on around Town.

Parks Board Presentation

I hope you had a chance to come out and view the Parks Board presentation. They did a multiyear study of all our parks and trails and put together a long-term plan for improving and extending these amenities. They did an excellent job. Special thanks to Marianne Simonson the previous committee chair and to Katherine Ponder the current committee chair. You can find the presentation on the Town's website under Top News.

Fairview Town Center

- Critter Club is back on Saturday mornings starting September 11 at 11am. If you have little ones, they will love meeting unusual animals up close.
- There are two new restaurants coming to the FTC. Both are drive through only and will be located in the area near the RaceTrac and 24 Hour Fitness. SWIG is a soft drink provider and Salad and Go is just what it says.
- I am told that Wild Salsa is getting close to repairing the damage caused by the February freeze and will reopen in September.
- Enjoy the free musical entertainment presented on weekends in the performance area beside Café Gecko.

Peanut Butter

Every September, the North Texas Food Bank creates awareness about food insecurity in our communities and hosts the Peanut Butter Drive. This has turned into a competition between the Mayors of the Towns/Cities in Collin County to see who can collect the most peanut butter. On a pounds per capita, Fairview is close to winning this every year. During September, you can drop your peanut butter donation off at either of our Fire Stations. Let's show all of Collin County how generous Fairview residents can be!

Covid

I almost hate to write about this again. There was so much progress – but cases of the extremely contagious Delta Variant are surging through North Texas. Hospital ICUs are filling up again. In many places where people gather, wearing of masks is again being encouraged. Unless you have some sort of underlying health condition that prevents you from getting vaccinated - PLEASE get vaccinated for your benefit and for the benefit of everyone else around you. Collin County has set up a mobile service where they will literally come to your house to give a vaccination. You can set up an appointment for anyone 12 years or older by emailing: covid19vaccine@co.collin.tx.us or by calling 214-491-4821. There is no charge for this service.

2021-2022 Budget and Tax Rate

The Town Council and staff have started working on the next fiscal year's budget. The Council is having a series of work sessions throughout August with the final numbers to be voted on in September at a public meeting.

As I write this, there are only 11 more days until our children head back to school. Please remember our speed limits (no more than 25 mph in our neighborhoods) and the traffic laws related to school buses.

I look forward to being able to watch high school football soon!

2021 CONGRESSIONAL APP CHALLENGE

U.S. Congressman Van Taylor (TX-03) recently announced his office is now accepting entries for the **2021 Congressional App Challenge**.

Each year, the Congressional App Challenge presents an opportunity for innovative middle school and high school students to put their skills to work on any platform and in any programming language they desire to create their own app. The winning apps are eligible to be featured in the U.S. Capitol Building and on the Congressional App Challenge website - CongressionalAppChallenge.US.

Congressman Van Taylor stated, "I look forward to seeing the inventive work from students throughout Texas' Third Congressional District. As a nation, we must continue to recognize the growing importance of computer science and STEM skills and encourage students to learn more about related career paths.

“AS A NATION, WE MUST CONTINUE TO RECOGNIZE THE GROWING IMPORTANCE OF COMPUTER SCIENCE AND STEM SKILLS AND ENCOURAGE STUDENTS TO LEARN MORE ABOUT RELATED CAREER PATHS.”

The Congressional App Challenge is an exciting way to foster interest in these critical fields.”

The Congressional App Challenge is open to all U.S. high school and middle school students in Texas's Third Congressional District. Challenge participants are invited, either as individuals or in teams of up to four students, to create and submit their own software app for mobile, tablet, or other computing devices on a platform of their choice.

For more information about the Congressional App Challenge, or to register, please visit Congressman Taylor's website at <https://VanTaylor.House.Gov/Programs/AppChallenge.htm>

Students may submit their apps any time between now and the student submission deadline of November 1, 2021. Students are recommended by CAC to register by September 1, 2021.

