

Memorandum

February 2, 2017

TO: Town Manager, Mayor & Town Council

FROM: Jason B. Weeks, Chief Financial Officer
Brenda Bowman, Accounting Manager
Adam Wilbourn, Assistant to Town Manager

SUBJECT: Quarterly Investment Report – December 31, 2016

BACKGROUND: It is the objective of the Town of Fairview to invest public funds in a manner which will provide maximum security and the best commensurate yield while meeting the daily cash flow demands of the Town and conforming to all federal, state and local statutes, rules, and regulations governing the investment of public funds. In January 2017, the Town adopted an updated investment policy which serves to satisfy the statutory requirements of defining and adopting a formal investment policy. The investment policy states, “Not less than quarterly, the Chief Financial Officer shall submit to the Town Manager, Mayor and Town Council a written report of the Town’s investment transactions within ninety (90) days of the preceding reporting period.”

STATUS OF ISSUE: The current depository bank for the Town of Fairview is Wells Fargo Bank. The current agreement with Wells Fargo specifies the Town to maintain an amount of liquid funds in Wells Fargo to allow the Town to earn interest monthly, which one-day interest rate at December 31, 2016 was 0.23%. The Town invested the majority of the remaining funds in the public investment pool – TexPool and Lone Star, which one-day interest rate at December 31, 2016 was 0.46% and 0.77%, respectively. On December 12, 2016, the Town finalized the sale of the Noah’s Event Center, which the Town had issued Certificates of Obligation Bonds in 2012. The 2012B CO’s are “callable” in September 2017; therefore, the proceeds from the sale of Noah’s Event Center were placed into an escrow account until September 2017. These funds were invested in two U.S. Treasury Notes that were competitively bid by FirstSouthwest on December 13, 2016. All funds on deposit with Wells Fargo Bank, TexPool, Lone Star and U.S. Department of Treasury are fully secured and safeguarded. Total interest earned for the quarter ending December 31, 2016 was \$21,260, which includes \$6,505 of accrued interest from the two U.S. Treasury Notes. The

total cash and investments for the period ending September 30, 2016 was \$18,330,659 compared to \$22,784,709 on December 31, 2016, a net increase of \$4,464,050.

The attached Quarterly Investment Report for the Period Ending December 31, 2016 includes the following documents:

- Investment Officers' Certification
- Investment Portfolio Summary
- Detail of Security Holding
- Individual Fund Investment Portfolio

Approximately 88.3% of the Town's current portfolio has same day access, which is sufficient to cover normal and seasonal operation costs. It is the strategy of the Finance Department to maintain a high percentage of its idle funds invested in safe and secure investment securities and pooled investment types in accordance with the Public Funds Investment Act. As the economy slowly gains strength again, the Investment Officers will begin to explore other investment opportunities.

BUDGET: N/A

RECOMMENDATION: No action is necessary