For additional questions, please contact Congressman Taylor's Collin County office by phone at 972-202-4150.

Holiday Closures

Fairview Town Hall will be closed Monday, September 6 in observance of Labor Day. Please see page 15 for the 2021 Bulk Trash Recycle Calendar to view the holiday schedule for bulk trash collection.

Fairview Youth Theatre

North Texas Performing Arts (NTPA), the umbrella organization to Fairview Youth Theatre (FVYT), offers Academy Classes for students age 0-18 during the day and in the afternoon. Classes are taught by extraordinary directors, actors and singers who have worked everywhere from Broadway to L.A. Registration for Fall classes is now open.

NTPA believes that theatre changes live. And, it does - just ask their students - Ashleigh an eighteen-year-old NTPA student says, "Theater allowed me to express my actual self for the first time without fear of judgement." She further explains the theatre is where she feels safe and protected. "I've met my closest friends and mentors and my girlfriend through theater. I was a completely different person before I started theater and now, I'm finally okay with the person I am."

It's clear; NTPA strives to teach their students not only how to act, sing or dance, but also how to be better human beings. All students who participate in their classes and programs are taught the 10 Characters of North Texas Performing Arts; including Teamwork, Leadership,

Responsibility, Confidence, Creativity and A Positive Attitude.

Mary Kate says NTPA has given her space to truly be herself. She says, "One of the purposes in my life is to tell stories and live theatre is one of the best ways to communicate with people those stories."

The STARters classes focus on introducing preschool children to the performing arts while learning valuable life skills that will carry them into their school age years and beyond. With two core classes, children can explore creativity, which is an intrinsic part of human nature. NTPA Founder, Sara Akers explains, "We learn, imitate, change, and adapt from and to the world around us. The arts afford opportunities to use that creativity and apply it to other areas of life, such as cognitive, social, emotional, senses and motor movement."

In the Rising Stars classes, young performers will learn theatrical and life skills in a safe and supportive environment. Students ages 5-7 can participate in Mini Musicals, which are the perfect introduction to theatre with a shortened script and six-week rehearsal process.

Students ages 8-10 have the chance to dive a little deeper in the Elementary Production Classes, which incorporate script writing, set design, choreography and more.

The Academy is NTPA's training program for students age 10-18, and includes specialty classes in acting, stage combat, tech theatre, dance and more! These classes continue to focus on developing life skills that can guide students through their journey to college, professional work and adult life.

Students who are committed to pursuing the performing arts can apply for the Academy Conservatory, a rigorous and comprehensive educational and experiential learning model in which students can earn a two-year or four-year certification in a variety of performing arts disciplines.

Are you ready to experience what FVYT has to offer? Then go see a show or better yet take a class or audition for a show.

James and the Giant Peach, Jr is an adventurous musical about courage and self discovery will hit the stage **September 3 – 11**. Transporting audiences from the Jungle of Nool to the Circus McGurkus,

the Cat in the Hat, tells the story of Horton in *Seussical, Kids* on stage **September 16 – 19**. Determined to prove herself to the world Elle Woods charms her way into Harvard Law School in *Legally Blonde, The Musical* on Stage **September 17 – 25**. And the finish out the month as part of NTPA's 30 Anniversary series *Disney's High School Musical, Jr.* will be on stage **September 30 – October 2**.

All shows now have an option to either purchase tickets for a live performance or viewing it online.

Fairview Youth Theatre is conducting auditions via video. *Rudolph the Red-Nosed Reindeer* for students in 3rd – 8th grades has a deadline of September 4 and *The Aristocats, Kids* is accepting video auditions until September 18 for grades 1st – 5th.

If you or someone you know wants to be a part of FVYT visit FairviewYouthTheatre.org to sign up for Academy classes, to audition for a show or to purchase tickets.

CUSTOM COOKIES

Thanks to Fairview resident, Hillary Painter of Sweet Jem's Creations for her creativity and detailed artistry on the Town of Fairview themed cookies at the Parks Board Open House in July. The cookies looked and tasted amazing. Check her out on Facebook at [Facebook.com/SweetJemsCreations](https://www.facebook.com/SweetJemsCreations) or email her at SweetJemsCreations@gmail.com.

When power outages occur, you have no lights, no refrigeration, no heating or cooling. Keep your home running and family safe with a Generac power system.

GENERAC

ACT NOW, BEFORE THE NEXT POWER OUTAGE!

Whether your goal is to power your home or save money, Generac has the right solution for you. WALK **to end** **ALZHEIMER'S**

Ranchers for the Cure Alzheimer's Walk Team at Heritage Ranch organizes numerous awareness and fundraising events throughout the year, all of which are open to the public. Even during the 2020 Pandemic year the Ranchers for the Cure raised more than \$35,000 for the Alzheimer's Association. The Team goal this year is \$40,000.

This year's annual Walk to End Alzheimer's will be held Saturday, September 25. All are welcome to join and walkers, strollers, dogs on leash and golf carts are encouraged to attend as well.

Registration begins at 7 a.m. with opening ceremonies starting at 8 a.m. Following the walk will be auctions, music and other activities for everyone to enjoy.

Contact Joan Van Vliet at JoanVanVliet@gmail.com or 972-549-0120 for more information.

COUNCIL'S CORNER

At the Tuesday, July 6, 2021, Regular Town Council meeting, the Town Council discussed the following items:

- Approved the following items on the consent agenda:
 - » The minutes of the June 6, 2021 Regular Council meeting.
 - » The minutes of the June 22, 2021 Special Council meeting.
 - » An interlocal agreement with the City of Allen and City of Plano for use of the radio communications system.
- Received reports from Staff, including any updates on project tracking reports and department activities
 - » Monthly Financial Report – Period ending May 31, 2021
 - » Monthly Police Report – Period Ending June 30, 2021
 - » Monthly Fire Report – Period Ending June 30, 2021
 - » Town construction projects
- Continued a public hearing and approved an ordinance granting a request to rezone a 28+/- acre tract of land to a new (PC) Planned Center District for a potential single-family subdivision. The site is located on the north side of Stacy Road, west of Kentucky Lane. Owner/Applicant: Justin Jinright, JDRP Fairview Derby Development.
- Held a public hearing and approved an ordinance granting a request for approval of Major Warrants for the proposed development of a restaurant with a drive thru. The 0.8-acre site is located at the northwest corner of Southwind Drive and Highway 5/Fairview Parkway and is zoned for the (CPDD) Commercial Planned Development District with the Urban Village Sub-district. Applicant: Kofi Addo, Bowman Consulting representing Village FV LTD.
- Discussed and approved on a request for approval of a Final Plat of the Stoddard Farms Addition. The 31.0-acre tract of land is located at 930 Country Club, on the south

side of Country Club, east of Stoddard Road and is zoned for the (PC) Planned Center District. Applicant: Keith Hamilton, Hamilton Duffy, PC representing North Texas Select Materials, LLC.

- Discussed and approved on a request on a replat of Lot 17C, Block A of the Village of Fairview Addition to dedicate easements. The 8.7-acre tract of land is located at 195 Murray Farm Road, at the northwest corner of Murray Farm Road and Convention Drive and is zoned for the (CPDD) Commercial Planned Development District with the Urban Village Sub-district. Applicant: Trey Braswell, Kimley-Horn and Associates representing Lincoln Office LLC
- Discussed COVID-19 activities and actions and take any necessary action.
- Discuss Boards & Commissions and made appointments.

At the Monday, July 12, Special Joint Town Council meeting with the EDC/CDC and Planning and Zoning Commission, discussed the following items:

- Held joint work session to hear and discuss Billingsley Company's presentation on the proposed plans for a 242-acre mixed use development in the CPDD.

At the Monday, July 19, Special Town Council meeting the following items were discussed:

- Considered and the approved a resolution authorizing the Police Chief to apply for the Department of Justice Community Policing Development Accreditation Grant.

At the Wednesday, July 28, Special Town Council meeting the following items were discussed:

- The proposed 2021-2022 fiscal year budget including budget priorities, revenues, expenditures, rates, capital planning, long-range planning and any related items.

FREE Shade Trees

*Available To All Homeowners
In Oncor Service Territory*

When properly chosen and planted in just the right spot,
a single tree can help a homeowner
save 20 percent on energy costs.

For the tenth year in a row, Oncor is partnering with the Arbor Day Foundation to offer all homeowners in its service territory two free shade trees as part of the Energy-Saving Trees program.

This year's program is offering more than 5,000 free trees on a first-come, first-served basis. All customers who sign up to receive trees will need to have their ESI ID handy during checkout, which can be found on their monthly electric bill.

The available trees represent five species indigenous or adapted to the Texas communities where homeowners will plant them: Bur Oak, Chinese Pistache, Eastern redbud, Shumard oak and Sweetbay Magnolia. The trees will

be delivered directly to your doorstep with no need to sign or interact with the delivery driver - just in time for planting season in the fall. When properly chosen and planted in just the right spot, a single tree can help a homeowner save 20 percent on energy costs.

The Energy-Saving Trees program is designed to help plant free trees in the right places to promote maximum energy savings and the protection of important electrical equipment. By planning before you plant, you can beautify your community and help safeguard the electric grid as well as the safety of the public. Customers can use an online mapping tool to chart where new trees will offer the greatest energy-saving benefits

around their homes by visiting ArborDay.org/Oncor.

Trees offer shade from the hot Texas sun and a baffle against the winter wind, and that's only the beginning. They also help keep the air fresh—where a typical mature tree can absorb 48 pounds of carbon dioxide a year—they help hold valuable topsoil in place and reduce flood risk, and they bolster natural wildlife habitats.

This program was awarded The 2018 Environmental Leader Project Award, which recognizes projects implemented by companies that improved environmental or energy management and increased the bottom line.

Claim your free trees today at **EnergySavingTrees.ArborDay.org** and be sure to share the link with family, friends and neighbors. Happy, safe planting!

ACTOR OF FAIRVIEW: Sydney

Sydney is 15 years old and is in the 10th grade this year. She began doing shows at North Texas Performing Arts in fifth grade after an invitation from her next-door neighbor. She says, "I had always had an interest in theatre, but until that point, it hadn't crossed my mind to actually be in a show." Soon she will be performing in *Legally Blonde*, her 27th show at Fairview Youth Theatre. "*Legally Blonde* will never not be a great show in my eyes. I love the music, the choreo, etc., so I was very excited to audition when the show came around. I will play Chutney Wyndham, and I am very excited to get to play this character because I've never played a character quite like her before, and I think it's a great chance to grow my acting abilities."

When asked what she loves about musical theatre Sydney tells us, "I love to entertain people. More specifically,

I love to make people laugh, and that's why I adore theatre. I more often than not play comedic roles, and these roles allow me to make the audience laugh, and I love that." She had a tough time naming her favorite role to date but settled on getting to play Chip Tolentino in *The 25th Annual Putnam County Spelling Bee*. "He was such a fun character to play, and the show itself is one of my favorites. The cast was also amazing."

Fairview Youth Theatre will always be special to Sydney because it is where she got her theatre start. "It holds a special place in my heart as a sort of "home" to all the shows I have done, and the memories made during those shows".

Come see Sydney and the rest of the *Legally Blonde* cast performing at Fairview Youth Theatre September 17-25.

STORM WATER RUNOFF

The Center for Watershed Protection has long maintained stormwater runoff is the leading cause of impairment of streams in urban areas. Water runoff is excess water that travels over land and ultimately finds its way to a common point.

The majority of our runoff is produced by rain, melting snow/ice, and residential/commercial water sprinklers. This runoff carries pollutants (such as oil, gas, fertilizer, and pesticides) from yards and roadways directly into streams via storm drains and ditches.

The common point where Fairview's water runoff travels is Lake Lavon, which also supplies the town with its drinking water. So, remember whatever you place on your yard ends up in Lake Lavon.

There are a lot of effective organic alternatives to commercial fertilizers and pesticides. Howard Garrett, a leading local expert in organic gardening, landscaping, pet health, pest control and natural living, offers an extensive list on his website DirtDoctor.com of organic products to treat your yard as well as additional tips and advice for creating a pest free outdoor environment.

Let's all educate ourselves so we can know the alternatives that are out there and help keep our surface waters clean of chemicals that end up in streams and lakes.

HEARD HAPPENINGS

Visitors to Heard Natural Science Museum & Wildlife Sanctuary will be able to let their imagination run wild as they travel back in time with life-size animatronic dinosaurs along a half-mile nature trail. From September 4, 2021 through February 21, 2022, during the 16th Annual *Dinosaurs Live!*, eleven moving and roaring dinosaurs provide visitors with a captivating experience. This exhibit will also offer interesting facts about both herbivorous and carnivorous dinosaurs. The exhibit features the infamous 46-foot-tall Tyrannosaurus Rex and nine new life-sized animatronic dinosaurs.

Future paleontologists will enjoy an outdoor fossil dig and an opportunity to play on two stationary baby dinosaurs. Additionally, two life-size, stationary photo-op dinosaurs, Tyrannosaurus Rex and Pachyrhinosaurus, provide unique opportunities for guests to take photos

with their families and friends. Children are also welcome to play on these two photo-op dinosaurs as well as the play Parasaurolophus and play Apatosaurus.

The *Dinosaurs Live!* exhibit nature trail gives families and friends a unique, exciting and educational activity to experience together. The trail is jogging-stroller friendly while umbrella strollers and other strollers with small wheels are not recommended.

Dinosaurs Live! is sponsored by NBC5 and Mathnasium. This exhibit is included in general admission and free for Heard Museum Members.

This Month at the Allen Public Library

Deadly Dallas: A History of Unfortunate Incidents and Grisly Fatalities

A runaway team of horses critically injures three pedestrians attempting to cross Akard Street. The mayor orders a round-up of unlicensed dogs due to a city-wide rabies outbreak. A falling elevator crushes the head of a young man as he retrieves a half-dollar he had dropped down the shaft. An inexperienced automobile driver jumps the curb and drives into the lobby of the St. George Hotel. Embers from a wood cooking stove transform a sleeping house into a funeral pyre....Just another deadly day in Dallas.

Listen to Rusty Williams discuss a darkly humorous look at turn-of-the-twentieth-century city life when he speaks about Dallas in the Spring of 1904, at a live (and virtual) event at **7:30 p.m. on Thursday, September 9.**

Texas Gypsies

Blending Big Band Swing, Jazz, Western Swing, Texas Blues and Rockabilly, the award-winning Texas Gypsies brings gypsy jazz to the Allen Public Library at free live (and virtual) concert on **Friday, September 17 at 7:30 p.m.** With sounds evocative of the European Jazz movement in the 1930s, the Texas Gypsies feature guitar, violin bass, drums, keyboards, and horns. Both earthy and sophisticated, their music appeals to a diverse audience. This concert is made possible by a generous grant from the Texas Commission of the Arts.

When Art Mimics Life, Somebody's Going to Get What's Coming to Them

Listen to Clay Small, the author of *The Forger's Forgery*, at a live (and virtual) event at **7:30 p.m. on Thursday, September 23.** *The Forger's Forgery* tells the story of Henry Lindon's flight across the north Atlantic that was turbulent and sleepless. His plane has just touched down in Amsterdam, where he will serve as a visiting professor. Lindon is excited to start a new

chapter in a lively city. But troubles from the past soon cross the Atlantic. Lindon discovers that notorious Dutch art forger Han van Meegeren, born in 1899, is about to play a part in Lindon's own personal drama.

Wanda King Blues Band

Wanda King's voice resonates with a ferocity that matches her stage presence. The daughter of the late Freddie King, also known as the Texas Cannonball, Wanda King began singing at an early age. The King family home was filled with music and musicians of the era—Howlin' Wolf, Albert King, B.B. King, Magic Sam, Tyrone Davis, Johnnie Taylor, just to name a few.

The Wanda King Blues Band takes the stage at **7:30 p.m. Friday, September 24**, for a live (and virtual) event.

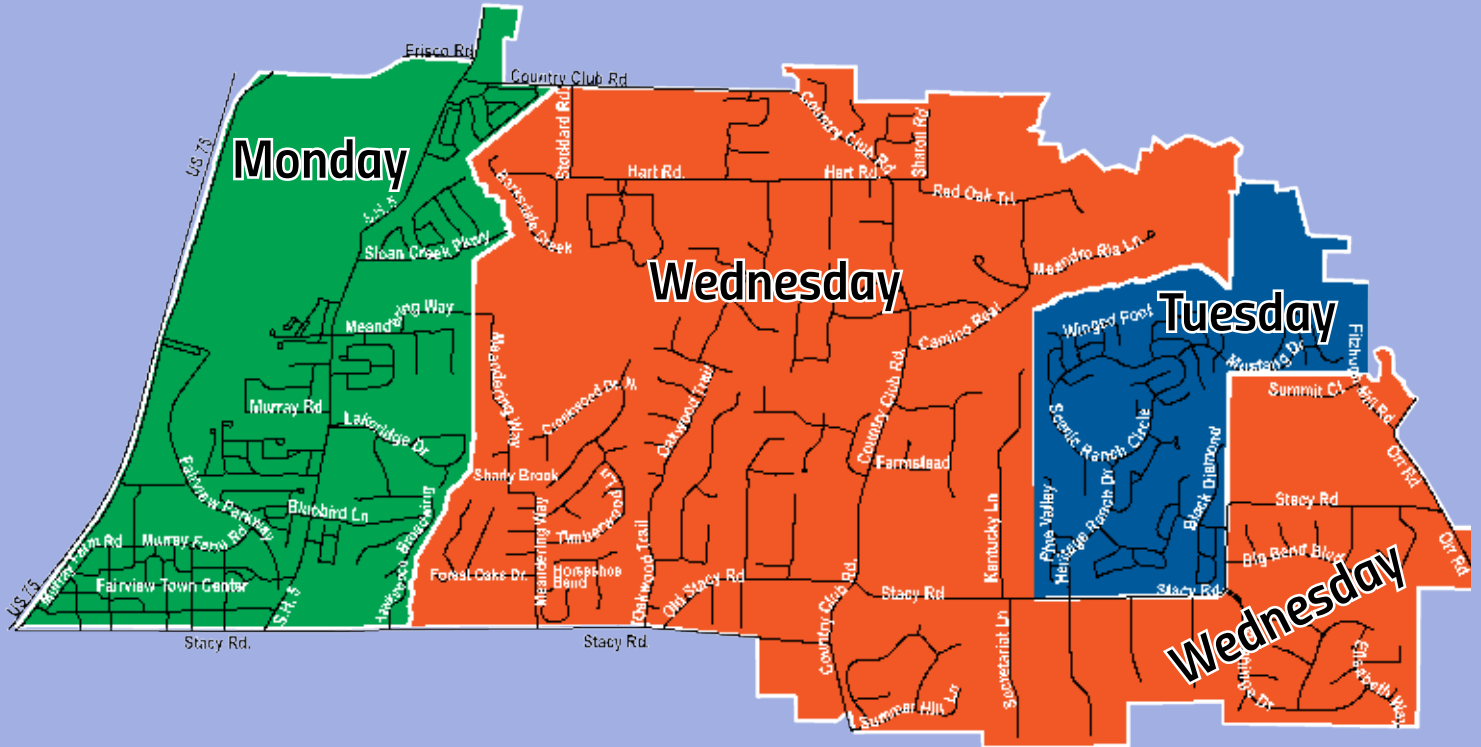

All events are free live events at the Allen Public Library-300 N. Allen Drive. Events also have a virtual component and can be accessed via AllenTx.Swagit.com. Questions for each event (non con-

certs) can be submitted to LiveOnStage@CityOfAllen.org up until one hour before the program begins the afternoon/evening of the event. Call Allen Public Library at 214-509-4911 for additional information.

Collection Maps

Trash & Recycle Pick Up

Brush & Bulk Pick Up

Collection Schedules

Trash, recycling and yard trimmings are collected weekly on Monday, Tuesday or Wednesday if all items are placed inside the cart with lid closed. Please place trash in the BLUE cart and recyclables in the GREEN cart.

Bulk waste and loose brush are collected once a month. Please refer to the map on the previous page to determine your pick up week. Bulk trash may be put out after 6 p.m. on the Friday before collection but no later than 7 a.m. on Monday of your collection week. Bulk trash may be picked up anytime during the collection week. **See #7 in the guidelines below for size limits.**

2021 Holidays: Trash, recycling, bulk and brush will not be picked up on the holidays listed below; instead the collection will slide one day after the holiday-unless otherwise noted.

January 1, New Year's Day-No effect
 May 31, Memorial Day-Roll Forward One Day
 July 4, Independence Day-No effect
 September 6, Labor Day-Roll Forward One Day
 November 25, Thanksgiving-No effect
 December 25, Christmas Day-No effect

Missed Collections/Damaged Carts: Call The Town of Fairview Utility Billing Department at 972-886-4242 to schedule a pick up for a missed collection or to report a damaged cart.

Hazardous Waste: Residents may dispose of household hazardous waste at the Home Chemical Collection Center located in Dallas. Call 214-553-1765 for information.

Remember These Simple Guidelines For Putting Your Trash Out

1. Place carts on the edge of the street/alley with handles facing the house and with the lids opening to the street/alley.
2. Keep carts two to three feet apart and away from fences, cars, gates, gas meters, etc...
3. All trash should be contained in securely tied plastic bags. All bags should fit into the cart with the lid closed.
4. Do not place hazardous household waste in your cart.
5. Place your carts out by 7 a.m. on pick up day; carts should not be left out after 6 a.m. the following day.
6. Do not place any items out side your carts; unless it's for bulk pick up.
7. Brush and bulk trash must not be more than 12 cubic yards which is equal to 4 pick-up truck loads.

DID YOU Residents can request additional curbside collection?
KNOW? Contact Utility Billing for pricing information.

Still have questions about trash, recycling, bulk or brush pick up? Contact the Town of Fairview Utility Billing Department at 972-886-4242 or via email at UtilityBilling@FairviewTexas.org.

We Hope You Are Enjoying

The Fairview Town News

A monthly publication delivered to residents.

Check us out for all the current news about your community, schools, businesses and events happening around town.

On a Podcast Channel
Near You

Getting Neighborly, a new Podcast being launched by the Fairview Economic Development Corporation, focuses on sharing what makes our town a community; the people. Join us as we have real conversations with Fairview residents and introduce them to our listeners.

Our guests are varied, including nonprofit founders, CEOs, small business owners and others doing exciting things to make a difference in our world. But; the one thing they all have in common is their love of Fairview.

They are all your neighbors, living right here in the Town of Fairview. Join us as we start Getting Neighborly in Fairview, Texas
